September 2021

### **Class Information Letter – Year 5 Teresa 2021**

Welcome back to school and thank you for ensuring your child was well prepared for the beginning of term; we were very pleased to see them, and they are all settling well into the new routines of Year 5.

The adults who will be working in Year 5 Teresa this year are Mrs White (Class teacher), Mr Jennings (Tuesday pm and Thursday am class teacher), Mrs Copeland (Teaching assistant), Mrs Deschamps and Mrs Raposo (Learning support).

#### **Behaviour and Rewards**

Our school uses the Hertfordshire Steps approach which supports a therapeutic ethos, early intervention and professional responses to complex, challenging or high-risk behaviours. We have developed three universal school rules which each class has spent time exploring and these are:

- **Be ready**
- **Be respectful**
- **Be safe**

In Year 5 Teresa pupil names are added to the 'thank you' board in recognition for their learning behaviour and positive interactions. We also celebrate two specific pupils each week, The Golden child and the Star of the Week; these pupils bring a medal or trophy home on Friday and return it the following Friday ready to be awarded to the next winners.

**Curriculum** Please find below our Autumn Term curriculum.

**RE:** CREATION and GOD'S COVENANT

Each week you will also receive a link to **The Wednesday Word** which will help you to support your child's faith journey throughout the liturgical year.

We shall continue to follow the liturgical year, beginning with Ordinary Time, leading up to the liturgical seasons of Advent and Christmas.

**English:** Traditional tales (myths & legends), recount (including biography), explanation and poetry. Attached to this letter is a 'Writing Mat' which details all the grammar and punctuation taught in Year 5. Weekly spellings are set as a quiz on Purple Mash; attached are the spellings for this term.

**Maths:** Place value; negative numbers; multiply and divide by 10, 100 and 1,000; Properties of number – multiples, factors and common factors, prime and composite numbers; solve problems; add, subtract, multiply and divide using a range of strategies and methods; order, add and compare fractions

**Science:** Living things and their habitats with some lessons taking place outside. Properties and changes of materials

**Computing:** Coding, Online safety and Spreadsheets.

**History** Ancient Greece

**Design Technology** Planning, making and evaluating through sculpture.

**Music** Charanga Music – Classic Rock & Jazz

**Physical Education** Tuesday - Outdoor games; Wednesday - indoor PE gymnastics.  
Pupils attend school in their PE kits and ensure they have a water bottle.

### **Home Learning**

Home learning tasks will be set using Purple Mash or Google classroom. We will also set an open-ended design and technology project in October to be brought into school during November (more info to follow).

Each week we expect pupils to read at home at least four times per week. On Purple Mash there will be a spelling task, two maths tasks and one other task set as 2do's to complete. Pupils can use any other tasks in Purple Mash to develop their learning.

There will also be tasks and quizzes set in the Google classroom which are choice activities.

Our Year 5 Google classroom is <https://classroom.google.com/u/0/c/MjY1MDU0OTg2NTA2>

**Reading** continues to be an important focus in Year 5, and we are keen that the children read as much as possible, both out loud to an adult and silently to themselves. The Year 5 page on the school website has links to recommended reading books for our class. As the children progress with their reading it becomes more important to question them about the text they are reading, the types of grammar and punctuation in the sentences and the author's choice of vocabulary. As far as possible, please ensure that your child reads at home four times a week to develop both their reading and comprehension skills.

### **General information:**

**Water Bottle:** All children are encouraged to drink plenty of water during the day, therefore, please supply your child with a refillable sports top water bottle; this must ONLY contain water. Many children also bring a snack to eat at morning break.

The only jewellery permitted in school is one small pair of ear studs (please remove for PE days), and an inexpensive watch. Long hair must be tied back during school hours.

**Plimsolls and indoor shoes:** all pupils must have a pair of well-fitted indoor shoes in school. Please ensure all clothing and personal items are named.

### **PG Films**

From time to time, it is useful to show the children films or clips in relation to topics we are studying in class and as a stimulus for writing. Increasingly, many of the films most relevant to aspects of the KS2 curriculum are 'PG' rated rather than 'U' rated. We would therefore like to ask your permission to use PG rated films with the Year 5 children in order to enrich their curriculum. Films and extracts are always carefully chosen and have been watched by staff prior to their use with children. We will assume that, if I don't hear otherwise, this is acceptable to you but please do not hesitate to make contact if you would like to discuss this further.

### **Pick up procedures – keeping everyone safe**

Thank you for your continued compliance and patience for the safe arrival and leaving procedures at school. If you have not yet returned the end of the day permission slip, please do so. We are very pleased with the sensible independence shown by all the pupils in adapting to the new routines in place.

## Twitter

Please follow the school on Twitter @svdp\_school (easily accessed through the school website), this is proving to be a great source of communication for our school.

## School Website – curriculum links

The class information pages of our school website can be accessed via the following link:

<http://www.stvincent.herts.sch.uk/os-classes.html>

Here you will find many curriculum links relevant to your child's current learning. Please do spend some time exploring these pages if you can.

On the website you also find a link to our Curriculum Statement which explains our approach to all areas of the curriculum. It can be viewed via the following link: [Curriculum-Statement-May-2021.pdf \(stvincent.herts.sch.uk\)](#)

If you have any concerns at any point during the year, please do not hesitate in contacting me [nwhite@stvincent.herts.sch.uk](mailto:nwhite@stvincent.herts.sch.uk) . Please remember that no problem is too small; anything that is important to you and your child is important to us too.

Thank you in anticipation for your support throughout the year. We look forward to working in close partnership with you to ensure your child is happy and progressing well in school.

**The Year 5 Teresa team**
