### REVERSE ADVENT CALENDAR

On Thursday 15<sup>th</sup> of November Leah came in and told us about the reverse advent calendar. A reverse advent calendar is when every day of the month until Christmas, we give something to the needy who are struggling and have very little cash for food. We want to help them to have a better Christmas. The reverse advent started on the 19<sup>th</sup> of November and ends on the 21<sup>st</sup> of December. We will be very grateful and thankful if you could provide something for our calendar. It will make others happy and hopefully give them their best Christmas yet. Each class is gathering the donations in their own room. Mrs Cooper's class have prepared posters that you will see around school and the Mini Vinnies are also designing some. Miss Culkin's class have decided to focus on selection boxes/ treats. Whatever you can offer will be really appreciated. **THANKYOU!!!**

### Monopoly Go!

This week Years 5 and 6 enjoyed a "Financial Education" session... because they got to play MONOPOLY! Many pupils knew how to play but they were able to teach others who did not know the game and agree the rules. Each table has a winner who will compete against the other winners soon and then we hope to have the ultimate game of the winner from each class. After discussing the key strategies we had used and how these might be useful in real life, we were told about a competition where we could win £500 for the school...and our own height in board games. *We need all the entries in by 10<sup>th</sup> December. Remember to design and explain your plan for the new token inspired by your family*

**You have to be in it to win it!**

Next Friday ( 30<sup>th</sup>) is **Non-Uniform Day** as it is the CHRISTMAS FAIR after school. Come along and join the fun. Every penny raised will go to help our school. It is not too late to send in sweets and bottles. *Don't forget to book to see Santa!*
