

# CATHOLIC LIFE & MISSION

I think RE is fun it helps me to live and learn about God and Jesus.  
I liked learning about St. Joseph.

It helps me be happy and grateful and it is all about love.  
My RE table makes me happy if I make a mistake I can pray to God there.

*We learn to help each other and protect and spread the good news.*

The RE table is full of precious things and lovely things about Jesus. My favourite is learning about the Nativity because it is about Jesus being born.

My lessons  
make me  
think.

My RE table is for everyone not just me it is a nice place.  
RE lessons are thoughtful. It is fun to learn!

RE makes me feel calm and I don't stress, even though my presentation is not that good I still feel good and my book is nice.

To show my learning I can write, draw, watch clips, create art, role-play and share my ideas.

*I am proud of being a Christian because I can tell my problems to God. I am protected by God and can thank God for protecting me and other people.*

RE has helped me have a connection with my faith a better understanding of my faith and the community.

I always look back in my book and see what I have done before and make links to my work. I also like making notes of quotes I read in the Bible so my RE book is helpful.

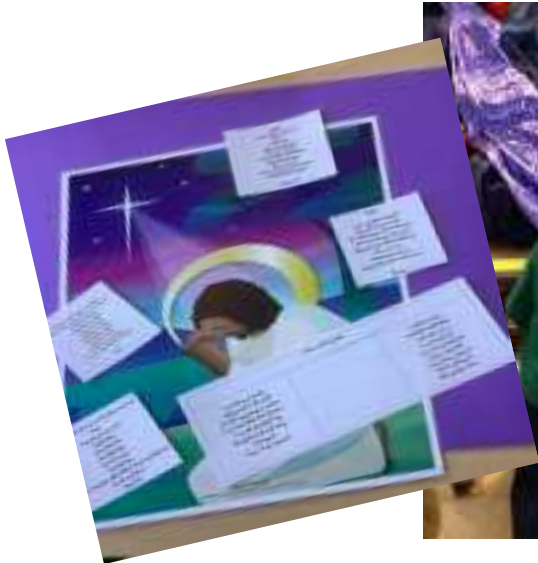

I would like to say that overall RE is really

I think RE is important because it helps me understand the way Jesus lived and his life and it helps me make choices in my life that are hard.

To show my learning I can write, draw, watch clips, create art, role-play and share my ideas.

I like it that we can share our ideas with our friends and we can talk about it, it helps me learn more.

Thank you to  
our Star of the Week in

who made  
Ukrainian inspired  
crosses for each  
class's prayer table  
last week during break  
times

Some children chose to  
complete their FairTrade

They had lots of practical  
suggestions to make our  
world a fair, peaceful and  
loving place
