28th March 2021

BE SPIRITED WEEK

In our 'Be Spirited' activity on Monday we thought about how special we are.

We passed around a box which had something very special and unique inside. When it was our turn to look, we found 'Ourselves' inside

In this 'Be Spirited' activity we thought of special people that we love and created a class bubble to represent them all.

Reception, taking time to reflect on the Cross, remembering, Jesus loves us.

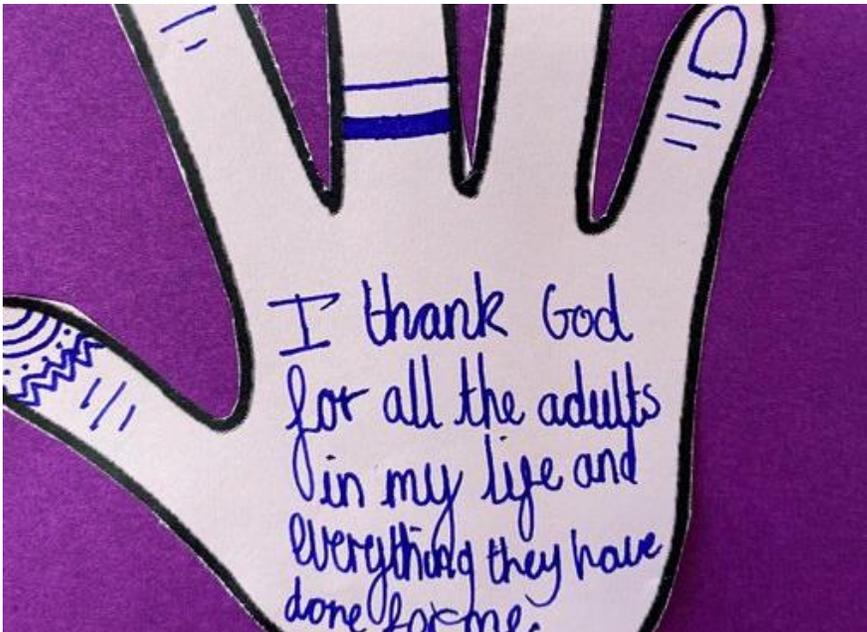

Tuesday 23rd March 2021

'May Tuesday 23rd March be a great day of prayer that this pandemic comes to an end and that the gift of God's Holy Spirit will carry us all forward to a new and better life, both here and in the world to come.'

+ Vincent Nicols

On Tuesday we reflected with the nation on the impact of a year like no other. We join in prayer to give thanks for all who have helped us to get through such times, for the love of family and friends, for hope and joy ahead and for those who are sadly no longer with us

It was great to see this happening at home too

This is going to make such a difference to our digital strategy.

Year 1 really enjoyed finding out what happened in their new story 'Goldilocks and the Three Dinosaurs'. Here they are writing some super descriptive sentences! Then they worked as a team to find similarities and differences between their story and Goldilocks and the Three Bears

Exploring volume in Year 5

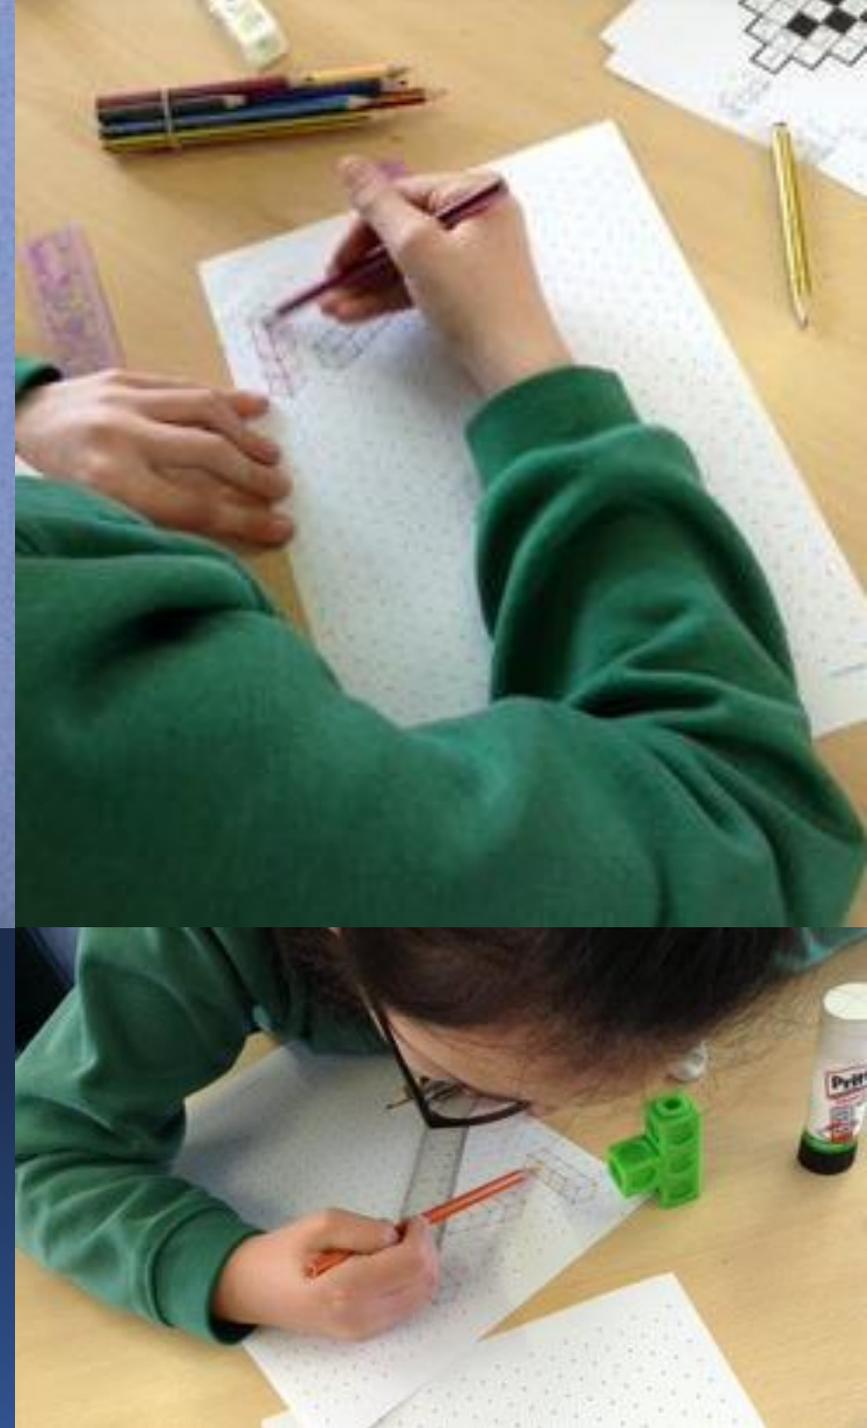

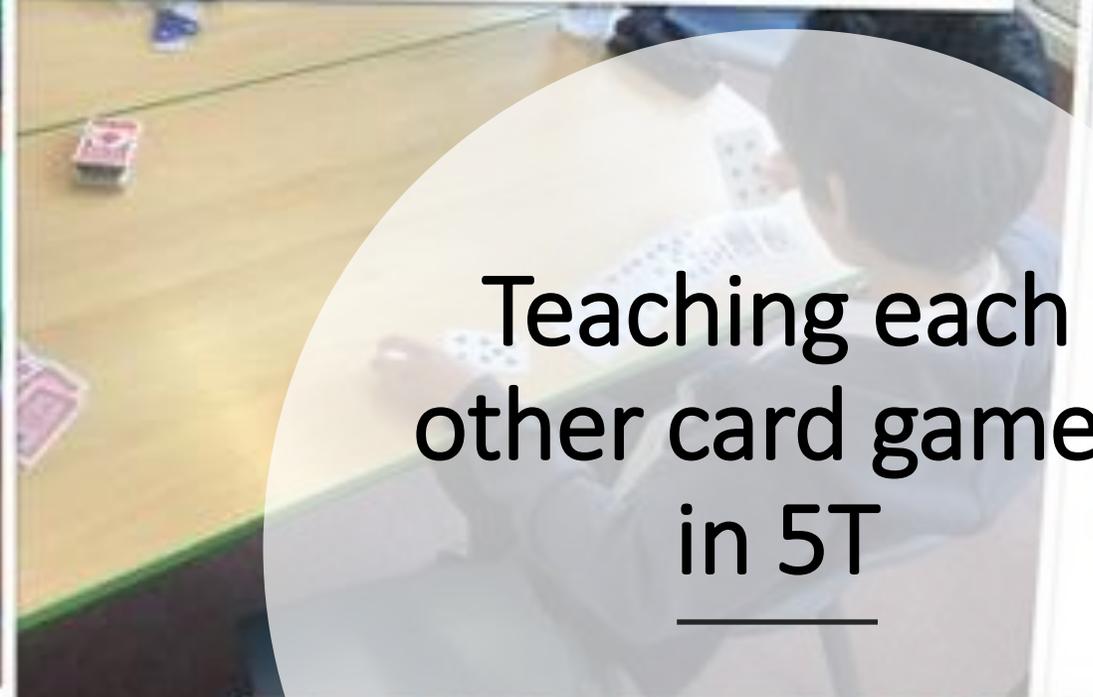

Easter bunnies live on their own in houses made out of 4 cubes.

Unfortunately, bunnies do not recognise numbers, so each of their houses needs to be a different shape. Otherwise the bunnies won't find their way home!

- Design and draw as many Easter bunny houses as possible.
- How many bunnies can live in Bunnyville?

Time to test our isometric drawing in Y6T and help out the bunnies of Bunnyville!

Stunning
art work
from one of
our Year 5
pupils

4DA started our new history topic on the Tudors. We learned about how Henry VII started the Tudor reign of monarchs.

We are changing our gallery area in year 3. Such talented artists remembering that we are all “God’s work of art”.

The children enjoyed an egg and spoon race in the rain!

This week the Nursery children have been thinking about Jesus, God and the people they love. [#bespirited](#)

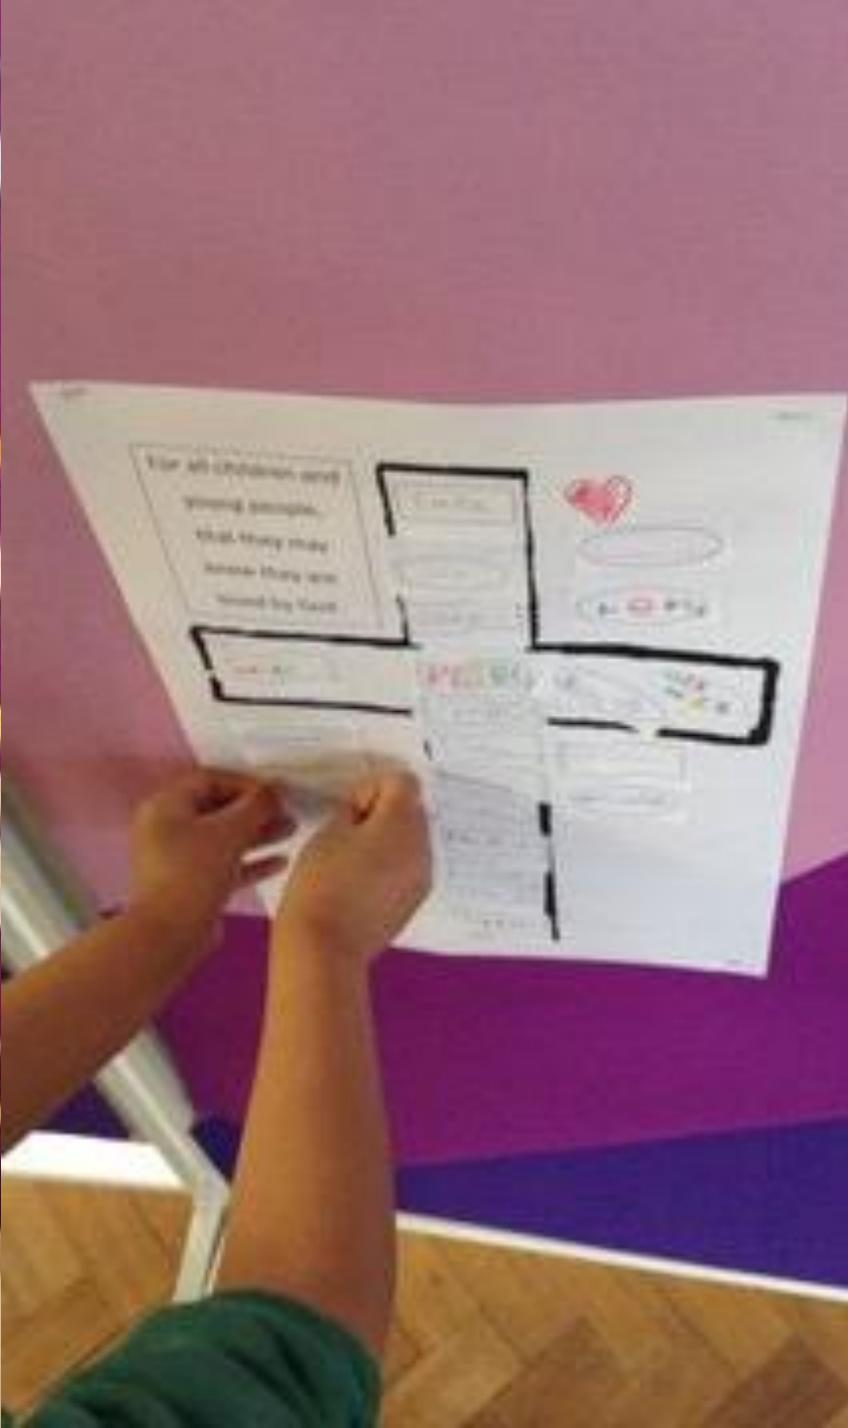

Creating our own crosses for Lent and Easter

Sharing, reflecting and
engaging with our
Be Spirited prayer stations

We are all so thankful –
a beautiful way to reflect
and share our thoughts.

We made some wonderful Easter cards today in year 4.

Beautiful decorations for our Meeting Room made by a special pupil. The Mothers' Day card was for the Virgin Mary whose statue you can spot in the centre picture

Enjoying some Easter craft activities in Year 1

It was beautiful to join with schools and Diocesan staff for a virtual Mass on Friday morning and a perfect way to end our term and to begin Holy Week.

Thank you

Year 5 have been incredibly keen to do well in school and should be proud of their fantastic work. Enjoy your Easter break

Mountains

Massive, glorious sight and a great big height,
Mountains they could give you a fright if you fall like a kite.
Mountains they are very white and very light especially the snow.
Mountains they are very high and very light especially the snow.
Mountains they are very high and very light especially the snow.
Mountains they are very high and very light especially the snow.
Mountains they are very high and very light especially the snow.
Mountains they are very high and very light especially the snow.
Mountains they are very high and very light especially the snow.
Mountains they are very high and very light especially the snow.

I'm an Avalanche!
I'm an avalanche, clashing into trees with great force.
I'm rapid, deadly and unstoppable, face me with courage.
Get to shelter or I will crush you with my colossal boulders.
Just one wrong move and you will pivot into grave danger...
Callum

ANDES

A Mountain's Point
I am cold, snowy and dry.
I am a dangerous, green and rocky.
But beware, I can kill you because I am heavy, dry and dangerous.
Aha, I can hurt you because I am heavy, dry and dangerous.
The bit you know, I told you to stay away!!!

Mountain Mr Weather
I have lots to say about the weather today...
I'm happy when it's sunny,
foggy and...avalanches coming.
When it's windy it's not very nice,
jack frost, hail and lots more like that is annoying,
snow is one of my favourite bits on the mountain.
I call it snowy blarney!
You can tell, some days I'm happy and some days I am bad and mean.
But I am the queen B to Mountain!

Mountains
Who would dare to climb?
It's enormously high!
Only the adventurous can survive the height!
Proceed with caution,
Be welcomed with fear!
Come on up, but don't forget your gear!
Start the climb, with careful steps.
One move you do and you could be dead!
Use your equipment, be totally safe.
When you reach the peak,
Look at the exquisite aspect,
Tell me,
Was the climb worth your look at the view?
Zach

The Mountain
I'm kind
But be warned
I am very deadly.
The Avalanche shattered trees, homes
animals injured.
My edges are steady, but my weather heavy.

Dear parents and carers

Thank you

What a busy term it has been! I appreciate that it has been a great struggle for everyone but as a community we have pulled together. We have managed a full term without any bubble closures and the children have engaged beautifully with their return to in-school learning. Thank you for your support in ensuring that your brilliant children were ready and able to engage so fully with this change. Your children are a credit to you and the full staff team are a credit to the school, having continually gone the extra mile over the course of this past year. We are blessed with a community of individuals who care, who give continually and who live our Mission statement through each of their actions. I am thankful for the whole community each and every day! The sterling efforts of our whole community were recognised by Mrs L. Neville, our Herts School Improvement Partner (HIP) in our virtual Spring Term Review earlier this week.

Covid-19

Stevenage currently has the highest rate of cases in Hertfordshire and we are hoping that everyone's adherence to the rules will help to bring local rates down before we return for the Summer Term. We need to continue to be vigilant in relation to keeping the rules and to symptoms. I urge all adults to engage with the optional (but highly recommended) bi-weekly lateral flow testing that is available locally. Kits can be collected from the Primett Road South Car Park SG1 3EE (off Lytton Way). I will be sending further information from Herts County Council in relation to our Covid Vigilance later this afternoon. Even during the holidays, positive cases need to be reported to the school (head@stvincent.herts.sch.uk).

Lenten Journey

Your children have been on an amazing Lenten journey over the past three weeks. They are very well prepared for Holy Week and its pathway to the great feast of Easter. You can see some aspects of this in a film that we have produced which is available here:

GOOD FRIDAY STATIONS OF THE CROSS FOR THE THREE STEVENAGE PARISHES
AT 7.30PM ON ZOOM: to sign up, email: nigelwoollen@rcdow.org.uk

When Jesus and his disciples were on their way to Jerusalem, they came to the Mount of Olives. Jesus sent two of his disciples into the nearby village to collect a donkey. He said to them, "If anyone stops you, tell them that it is for the Lord, and that the donkey will be returned." So the disciples set off and found the donkey. When they untied it from its post, some people said to them, "What are you doing?" The disciples answered just as Jesus had told them, and the people let the disciples take the donkey to Jesus. Then Jesus rode into Jerusalem. People were spreading their cloaks and palm branches on the road in front of him. They praised God, shouting: "Hosanna! Blessings on him who comes in the name of the Lord! Hosanna in the highest heavens!"

**Please share
today's
gospel with
your family**

Dear Lord Jesus,
as Holy Week approaches,
we thank and praise you
for giving your life for us,
so that one day we too
may know the joys of
heaven. Amen.

Death is not the end.

Lord help me renew my faith
this Easter.
