A Word from
Pope Francis

"The family's strength lies in its capacity to love and to teach how to love. Let us ask the Lord for the grace to love everyone."

Jesus said, "As the Father has loved me, so I have loved you. Remain in my love. If you keep my commandments you will remain in my love, just as I have kept my Father's commandments and remain in his love. I have told you this so that my own joy may be in you and your joy may be complete. This is my commandment: love one another, as I have loved you. A man can have no greater love than to lay down his life for his friends. You are my friends, if you do what I command you. I shall not call you servants anymore, because a servant does not know his master's business; I call you friends, because I have made known to you everything I have learnt from my Father. You did not choose me, no, I chose you; and I commissioned you to go out and to bear fruit, fruit that will last; and then the Father will give you anything you ask him in my name. What I command you is to love one another."

upon this
week's gospel.

The theme is
LOVE

"What does love look like? It has the hands to help others."

St Augustine of Hippo

Dear Lord Jesus, thank you for being our loving friend. Please help us always to love you and to keep growing in love for one another. Amen.
