**THREE CLASSES TIE WITH 98.7% ATTENDANCE this week!  
WELL DONE Y2 MORE, AND BOTH Y5 CLASSES**

### **In celebration of the feast of Corpus Christi**

*Lord our God,*

*May we recognise your presence in others wherever this may be.*

*Help us not to be blind to your goodness or turn away from your need in others.*

*May your presence in the Eucharist fill us with your goodness so that we can be an example to you everywhere.*

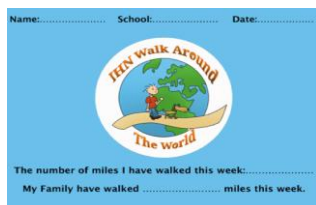

*Amen*

### **Museum Visit**

On Thursday the 20<sup>th</sup> of June 2019, both year 6 classes walked all the way to the Stevenage Museum. They participated in a workshop about the Windrush generation. They learnt about why, when and how the Windrush society came to be. Those people came from many different places like Jamaica and travelled on a ship named 'Windrush Empire' which is how they got their name. The children looked at many pictures and examples of what nurses used to wear, how women were trained to drive buses, what weddings were like and much more. Lastly, at the end of the workshop children watched a video of a gentleman saying the poem 'Windrush child'. It was written by the youngest passenger on the 'Windrush Empire' (aged thirteen) called Vincent Reid. After watching it, the pupils wrote their own poem named 'Windrush Child' using the same atmosphere as Vincent Reid. Imagine yourself leaving your home to go to a place you have never been to before with not a lot of money and no friends to meet on the other side. The pupils wrote lovely poems and really enjoyed their time there. Some didn't want to go as they had a long walk back; they would have rather gone by coach! Overall, it was lovely learning about the Windrush generation it was a great opportunity to go and experience some history outside of the classroom.

The JTAs Amelia, Karol, Ellen say “John Henry Newman School have organised a fun event called Walk around the world. They have invited our school to take part. Each week you will receive a piece of blue card, on it you have to write your full name and the date when you received it. During the week keep a record of your miles and your family’s miles. At the end of the week (Friday) return your piece of card to your teacher with the miles written on it. Your teacher will then give it in to the office, where there is a special box for the postcards to be collected . All our miles will be added together. When all the miles have been added up to 24,901.55 miles (around the world!) the task will be completed. There will be a draw to see who will win a £40 Amazon voucher! (That’s if you sent your piece of card back with the miles written on it !) Good luck! Don’t forget to take part!”

## **FUN IN WELLBEING WEEK!**

**Y5 designed games to play with Y2**

**Y3 taking notice**

**Singing in other languages**

**Stretching our brains with Pentomino**

**puzzles**

“We are called to be the hands and face of Jesus as we learn, love and grow together”
