Such a colourful variety of characters for World Book Day last week in year 3. The children really enjoyed talking about their favourite books.

Reception really enjoyed learning all about dinosaurs. They labelled the different parts of the dinosaurs, cut them out and made their own dinosaurs as well as enjoying reading dinosaur themed books!

Year 3 completed some artwork.

Leading up to Easter the classes are looking at a part of 'The Way of the Cross' - Jesus takes up His cross (John 19:17)

Learning all about over-arm throwing in Reception!

Year One practised adding 1 to a 2 digit number.

Year One also practised writing bossy instructions for their friends to follow.

Rusty the robot needed a new umbrella so the children tested materials to find out which were waterproof and which were not.

The Year One children read and followed instructions in Literacy to draw their own pigeon. Pigeon is the main character in the story we have been reading. Look at the results!

1. First, draw a circle at the top of your page.
2. Then, put another circle inside that circle.
3. Now, make another circle inside that circle and colour it black.
4. Next, draw 2 straight lines down from the first big circle.
5. Then, draw a line from the right side of the neck to make an L shape.

Wednesday Wellie Walk - searching for patterns in our environment.

On our walk
we collected and used three stones and three sticks
to create a simple pattern.

Reception were also very excited to go on a spring walk! They found lots of beautiful signs of Spring.

Year 3
regrouping
100s into 10s
when using
column
subtraction.

0 9 . 0 2 . 2 2

Learning Objective
To subtraction with regrouping hundreds into tens
only

$$\begin{array}{r} 7164 \\ - 481 \\ \hline 383 \end{array}$$

Year 3 also looked at how magnets attract and repel.

We made a magnet 'float' and made a compass with a bar magnet.

Year 6 exploring the colour spectrum and white light using pupil-power and electrical power

Year One have been thinking about Prayer.

We started with the Our Father and we found out that Jesus wants us to pray too.

We wrote our own prayers and we are making a class prayer book with the help of our parents.

We could think of many reasons why it is good to pray

Meaningful mark making' using fine sand.

Year 4 enjoying their learning and investigation activities during science week.

Great work Y5 😊

TRADE

Something where the farmer gets an equal amount of money as the person who buys the food.

Fact about Cocoa Beans: At first it's in a fruit, the fruit needs to be yellow when it's ready. When you take the husk out of the fruit, it doesn't look like a bean but it eventually will.

Chocolate industry owes a pound. Mind blown.

WHAT'S FAIRTRADE

What is Fairtrade? Well Fairtrade insures farmers are paid fairly with minimum wage and good environment.

Well what about the minimum wage normally isn't well...

There are over 4500 products in the UK.

There are only 20 organisations of Fair Trade in the UK.

Did you know that some people only get paid 2p?

IF you use Fair Trade you will

FAIRTRADE

MARTIN LUTHER KING JR SAID "BEFORE YOU FINISH EATING BREAKFAST IN THE MORNING YOU'VE ON HALF DEPENDED MORE THAN THE WORLD."

FAIRTRADE MINIMUM PRICE: IT MEANS THE FARMERS CAN PLAN AHEAD LIKE GETTING A NEW HOUSE OR SENDING THEIR CHILDREN TO SCHOOL.

FAIRTRADE PREMIUM

BY MILEM

Did you know: That the chocolate industry is worth \$4 billion on chocolate every year.

M Hth T

Some children chose to complete their FairTrade posters.

They had lots of practical suggestions to make our world a fair, peaceful and loving place

$$\frac{3}{5} \times 6 = 3\frac{3}{5} \checkmark$$

$$3 \times 6 = 18$$

$$\frac{18}{5} = 3\frac{3}{5}$$

Year 5 are doing a great job learning how to multiply fractions.
They even feel confident enough to teach each other.

**Big draw in Nursery
making links to our
work on feelings!**

*“Blue is sad, green is
happy and yellow is
excited.”*

(Do you ever feel red?)

*“No, because sometimes
I am green.”*

(How do you feel now?)

“I feel yellow...excited!”

Bonifacio class sending thoughts and prayers to those suffering in the Ukraine.

Great to see 4 of our talented children joining in with musicians from across the town at the Hertfordshire Music School, Stevenage on the Brass day - fabulous concert!

Freezing temperatures overnight are putting people at risk, especially children and older people. They need warm clothes, shoes and blankets.

Something to think about as we enter a new week of learning!

The best feedback for learning helps answer 3 questions:

1. What am I trying to achieve?
2. How much progress have I made so far?
3. What should I do next?

Jesus took with him Peter and John and James and went up the mountain to pray. As he prayed, the appearance of his face was changed and his clothing became brilliant as lightning. Suddenly there were two men there talking to him; they were Moses and Elijah appearing in glory, and they were speaking of his passing over (his death, his resurrection and his ascension) which he was to accomplish in Jerusalem. Peter and his companions were heavy with sleep, but they kept awake and saw Jesus' glory and the two men standing with him. As Moses and Elijah were leaving, Peter said to Jesus, "Master, it is wonderful for us to be here; so let us make three tents, one for you, one for Moses and one for Elijah." As he spoke, a cloud overshadowed them; and the disciples were afraid. Then a voice came from the cloud saying, "This is my Son, the Chosen One. Listen to him".

TEACHING

During Lent we are encouraged to

Pray, Fast, Give and Prepare.

What will your focus be this week?

WORSHIP

Dear Lord Jesus,

thank you for encouraging us.

Please help us to be more like you ~ to be an
encouragement to those around us.

Amen.

LIFE

Following Jesus isn't easy,
but everyone can choose to try to do one

thing Jesus taught:

To love one another.
