

It was wonderful on Monday morning to have the sounds of a full school again - welcome back! We had an amazing 99% attendance too!

It was so lovely to have all the children back.  
Super partner work in Y1 to sequence pictures from our new  
story Jack and the Jelly Beanstalk!

Year 3 came back with a spring in their step, a smile on their face & plenty of things to share with each other. It was great to see you all back & wonderful to hear the chitter chatter.

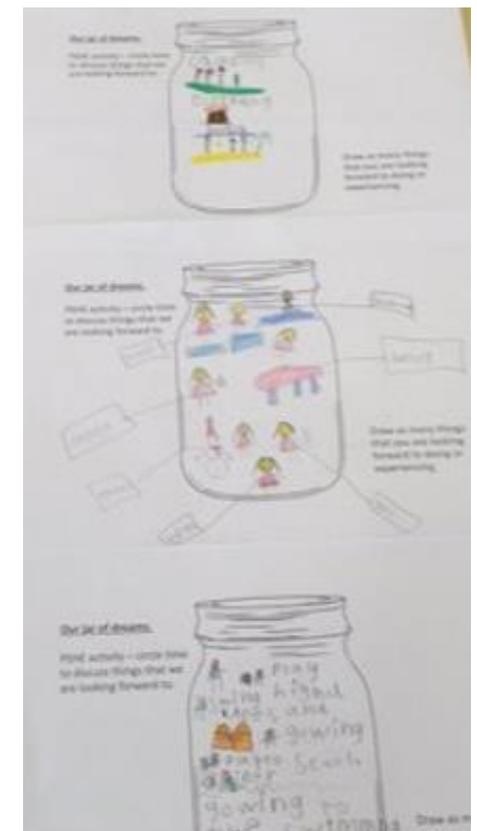

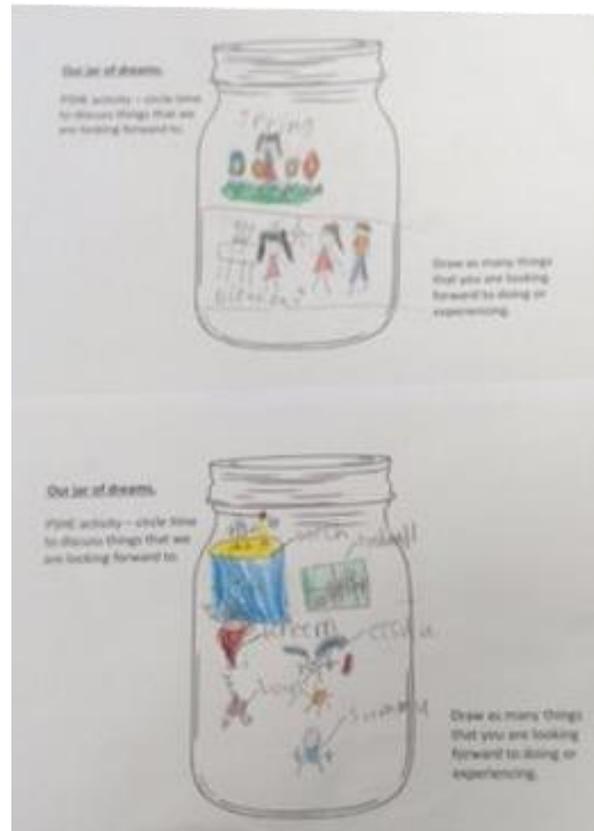

Fantastic to see  
everyone back in year 5  
too !

More work on money this week  
recognising coins and making  
different amounts.

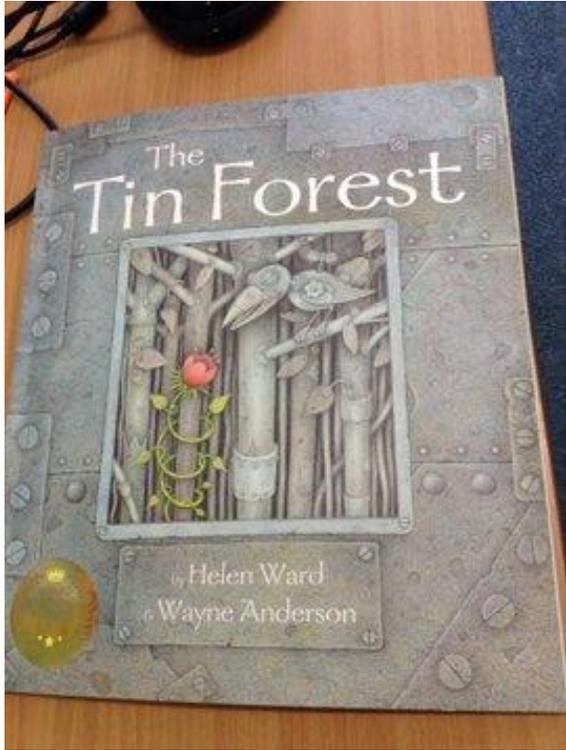

This afternoon in our PSHE lesson we have been thinking about our dreams for the future, things we are looking forward to and things that make us happy.  
We created 'Jars of Dreams'.

It was so nice  
having all of  
our class back  
today.  
Welcome back  
year 5

Year 1 have been working super hard as a team this morning to see which group could make the most correct amounts using the coins!

Yr2 pupils sequenced a story with their partner.  
The captions tell the story.

---

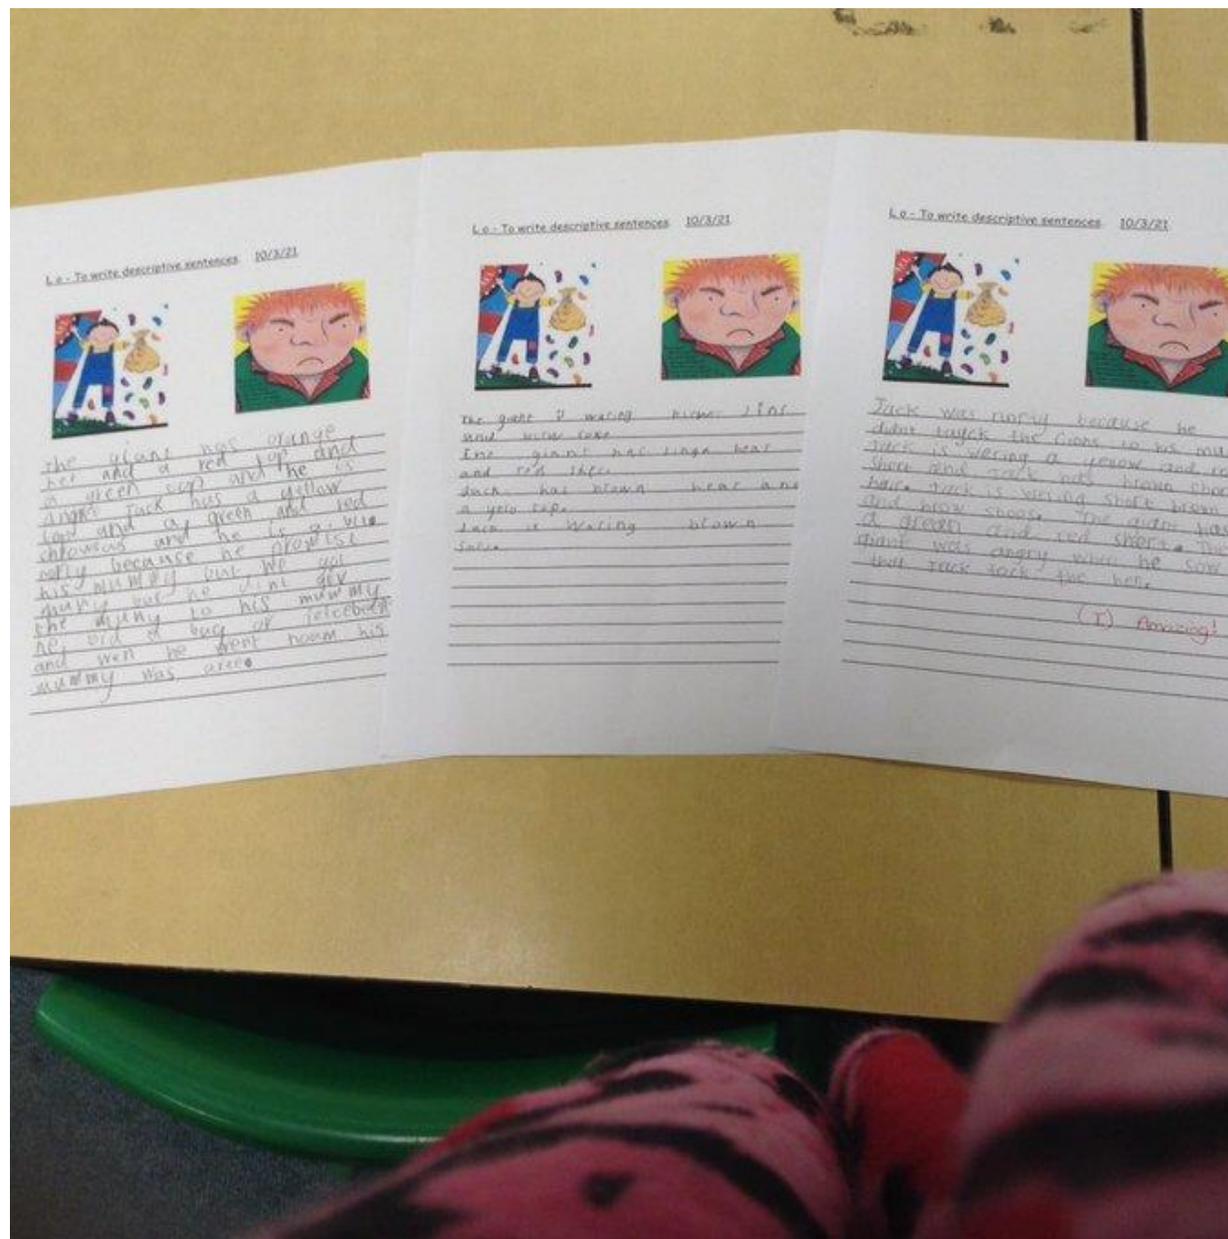

Great joy and lots of waving in our Welcome back  
WednesdayWord Assembly

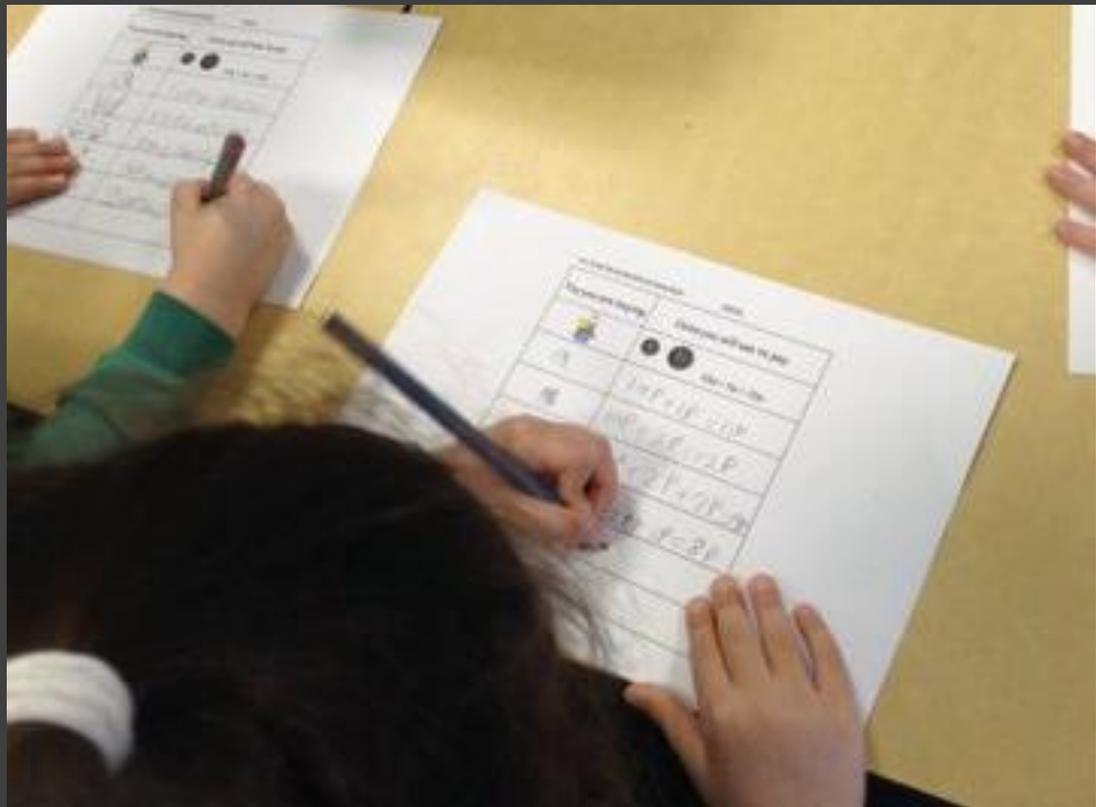

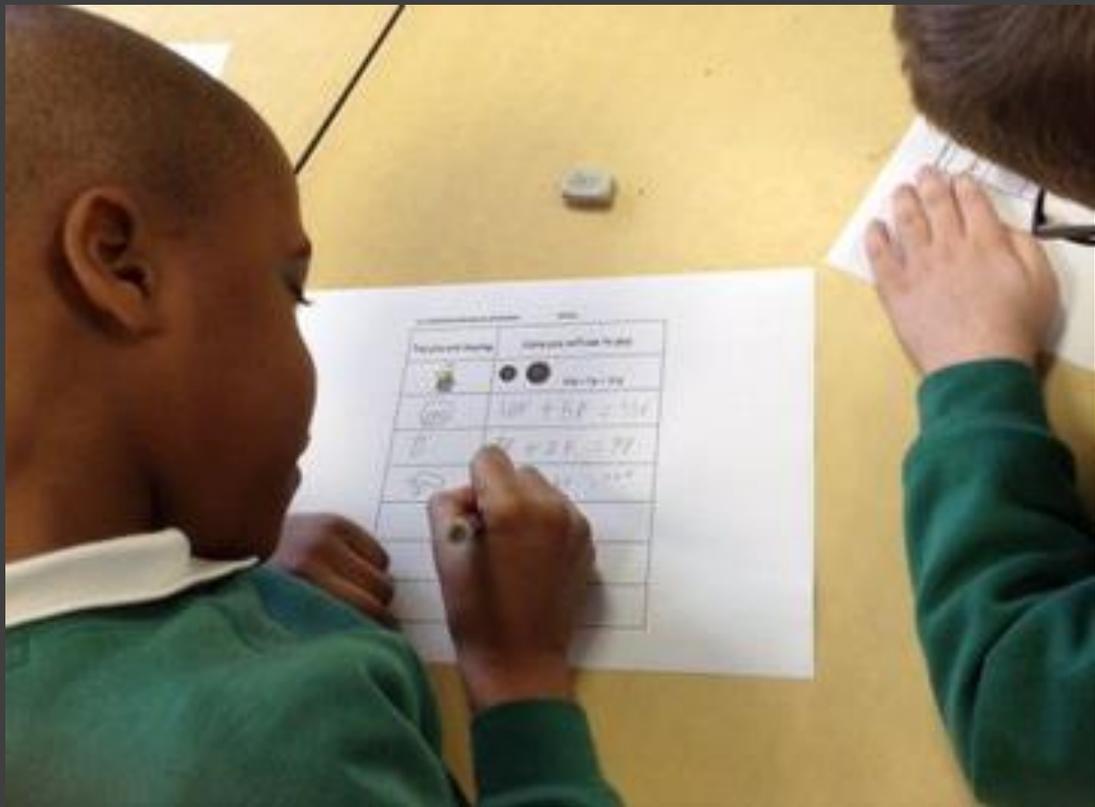

We practised our colour mixing skills by painting Spring flowers.

We have been very busy this morning writing descriptive sentences about the characters in our new story.

More tricky work on money today;  
we are finding it challenging but we won't give up!

This morning we have been finding out about what we know about weather and appropriate clothing. *Is there inappropriate weather or just inappropriate clothing?* We are beginning to explore our ideas! **Splish, splash, splosh!**

**Having fun testing  
wind force.**

The Nursery children have been listening to Nick Sharratt reading his story 'Shark in the Park on a Windy Day'.

We all joined in with the repeated refrain,

***'SHARK IN THE PARK!'***

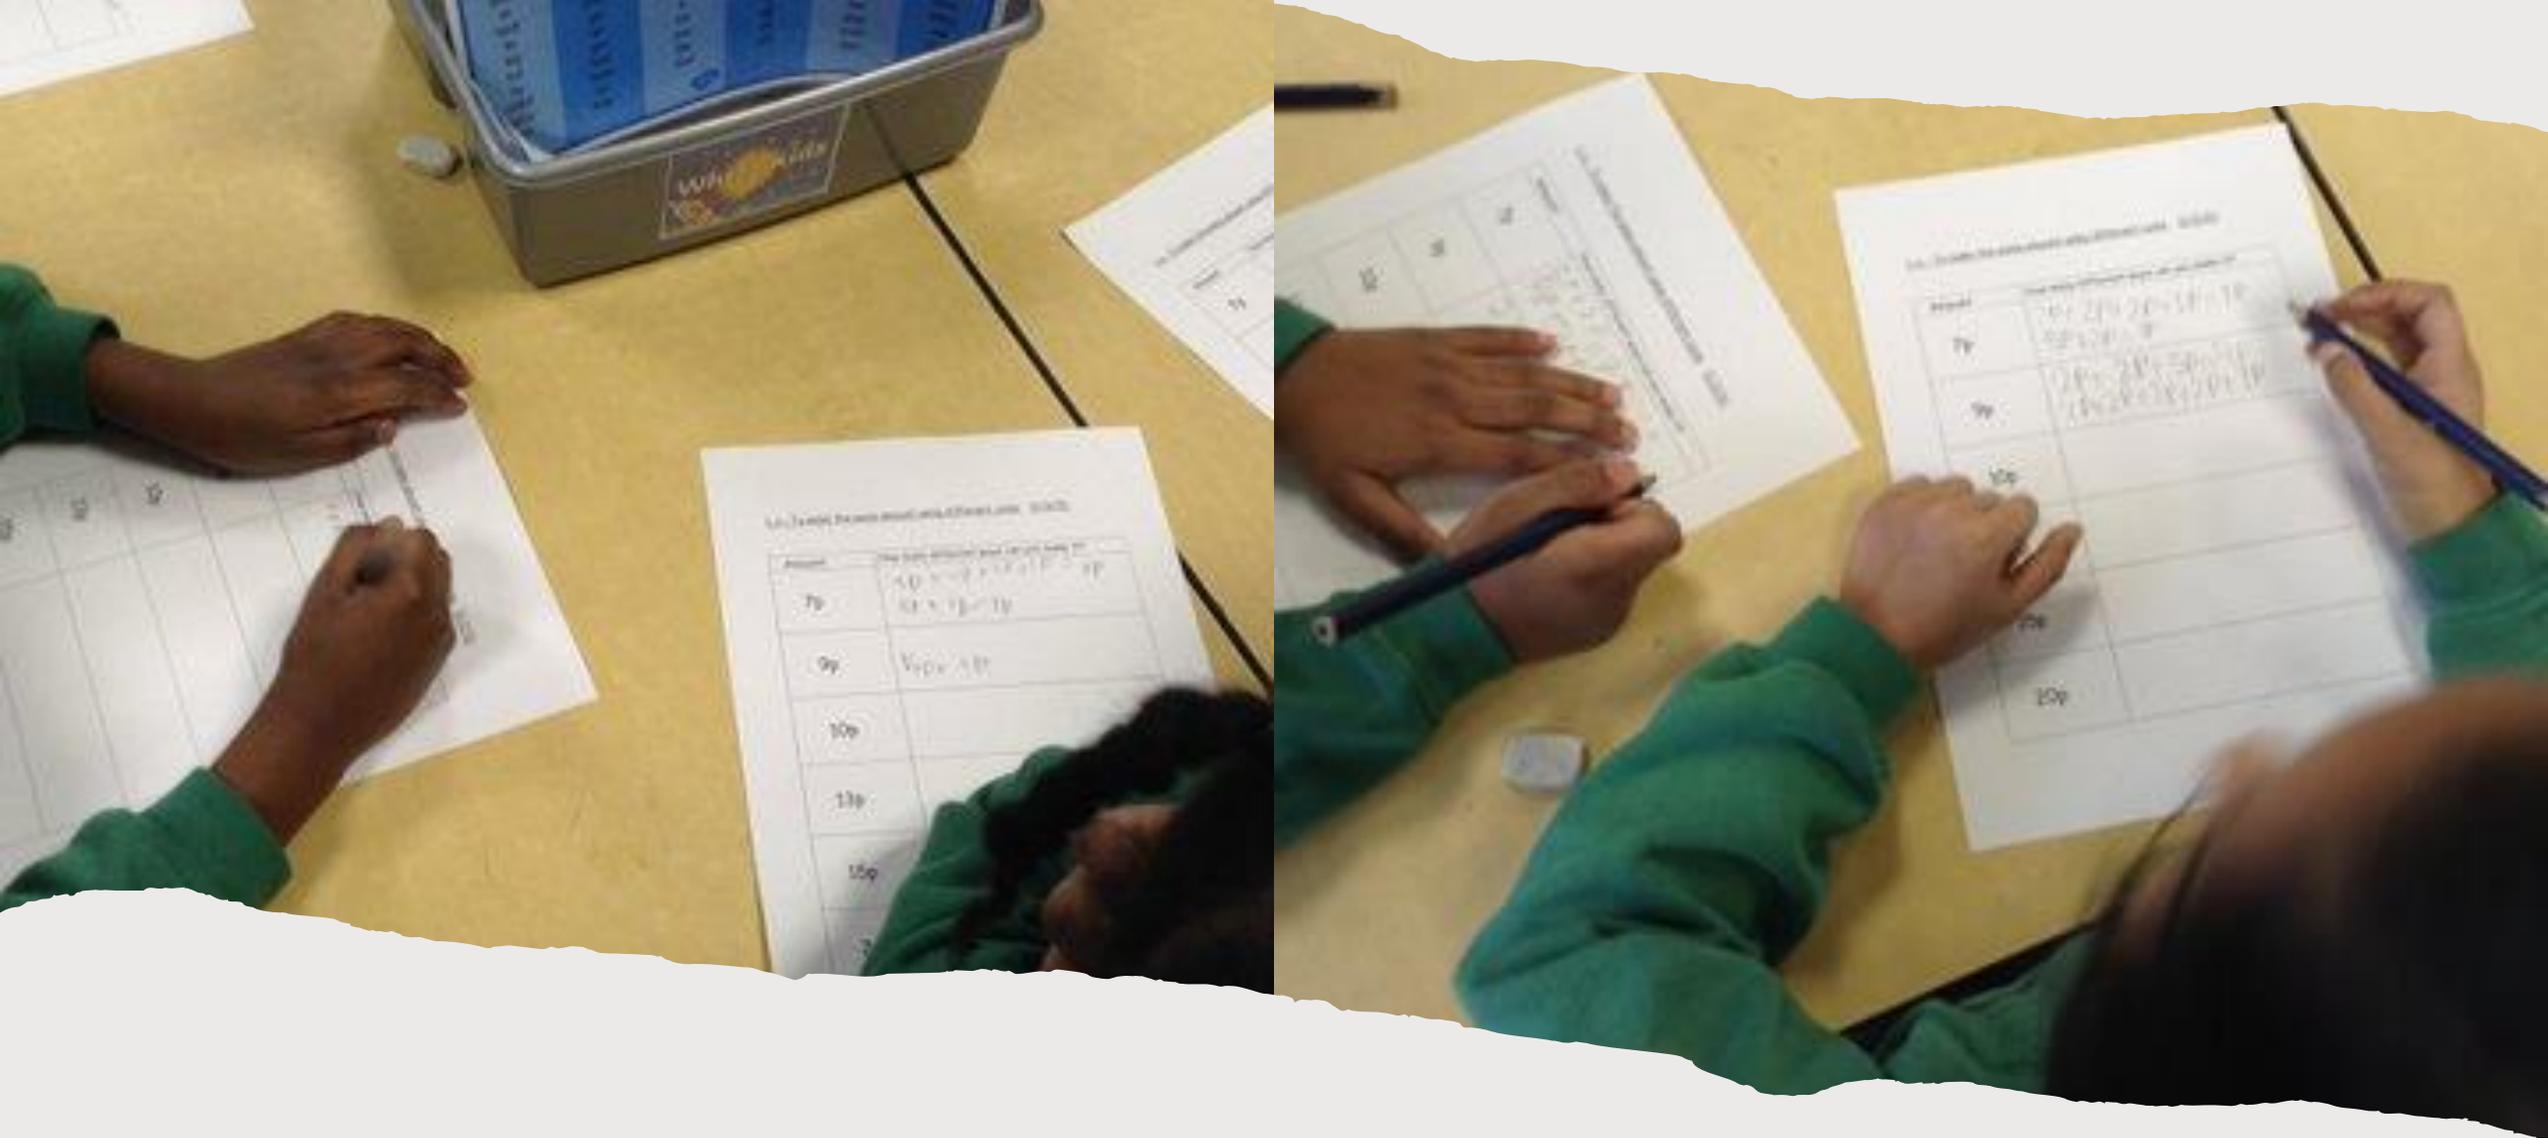

Thank you for our new trikes  
and waffle building blocks!

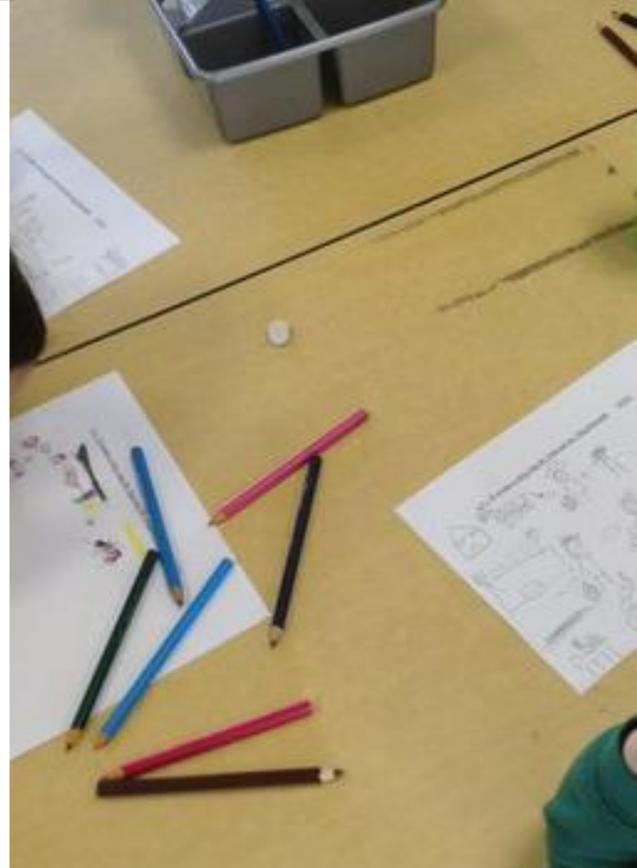

Yr 4 artwork in  
their version of  
Tiger in a  
Rainstorm by  
Henri Rousseau

Investigating different ways of making the same amount using coins.  
Great partner work!

Now Year 4 are designing their rainforest tribal masks.

Super proud of our story maps.  
Amazing work Year 1!

Understanding the use of objects  
and using vocabulary to explain  
ideas.

*"It makes things bigger!"*

Year 3 have worked so hard this week, it's been lovely having a full classroom again.

Here they're adding the finishing touches to something they've made for a special person in their life.

[#MothersDay2021](#)

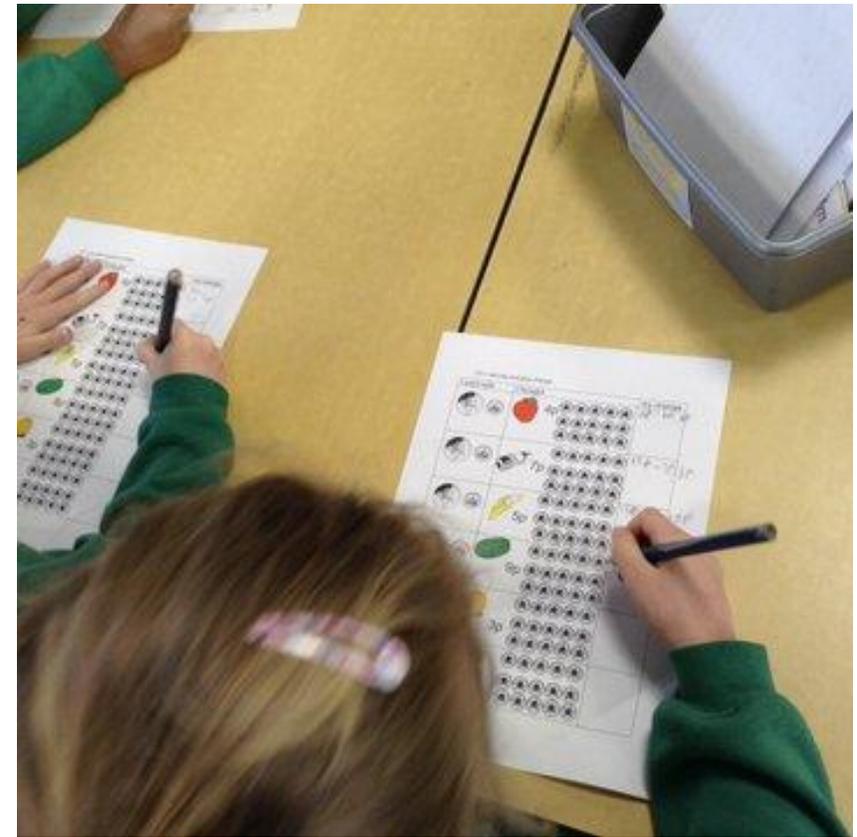

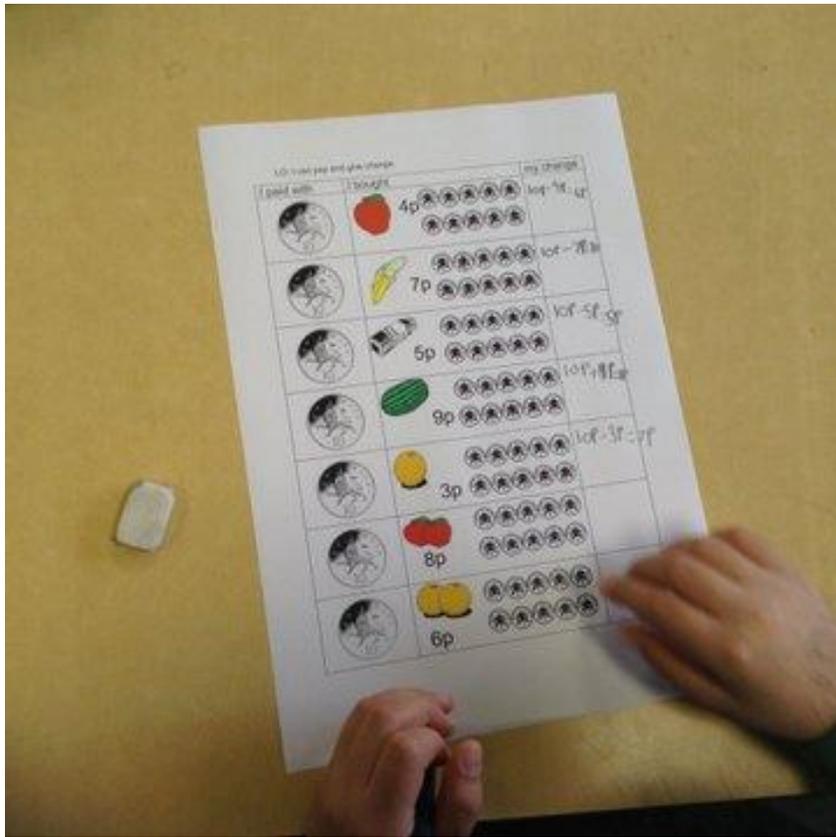

Have a great day, mums everywhere!

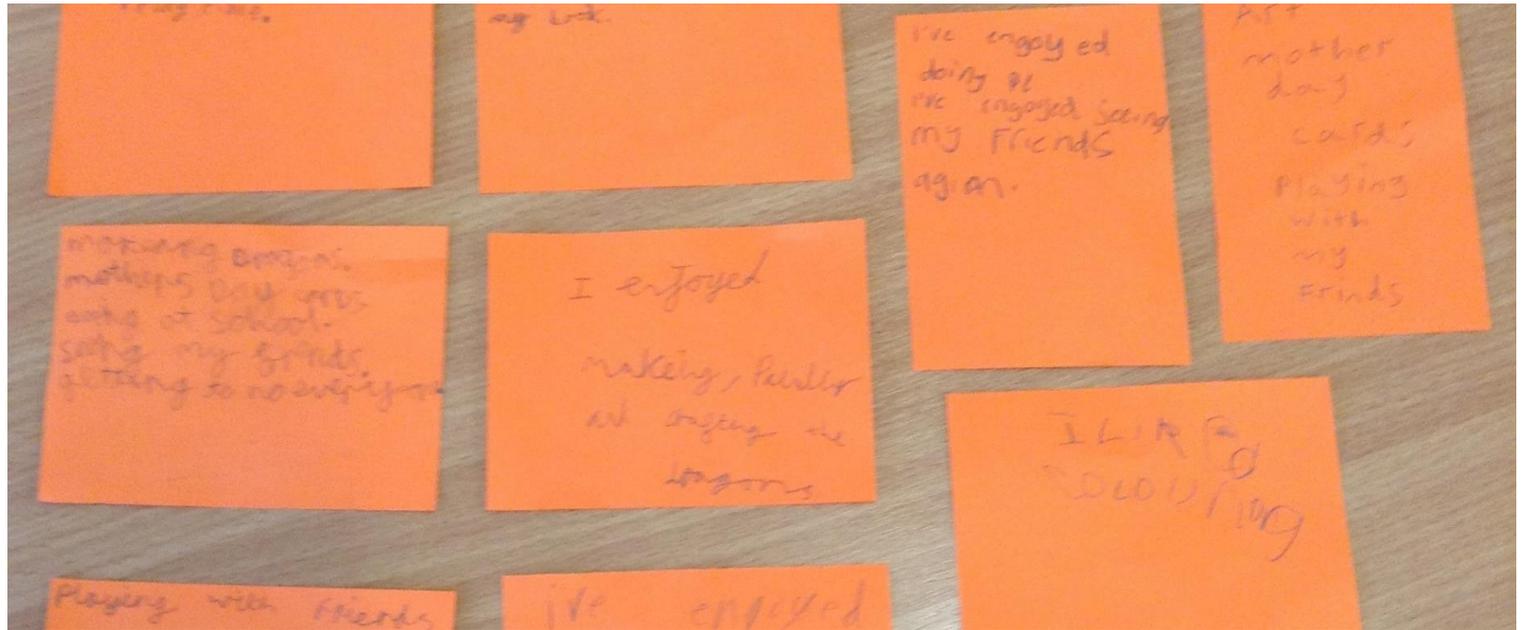

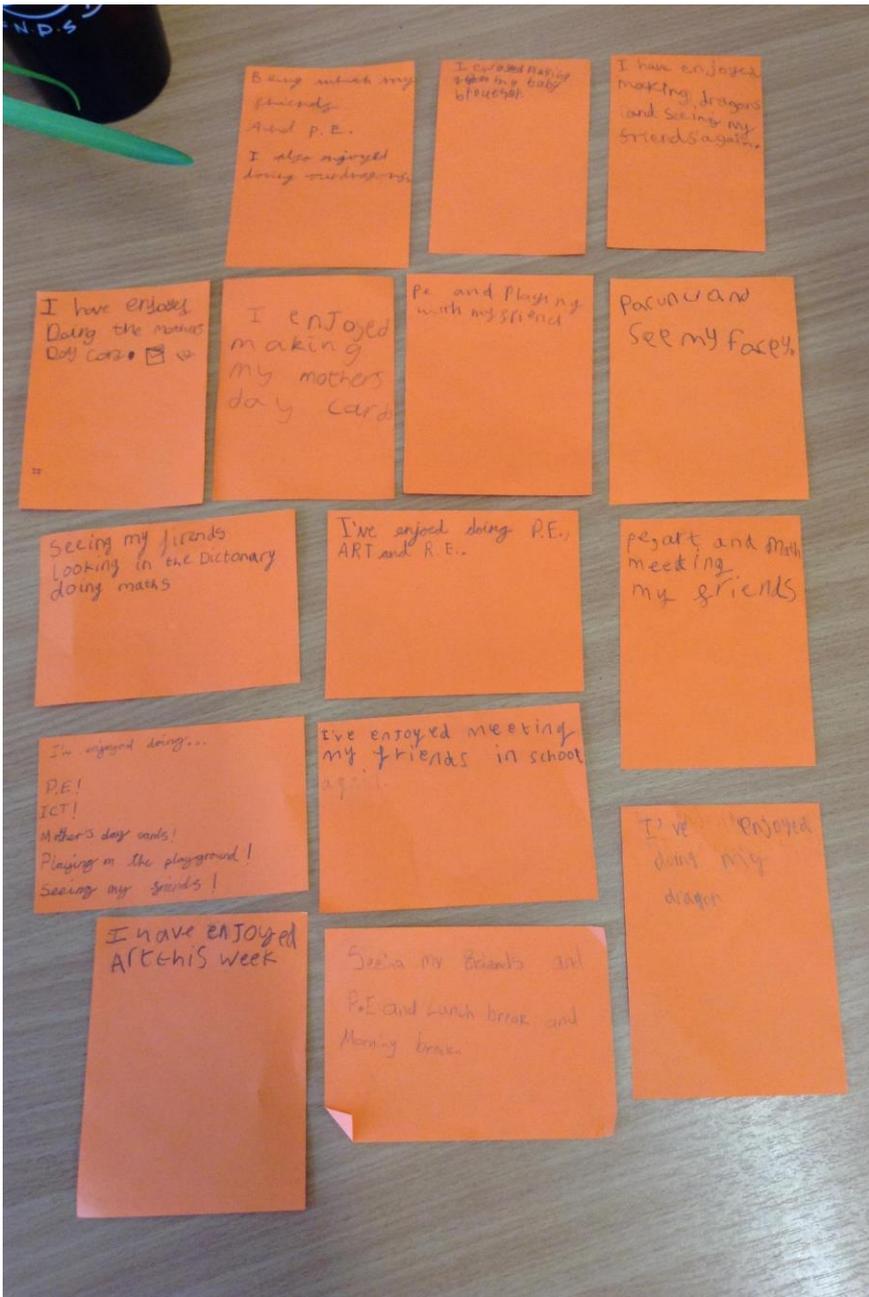

Challenging ourselves by trying to work out the change in each calculation!

---

The Nursery children drew a circle, collected three stones and then placed them into their circle. *"I got 3!"*

**What have we enjoyed this week being back at school?**  
We also spoke about worries or things we found tricky and how we could help each other with those things. By far the best thing was seeing friends again, although PE, Art and playtime featured lots too!

---

WELL DONE EVERYONE,  
pupils and staff alike!

---

We were all ready for the weekend but it has been amazing to have a full school this week; a brilliant 99% attendance each day - that's just superb!

You are all superstars and can share a HT's award (children, staff and parents) for your positive outlook and resilience!

# At last!

Congratulations to those children who made their long anticipated First Holy Communion at the Church of the Transfiguration and St Hilda's this weekend.

## THE GOSPEL IN CHURCH

### Sunday 14<sup>th</sup> March 2021

Nicodemus, a teacher of the law, came to Jesus one night. Jesus said to him, "The Son of Man must be lifted up as Moses lifted up the serpent in the desert, so that everyone who believes may have eternal life in him. Yes, God loved the world so much that he gave his only Son, so that everyone who believes in him may not be lost but may have eternal life. For God sent his Son into the world not to condemn the world, but so that through him the world might be saved. Everybody who does wrong hates the light and avoids it, for fear their actions should be exposed; but whoever lives by the truth comes out into the light, so that it may be plainly seen that what they do is done in God."

*Adapted from John 3:14-21*  
The 4<sup>th</sup> Sunday of Lent, Year B

You are warmly invited to learn more about  
the Gospel through your local parish church

*Please share  
today's Gospel  
with your families.*

God our Father,  
through our  
prayers, fasting  
and acts of  
kindness this Lent,  
help us to grow  
closer to you.  
Help us to always  
remember how  
much we are loved  
by you  
and help us to  
follow your Son,  
Jesus.  
We make this  
prayer through  
Jesus Christ, our  
Lord.  
Amen.

# SELF-GIVING

## SCRIPTURE

<sup>16</sup>For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life. <sup>17</sup>For God did not send his Son into the world to be its judge, but to be its saviour.

John 3:16-17

## TEACHING

God wants us to live like Jesus, to be 'self-giving', which is the opposite of being 'selfish'. To be 'self-giving' is to be very aware of others' needs or interests, and to put others' needs before our own.

## WORSHIP

**Praying together**

Dear Lord Jesus,

thank you for giving your life for us.

Thank you too for all the kind people in our community who show us your way of love and self-giving.

Amen.

## LIFE

"Love each other as Jesus has loved us.  
He has given nothing less than his life for us."

St Teresa of Calcutta

It's our self-giving  
which helps to make the world a much better place.
