Well done Reception O'Connor, Y2 Pasteur and Y4 Bonifacio all with 99.3%

OUR NEW SCHOOL PARLIAMENT

Members: Y6 Josh and Gabrielle

Y5 Isla and Anthony Y4 Ashley and Niamh

Y3 Fin and Poppy Y2 Lucas and Daisy

At the first Meeting on 26th June with Mrs Blythe and Mrs Tollington (governor), members of the parliament put forwards lots of ideas for the school which they had gathered form their classmates.

Lots of ideas about Sport and Playtimes

- More football- to prepare for tournaments and matches.
- More balls at break times.
- Sturdier football goals that are sturdier.
- A different football and equipment rota
- Longer playtimes
- More play equipment (infants).
- A Football team from each class.
- Every year group should have the chance to play for the football or netball team.
- More clubs-lunchtime and after school- gymnastics, dance, cricket, music, science, singing, creative writing, Nature, friendship and dodgeball.
- Equipment out at first break as well as lunchtime.
- Can we have a swimming pool?*

Wellbeing and Environment

- Plastic recycling bins for yogurt pots and plastic recycling in the dinner hall.
- Create a wildflower garden that will encourage butterflies and bees to make a home.
- Feed the flowers with compost made from food waste from the dinner hall.
- When new people come we could have a permanent buddy from year 6 to guide them.
- A chance for “seconds “ with school lunch if you want
- Lunch queues- could it be split into two separate queues.
- Sort out the old books and sell them and bring in ones from home that we don't want any more.
- Post-box- say the good deed that someone has done and a prize for the person who gets the most.
- More school trips. Juice Fridays- for lunch.

If a child writes a book they could put a nice front cover on them and put them in the class library.

Year 6 want something to be remembered such as a by such as a handprint on the wall.

Transition morning- we could do it for the whole day so

Improvements to some resources were suggested:

- A taller gate, softer footballs, football taking up a lot of space and interfering with other games, football referees from older pupils, change some class library books, toilet

that the year 2s coming across will get to experience lunch time as well.

Teacher for the day Movie week with reviews

locks, better school pens, bigger lockers, more bins in the dining hall,

And... a trophy for the class with the best ideas!

Tasks set for the next meeting

Children- to gather their year group's ideas about class names and feedback next meeting.

Mrs Blythe will take photos of each child for a display and capture their thoughts about why they put themselves forward for the School Parliament. ***The display was completed before Open Evening so that the parents could see what we have discussed so far.***
