Reception had lots of fun in the talent show outside

Year 4 created interesting questions and interviewed each other.

If you could become an animal, what animal would you transform into?

If you had a superpower what would it be?

What is the most amazing dream you ever had?

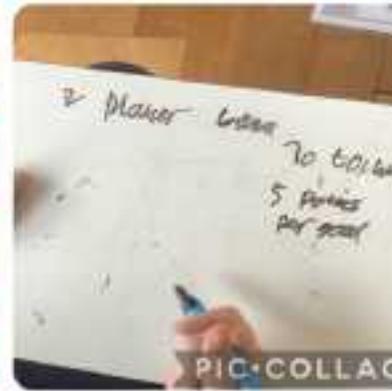

Learning through play

Lots of fun, comparing the mass of objects in Reception this week using the words heavier and lighter.

Year 4 are creating their own game or activity for throwing or rolling; striking or kicking; throwing or catching; these are going to be amazing!

Pancakes - YUMMY!

Ash Wednesday

Dear Lord, As we enter this Solemn and Holy Season, we pray that you would send your Holy Spirit upon us that we might prepare ourselves for these coming 40 days of Lent. Even though we may no longer wear sackcloth and ashes, we do seek to humble ourselves so that we can understand the magnificence of Your Love for us as You humbled Yourself and gave Your Life on the Cross that we might receive the gift of Eternal Glory with You. AMEN.

Every child in the school, from nursery to Year 6, received their ashes on Wednesday, understanding that we turn to Jesus to put things right and that we are assured of his love.

Remember to look out for any updates on our Lenten Lines display at the main entrance each day.

Our youngest children's Lenten journey has begun; receiving ashes on Wednesday.

Nursery children receiving ashes in class.

Our Junior children attended a beautiful ASH WEDNESDAY Mass at St Joseph's with FATHER NIGEL WOOLLEN.

It was a beautiful occasion marking the start of our Lenten journey.

This was a beautifully moving Mass and Father Nigel, commented on the very tangible prayerfulness of our children.

They take their liturgy seriously and are so keen to engage.

Our children in Years 5 and 6 carried out their ministry of the Word so well and with such dignity.

The singing at the end was beautiful! **'JESUS YOU CAN USE MY HANDS'** by Dan Callow (One Life Music) is fast becoming one of our favourite hymns. Thank you to our friends in Year 4 for leading us in signing this.

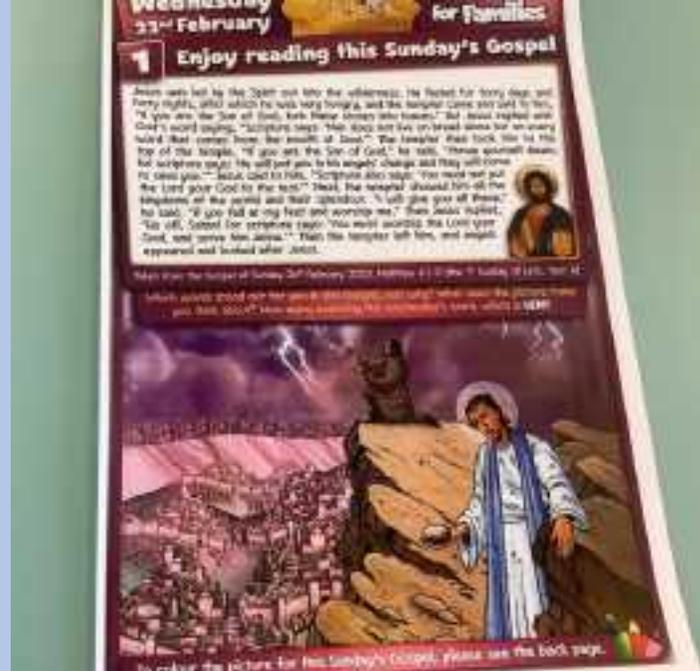

One Life Music lead a series of Lenten musical reflection for children which we have bought into this year. We are looking forward to using them in school.

THE LOST SON

When Jesus saw how much faith they had, he said to the man, "Your sins are forgiven, my friend." Luke 1:26

"On no judge others, and God will not judge you; do not condemn others, and God will not condemn you; forgive others, and God will forgive you." Luke 6:37

"If you forgive others the wrongs they have done to you, your Father in heaven will also forgive you. But if you do not forgive others, then your Father will not forgive the wrongs you have done." Matthew 6:14-15

Then Peter came to Jesus and asked, "Lord, if my brother keeps on sinning against me, how many times do I have to forgive him? Seven times?" "No, not seven times," answered Jesus, "but seventy times seven." Matthew 18:21-22

your sins are forgiven

St. Peter spoke in the temple after Jesus had returned to the Father in heaven:

"Repent, then, and turn to God, so that he will forgive your sins; if you do, times of spiritual strength will come from the Lord, and he will send Jesus, who is the Messiah, he has already chosen for you." Acts 3:18-20

What are you truly sorry for? God is ready to forgive you. What are you ready to talk to God about?

Bring Confession to the altar of your Father and He will give you forgiveness. He will forgive you all your sins. He will give you peace and joy. He will give you the Holy Spirit. He will give you the Kingdom of Heaven. He will give you the life of the world to come. He will give you the life of the world to come. He will give you the life of the world to come.

The Lord will mercifully and lovingly receive our confession and forgive our sins. He will give us the Holy Spirit and the life of the world to come.

Our parliament team shared an incredibly positive pupil voice from their classes.

20th February 2023

Dear parents and carers

Welcome back to school after the half term break. I do hope that you have all enjoyed time with families and friends over the half term and that everyone is now ready to engage with an exciting half term of learning before we break for Easter. It will be a busy half term but I know that our children will rise to the challenge as always and will immerse themselves in their learning and relationships.

Parent Consultations

Our second parent consultations of the year are planned for Monday 27th & Tuesday 28th February 2023 and will be an in-person event again. Appointments can be booked via the Arbor parent portal – you will have received a link to this before half term. If you have any difficulties, please contact staff in the school office as soon as possible. We look forward to meeting with you.

Ash Wednesday – the start of LENT

This Wednesday marks the start of our Lenten preparations. KS2 children will be attending Mass at St Joseph's at 11 am and everyone is welcome to join us. The EYFS and KS1 children will receive their ashes in a special liturgy in school on the same day. Ash Wednesday is traditionally a day when Catholics abstain from eating meat and as such our Herts Catering menu will be altered this week to enable pupils to mark this special day in a traditional way.

Lent is always a very special time of preparation in school and to help each other in these essential preparations we have produced some documents to guide families. These should help you understand the preparations taking place in school and how these can be complimented at home. I hope that you find them useful.

Throughout Lent, we have three giving projects that we hope you and your children will be able to help us with:

- **Food Bank Friday** will return! Please leave items in the trolley outside St Joseph's workshop that we can share with the **St Vincent de Paul Society** to support local families.
- Children will be sent home with a **CAFOD panny box**. Maybe they could complete jobs at home for a small fee to support overseas sustainable aid projects.
- **Easter raffle tickets** will be on sale during the last few weeks of term. Pupils can buy tickets that might earn them an Easter treat donated by the staff team. Funds raised will support Father Kakuba's **Kanyike Project** in Uganda

Jesus was led by the Spirit out into the wilderness. He fasted for forty days and forty nights, after which he was very hungry, and the tempter came and said to him, "If you are the Son of God, turn these stones into loaves." But Jesus replied with God's word saying, "Scripture says: 'Man does not live on bread alone but on every word that comes from the mouth of God.'" The tempter then took him to the top of the Temple. "If you are the Son of God," he said, "throw yourself down; for scripture says: 'He will put you in his angels' charge and they will come to save you.'" Jesus said to him, "Scripture also says: 'You must not put the Lord your God to the test.'" Next, the tempter showed him all the kingdoms of the world and their splendour. "I will give you all these," he said, "if you fall at my feet and worship me." Then Jesus replied, "Be off, Satan! For scripture says: 'You must worship the Lord your God, and serve him alone.'" Then the tempter left him, and angels appeared and looked after Jesus.

Please read and reflect together upon this week's gospel

Our Father, who art in heaven, hallowed be thy name; thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. Amen.

PREPARING FOR LENT 2023

Headteacher's Blog

Apologies - it has been some time since I have used the 'Blogger' facility to communicate but I am keen to re-open this channel of communication.

I hope that everyone has experienced a refreshing half term break ... or maybe even a busy one if that is what you prefer. On a personal level,

I have been to visit my eldest son at Manchester and have enjoyed some catch up TV and some audio books whilst also spending some time in the garden, sorting out the greenhouse and pond ready for the season ahead. It has been good to spend time with family, even if we are in the middle of the tensions of GCSE revision for my middle son!

Life is so busy for all of us.

And as we return, we will soon enter the liturgical season of **Lent**. The school has '**gone purple**' in preparation! Ash Wednesday (22nd Feb) marks the start of Lent. Fr Nigel has kindly agreed to put on an extra Mass so that pupils in KS2 can attend and receive their ashes (parents are all welcome at 11 am) and pupils in EYFS and KS1 will join together in a school based liturgy to receive their ashes. Ash Wednesday is a time for us all to stop in the middle of our busy schedules and take stock of where we are and what we are aiming for in life; a time to reset; to readjust; to realign. Lent can be a time of reset ... reset of heart and reset of action.

This weekend's message from Cardinal Vincent really resonated with me. Our actions ... faith in action ... are just so important. You can read Cardinal Vincent's pastoral message here:

**Pastoral Letter for the Seventh Sunday in Ordinary Time
18/19 February 2023**

On Wednesday, Lent begins. I write today to give you every possible encouragement to use these weeks of Lent to refresh and deepen your faith. As we have just heard from the Book of Leviticus: 'Be holy, for I, the Lord your God, am holy.' (Leviticus 19:2). This is a heartfelt plea. While there are so many challenges facing us all at this time, our faith underpins everything we do. The gift of faith gives our lives an enduring purpose and stability. A faith that is refreshed and deepened helps us to be gracious, steadfast and even robust in every circumstance.

I put before you today three ways of refreshing and renewing your faith. They are these: a renewed focus on Jesus; a fresh readiness to bear witness to him; and, thirdly, a conscious effort to build community and compassion wherever you may be.

Let me speak about each one.

First, during these weeks of Lent please do all you can to place Jesus at the heart of your lives. Our relationship with him is the foundation of all we strive for, our abiding strength and our source of hope and joy. Without this relationship our faith loses its heart and warmth, becoming a matter of outward observance rather than inner wonder.

There can be no friendship with our Blessed Lord unless we give him space in our hearts. We need a time of prayer every day when we can simply talk to him, bringing him our worries and our joys.

When and where you pray doesn't matter, just whatever suits you. Pray in a style that appeals to you, whatever that may be. But, please, do it! And encourage each other to do so, whether in family prayer or with friends, in each other's company or even over Zoom. Jesus is there, waiting to embrace you, to rejoice in your achievements, to comfort you in your trials. Please give him space in your day, every day. After all, St Paul reminds us: 'You belong to Christ and Christ belongs to God.' (1 Corinthians 3:23).

Now the second aspect of the renewal I hope you can find is this: please let this faith, this relationship with the Lord, express itself when you are with other people.

I am certainly not asking you to find a soapbox or in any way to force your faith onto others. No. But there are many moments when speaking of the goodness of the Lord is quite appropriate. For example, when someone is sharing with you their sorrow or distress, please don't hesitate to tell them you will pray for them. Or when you come across a person who is feeling alone or neglected, please do speak to them of the love of the Lord and the consolation you find in his presence.

In the recent Synodal discussions, many people expressed concern for those who feel excluded from the Church, often because of their understanding of Church teaching. We must remember that the teachings of the Church flow from words spoken by our Blessed Lord to those striving to be close to him. Yes, they are sometimes very demanding. But they are teachings which he gives us in love, invitations which are life-giving. When we hear his voice speaking to our inmost heart, we can grasp the real meaning of those teachings. When we attend to his voice, we can hear it resonating in the voice of the Church. Only with this attentiveness to him can we truly explain to others the beauty of his teaching.

When we fix our eyes on the Lord, feelings of exclusion can be overcome. We can appreciate more deeply that we are, each of us, made in the image and likeness of God. He has an embrace for everyone. He excludes no one. He offers an invitation to each person to come and follow him. As we respond to that invitation, we become aware of a need for a change of heart and behaviour, in one area of life or another, even though each of us makes progress in his way only gradually, step by small step.

The third thing I ask of you this Lent is to refresh in your lives the way you put faith into action.

Here I want to highlight just one thing: in every circumstance, whether at home or school, at work or leisure, strive to be 'a bond of connection between persons' (St John Henry Newman). Building for others a sense of being accepted is a genuine first expression of the life that Jesus offers. When we recognise and respect the goodness in every person we meet and strive, however simply, to reach out to them, we put faith into practice. Can we echo in our actions just a little of that truth in today's Psalm that 'The Lord is compassion and love'? Building community, breaking down hostilities is doing the work of our Blessed Lord. It is a work so much needed in our troubled world. Every day will bring opportunities to do this. I hope that in the days of this Lent, each of us will make an extra effort to put our faith in the Lord into practice in this special way. This is the appeal of today's Gospel message: a generous love that overcomes hostility!

One of my favourite saints is St Francis of Assisi. There is a lovely story, or maybe a legend, about him that I want to tell. It is said that towards the end of his life, when he was near to death, he gathered his followers together. Looking round he said to them: 'Brethren, let us begin to love the Lord because so far we have made little progress!' Well, if such a great saint can say those words, so can each of us.

My appeal to you, then, is very simple. This Lent, try to make a little more progress in prayer, in speaking of Our Blessed Lord to others, and in being a bearer to others of his compassion and love.

And please pray for me, as I will most certainly pray for you.

Yours devotedly,

✦ Cardinal Vincent Nichols
Archbishop of Westminster

So how do we live this out in school?

Well ... our whole RE curriculum is based upon making links between scripture, Church teaching, worship and life. Whatever our children learn has to have an impact on their daily life **AND IT DOES SO BEAUTIFULLY!**

LENT is rooted in actions of prayer, fasting and almsgiving

During this Lent your children will:

Engage with **Food Bank Friday**, leaving items in the trolley outside St Joseph's workshop that we can share with the **St Vincent de Paul Society** to support local families. You can find out more about the Society of St Vincent de Paul here: <https://www.svp.org.uk/>

LOCAL ACTION.

Be sent home with a **CAFOD penny box**. Maybe they could complete jobs at home for a small fee to support overseas sustainable aid projects. You can find out more about CAFOD projects that we are supporting here: <https://cafod.org.uk>

INTERNATIONAL ACTION.

Buy Easter raffle tickets which will be on sale during the last few weeks of term. Pupils can buy tickets that might earn them an Easter treat donated by the staff team. Funds raised will support Father Kakuba's Kanyike Project in Uganda. You can find out more about the Kanyikee project here: <https://www.kanyikeproject.org.uk/>

INTERNATIONAL ACTION.

Each day during Lent, the School Parliament team will be selecting an image to display on the **'lenten lines'** in our purple shed at the main entrance to the school. You may want to stop at this point with your child, look at the new image and say a prayer together each day.

Watch this space!

During Lent there will be many opportunities for your children to experience a response to scripture through their ACTIONS.

Lent 2023 brings with it a great opportunity for lasting change and action focused on the Common Good. As a Catholic school, rooted in these principles, we are ideally placed to promote these principles which can only serve to make our community the very best place that it can possibly be, outward looking and supportive to all. Please join us in prayer for the fruit of our mission this Lent.

The following link to our school website may support you in preparing your children during this very special season:

Thank you for all that you do to support us in the formation of your children. It is such a special opportunity and we take it very seriously,
