A Word from
Pope Francis

"Jesus leads us to go out from ourselves more and more, to give ourselves and to serve others."

Nicodemus, a teacher of the law, came to Jesus one night. Jesus said to him, "The Son of Man must be lifted up as Moses lifted up the serpent in the desert, so that everyone who believes may have eternal life in him. Yes, God loved the world so much that he gave his only Son, so that everyone who believes in him may not be lost but may have eternal life. For God sent his Son into the world not to condemn the world, but so that through him the world might be saved. Everybody who does wrong hates the light and avoids it, for fear their actions should be exposed; but whoever lives by the truth comes out into the light, so that it may be plainly seen that what they do is done in God."

Adapted from John 3:14-21
The 4th Sunday of Lent, Year B

"Love each other as Jesus has loved us.
He has given nothing less than his life for us."

St Teresa of Calcutta

Please
read
and reflect
together upon
this week's
gospel.
The theme is

SELF-GIVING

Dear Lord Jesus, thank you for **giving** your life for us. Thank you too for all the kind people in our community who show us your way of love and **self-giving**. Amen.

"It is in giving that we receive."

St Francis of Assisi
