

### **School Uniform – Smarty Schoolwear**

We have changed suppliers for our school uniform and you may now order online with Smarty Schoolwear. As in the past, we only ask parents to order our jumper and cardigans via our specialist supplier, to ensure the school's logo and colouring is consistent. You may purchase all other uniform items independently, from any other source.

Please visit Smarty Schoolwear's website - [St Vincent De Paul Catholic School \(smartyschoolwear.co.uk\)](https://www.smartyschoolwear.co.uk) when ordering and they are currently offering free delivery on any order over £30. Their free click and collect service will be available once shops are permitted to fully open. In the meantime parents can order online and have items delivered home via a next day service using DPD, their courier partner. Customer services are available Monday to Saturday 9am to 5.30pm and email [info@smartyschoolwear.co.uk](mailto:info@smartyschoolwear.co.uk).

Once their local shop is able to open you are welcome to visit them and purchase uniform directly.
