Have you ever wondered how Mary and Joseph felt when they realised that Jesus was lost?

In Year 1 the children were doing just that.

The children have also been paint mixing and observing changes.

“Yellow and blue makes green!”

“I painted my Daddy!”

“I cleaning work station!”

Watch the exploration of combining blue and yellow paint.

“It green!”

NATIONAL SCHOOLS SINGING PROGRAMME

The ROYAL ALBERT HALL GALA CHOIR were in fine voice practising before school on Wednesday morning with Yvette Murphy from the Diocese of Westminster.

They were told to look out for a letter about a possible performance in Westminster Cathedral at a Saturday Mass after half term with our friends from St. Philip Howard School.

Listen to them here:

In Nursery the children took part in pretend play, showing an interest in different occupations.

Reception children enjoyed exploring the instruments.

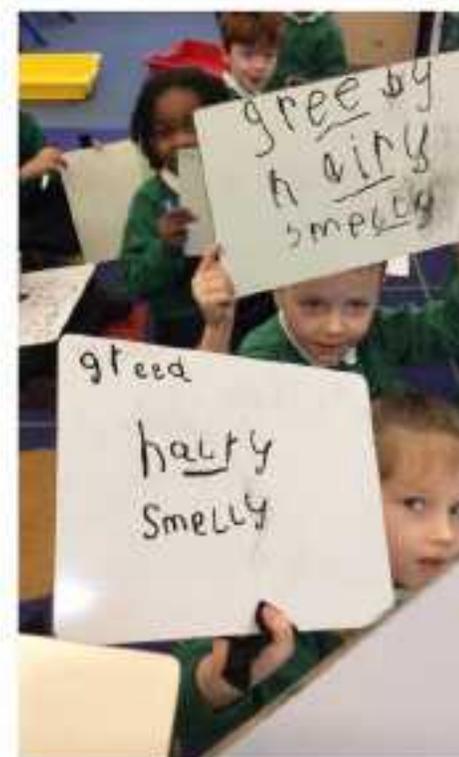

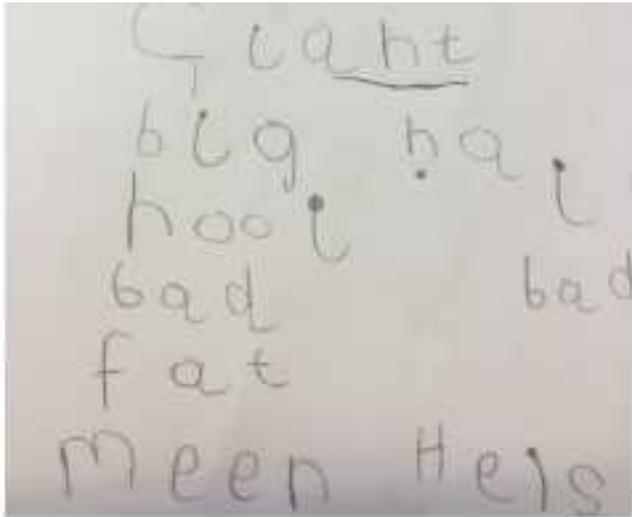

Some of them then decided to put on a show!

The children are listening carefully to the sounds to help with their spelling in Reception. Describing the giant from Jack and the Beanstalk, we used our phonic fingers to help us spell these words. Well done everyone!

The story of the week
in the Nursery class was a witty
retelling of Jack and the Bean Stalk by
Stephen Tucker and Nick Sharratt.
"Fe-fi-fo-fun..."
"Quick down!"
"Run away from the giant!"

We continued our reflection on the Sermon on the Mount this week in our Word Assembly. We also prayed for our brothers and sisters in Turkey and Syria.

We lay all of our intentions before Mary as we join together praying

Hail Mary ...

Year One have been experimenting with different materials. Which material will keep our furry teddy dry?

Year 2 painting in the style of the Aborigines using dots and symbols, as a part of their Australian geography topic.

Comparing quantities,
using the words *more*
and *fewer*.

The Nursery children enjoyed relaxation time following lunch.

“We have the same book...the Bible!”

“It’s my favourite book!”

“It’s about Jesus and Mary!”

Fantastic training with Year 5 this week from our friends Sporting Futures Training UK

We have been talking about Jesus' love and how we can show we love him too! We made a Valentines card to show we love our family, just like Jesus.
"He loves the little children of the world."
"Let the kids (children) come to me."

Year 4 made straw panpipes in Science in order to hear different pitches of sound.

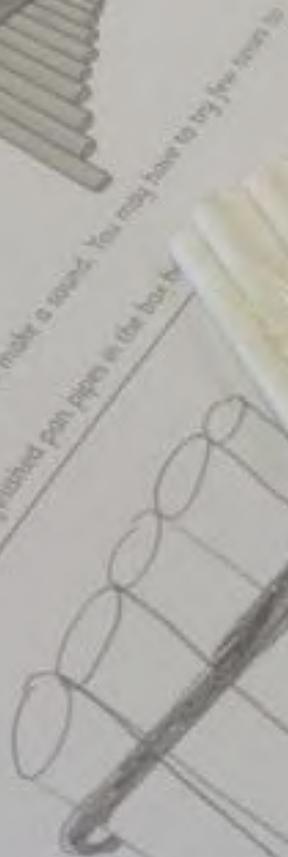

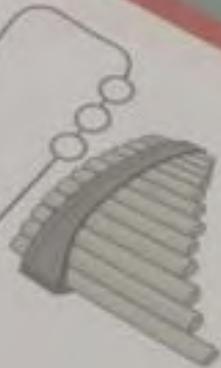

Straw Pan Pipes

Use several straws to make a set of Pan Pipes! Each straw should play a different pitch when you blow into it. Flatten the end 2cm of each straw and cut a triangle at the end.

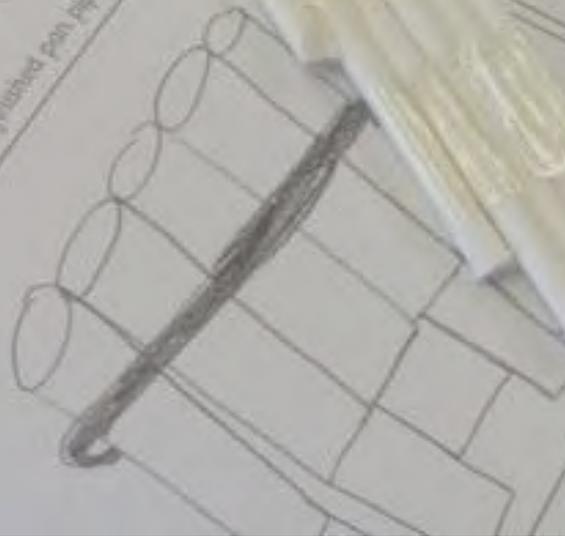

Prepare several straws like this, then think about how to change the pitch of the sound each straw makes. Stick or tie the straws together to make your set of Pan Pipes.

Blow hard through the triangle end of the straw to make a sound. You may have to try a few times to make the sound!

Draw a picture or stick a photo of your finished pan pipes in the box below.

We lay all of our intentions before Mary as we join together praying

Hail Mary ...

Jesus said to his disciples, "Do not imagine that I have come to destroy what the Law or the Prophets taught. No, I have come to make them complete - to show you what they meant. I tell you truly, until heaven and earth disappear, not one dot, not one little stroke of a pen, shall disappear from the Law until its purpose is achieved. Anyone who breaks one of the least of these commandments and teaches others to do the same will be called least in the kingdom of heaven, but whoever practises and teaches these commands, will be called great in the kingdom of heaven."

Please read and reflect together upon this week's gospel.
The theme is
TEACHER

Matt. 5:17-37 (the 6th Sunday of Ordinary Time)

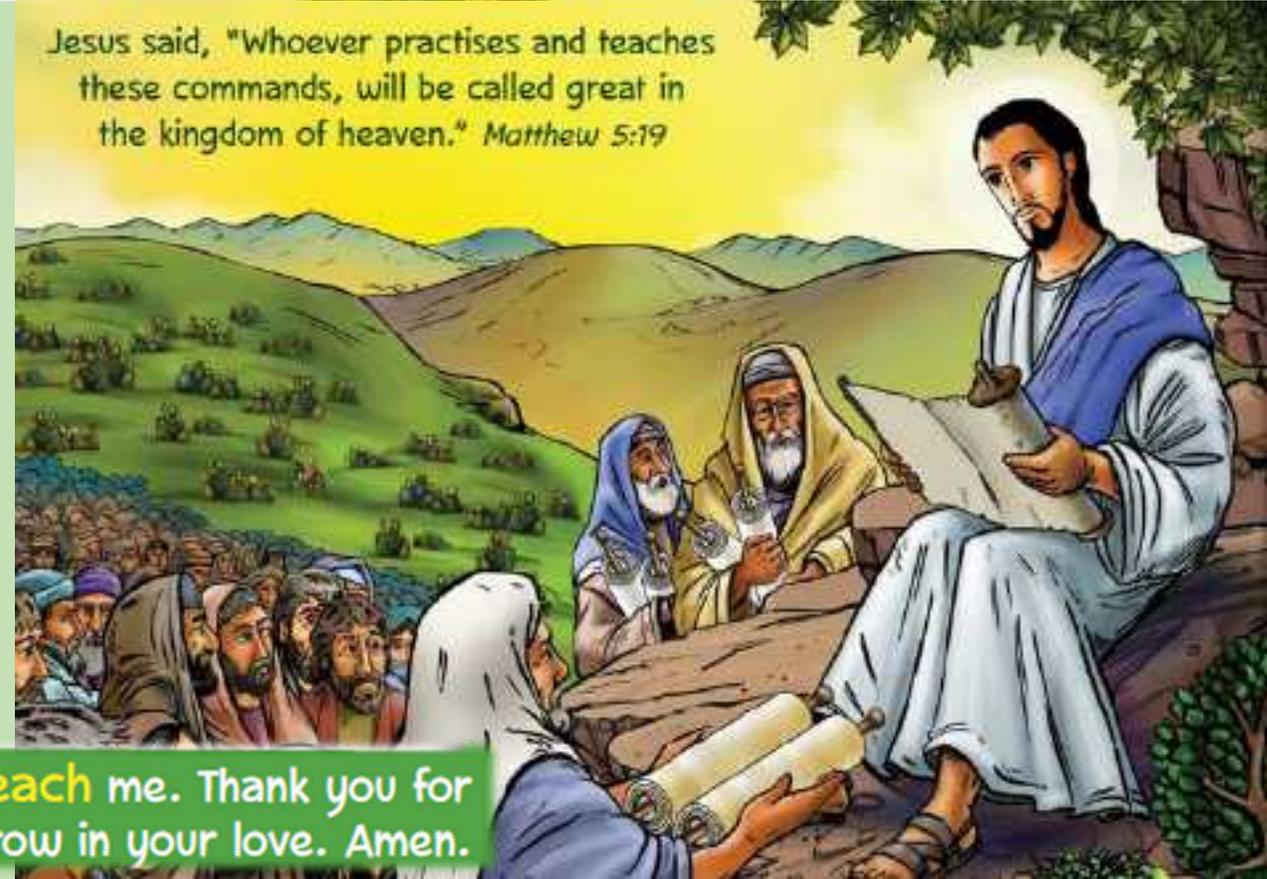

Jesus stood out as a teacher.

Seeing the power and authority of God at work in Jesus' words and actions gave people confidence in his teachings. When we have Jesus as our teacher, we are being taught by God.

"The family is where parents become their children's first teachers in the faith. The family's strength lies in its capacity to love and to teach how to love." Pope Francis

Dear Lord Jesus, please bless all the people in my life who **teach** me. Thank you for being my friend and **teacher**. Please help me to learn and grow in your love. Amen.

Jesus said, "Whoever practises and teaches these commands, will be called great in the kingdom of heaven." *Matthew 5:19*

SCRIPTURE

The sermon on the Mount

Jesus saw the crowds and went up the hill, he began to teach them
Matthew 5:1

...whoever practices and teaches these commands will be called great in the kingdom of heaven
Matthew 5:19

TEACHING

In the Sermon on the Mount Jesus teaches how important it is to follow God's plan. He also taught the people about love.

'Love the Lord your God with all your heart and with all your soul and with all your mind.'

³⁸ and 'Love your neighbour as yourself.'

⁴⁰ All the Law and the Prophets hang on these two commandments."

WORSHIP & LIFE

Help me to rely on God and trust Him more.

Help me to speak to God when I am sad or upset.

Help me to think more about other people and what they'd like.

Help me to be fair to other people.

Help me to forgive people when they hurt me.

Help me to think about what God would want.

Help me not to fight back when people upset me.

Help me to stand up for the right thing.
