

PUPIL POST

12th week in Ordinary Time
23rd June 2024

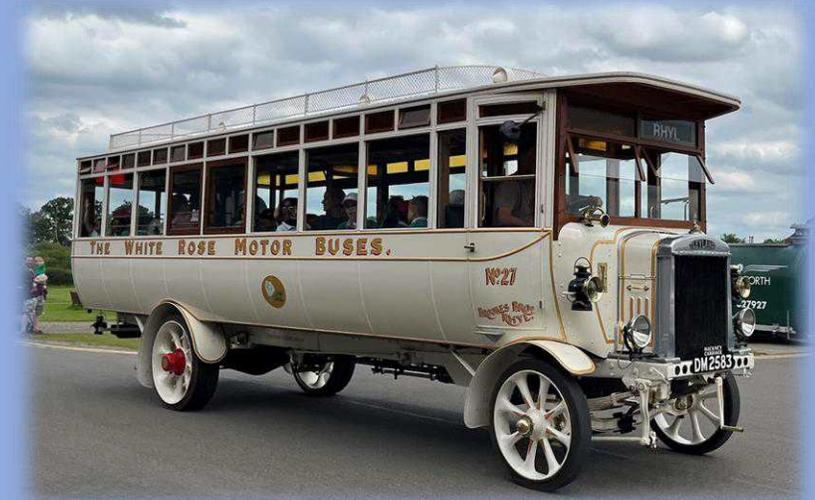

Year One were very excited to be heading out on their school trip to Shuttleworth!

Ready and waiting for their ride on
a 101 year old bus.
Very excited Year One!!

We had a lovely time at Shuttleworth

Yesterday we went to
 Shuttleworth. We had a
 picnic. We had a picnic
 on the grass. We had a
 picnic on the grass. We
 had a picnic on the grass.
 We had a picnic on the
 grass. We had a picnic on
 the grass. We had a picnic
 on the grass. We had a
 picnic on the grass. We
 had a picnic on the grass.

First we went on a coach to
 take us to Shuttleworth.
 Then we arrived at Shuttleworth
 and put our backpacks in a room.
 Next we saw a white recock.
 Finally we rode on a red bus and
 went to the playground. My friend
 was seeing the recock.

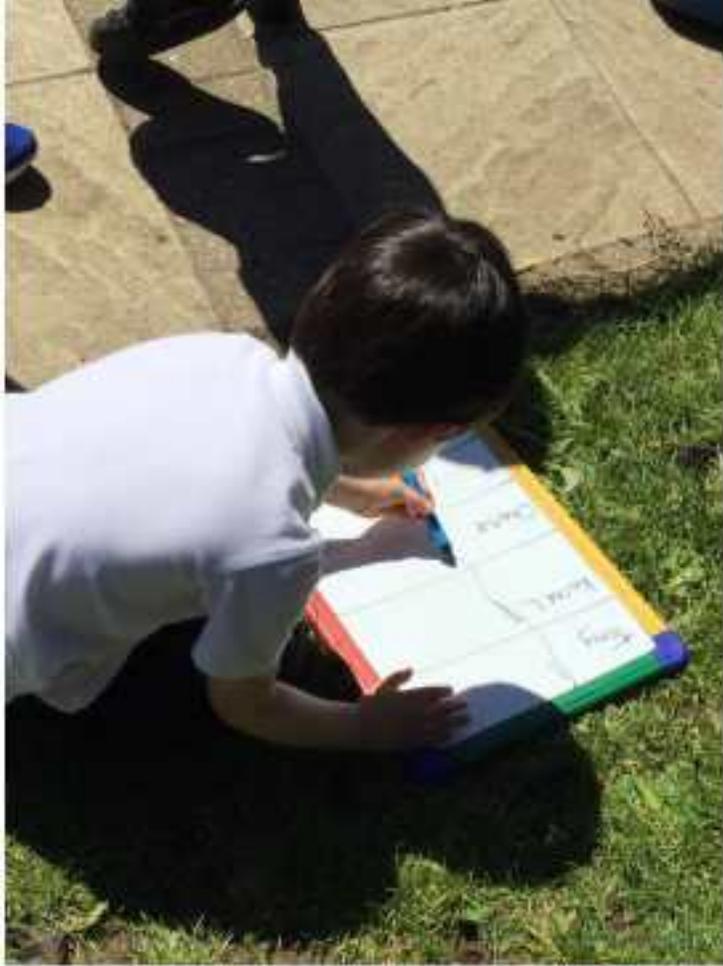

First yesterday we went
 on a coach then we
 arrived at Shuttleworth.
 Next we went to look at
 plans. Finally we went
 to the park and back to
 school. My favourite thing
 is rolling down the hill.

The children in Year 1 have done some lovely writing about their adventures there!

Congratulations
to our
Parliament Team.

They designed a
beautiful new
welcome sign at
the front of our
school to make
all our visitors
feel welcome

The children in the Nursery are being encouraged to record how many balls they manage to throw into the net. Using the tally system they are comparing quantities while using mathematical vocabulary: 'more than', 'fewer than', as well as noticing they have the same amount.

The children had a fabulous time during puddle play last week.

We are now happy the sun has come out to play!

NURSERY'S SPORTS DAY.

A big WELL DONE

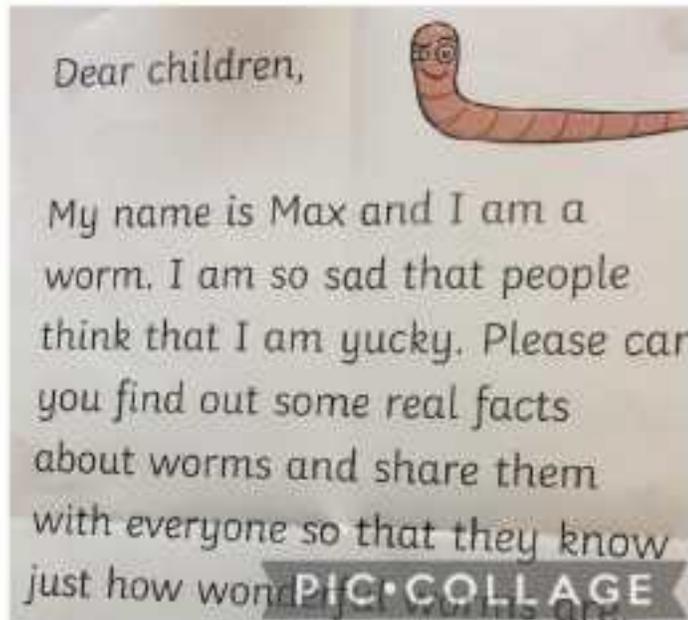

A huge thank you to year 5 for your support

PIC·COLLAGE

PIC·COLLAGE

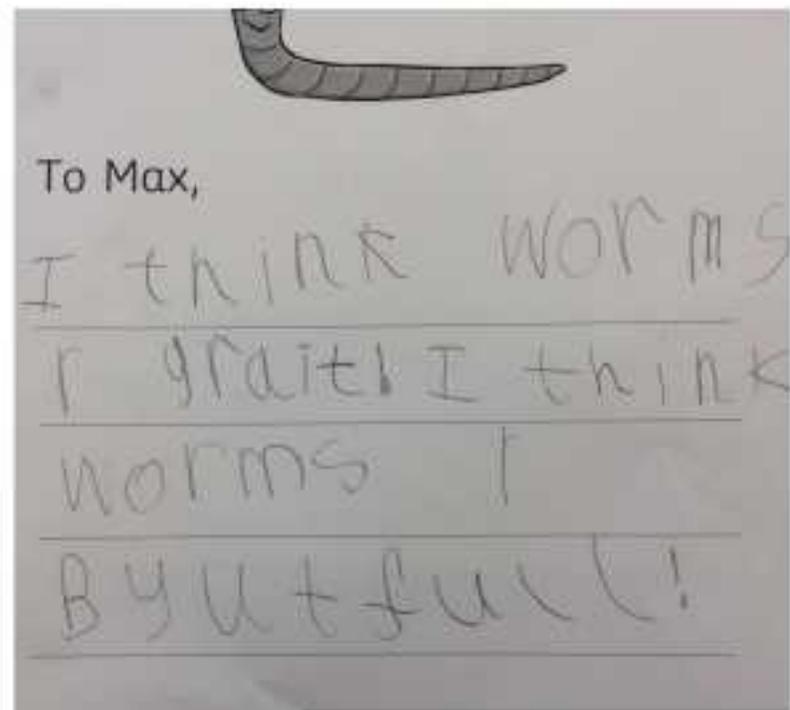

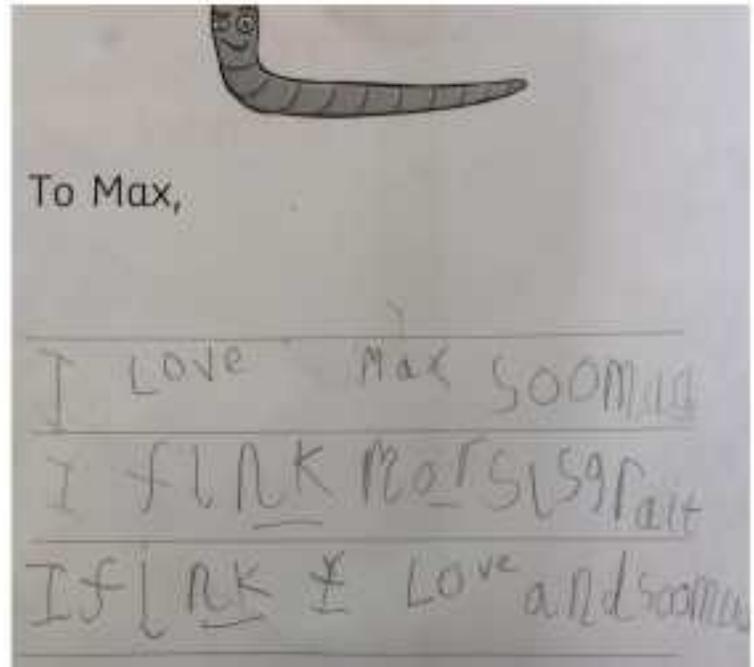

This week, the Reception children received a letter from Max the worm who explained that he was sad that so many people think worms are yucky. He asked the children to find out some interesting facts to share with others.

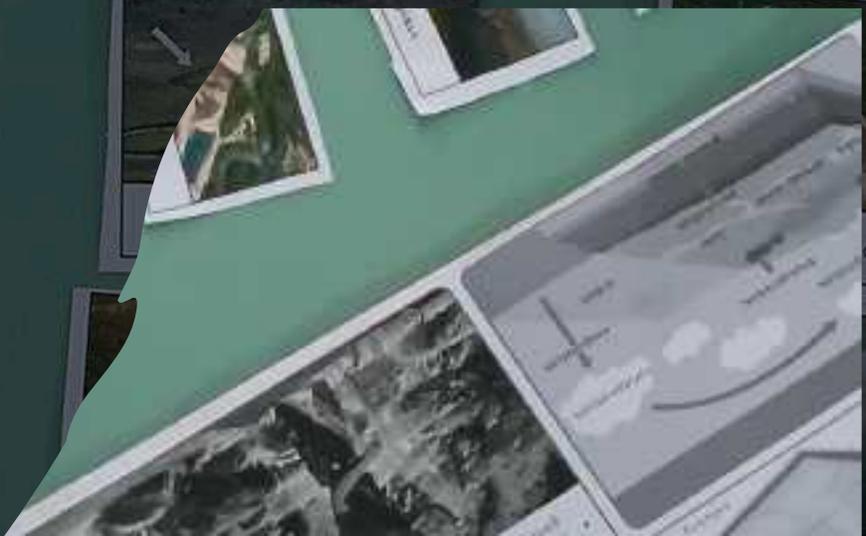

To Max,
I like worms r
Byutful and
Lovely and
that is rily
rigns
From,
A m m

TO MAX,
I luv u so
yalsmart
yoo r t i o list
From, - RESMAN
M A C

4DA were looking at how rivers are formed and how they reach the sea.

This week in Reception, we were learning to sew with a needle and thread!

Wednesday 19th of June 2024

We are learning...
-to make careful observations.
-to make a classification key
18.06.2024

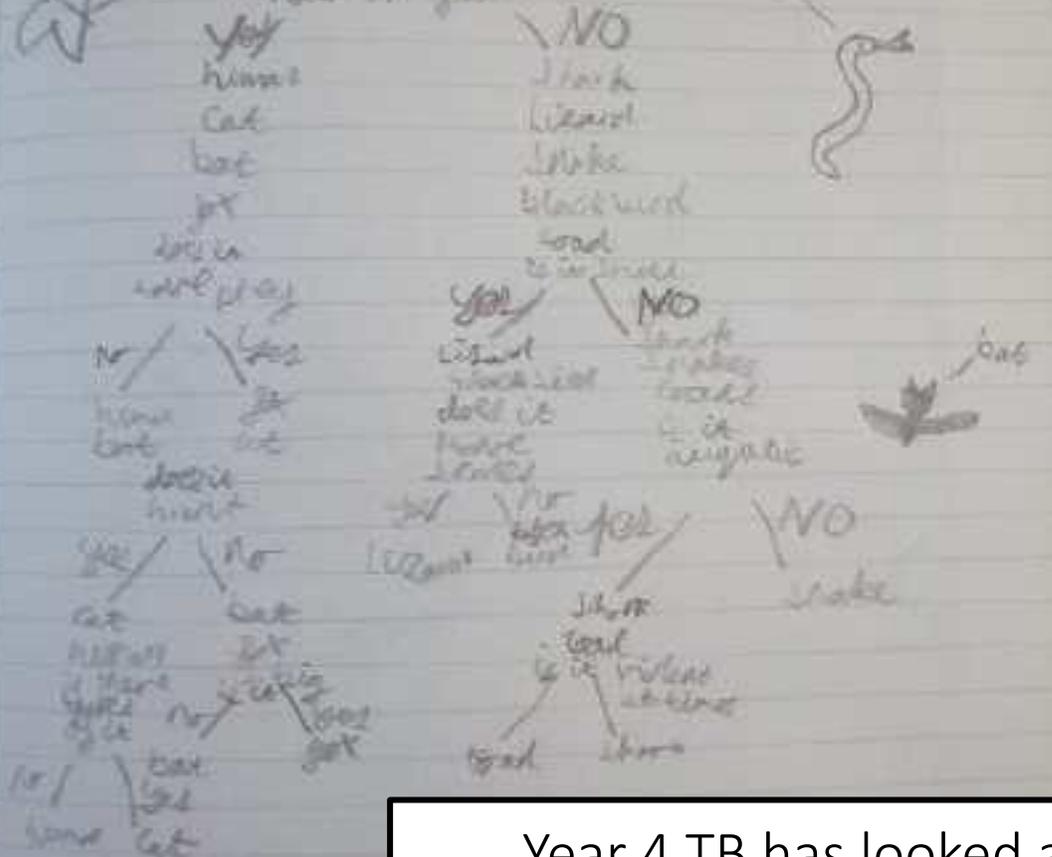

Has it got legs?

We are learning...
-to make careful observations.
-to make a classification key
19.06.2024

Shark
Has it got hair or fur?

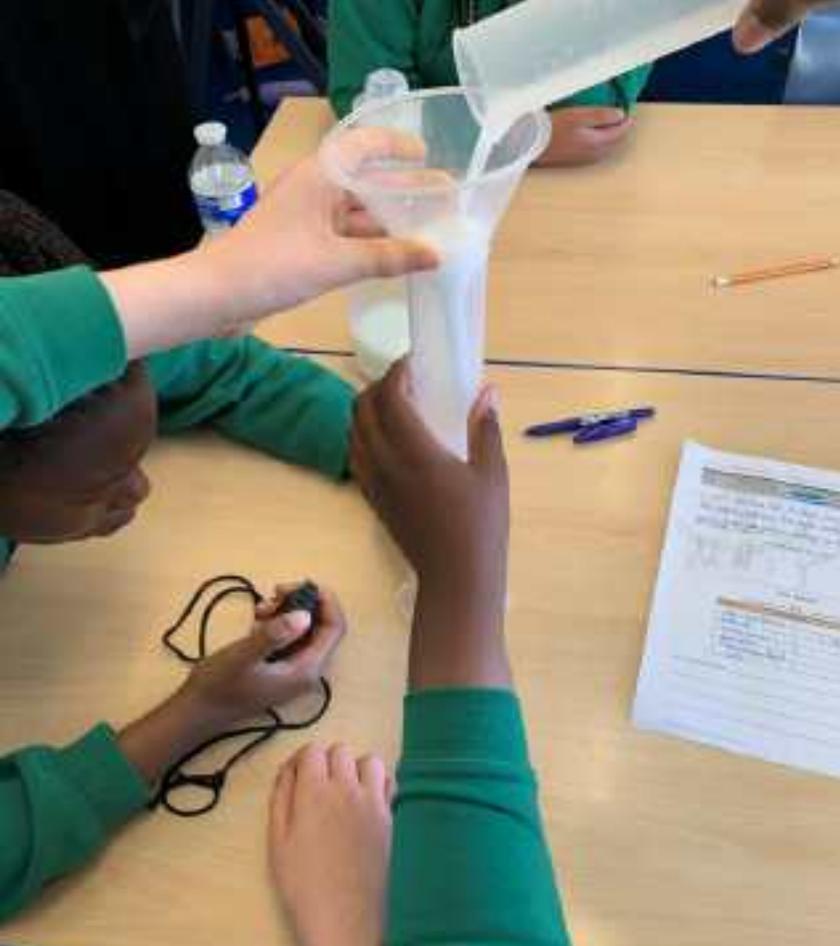

Year 4 TB has looked at classification keys in Science. The pupils made a classification key based on Vertebrates.

Mrs. Peters and Mr. Crump went to London on Tuesday to present the wonderful work the school has done this year in our English curriculum using **CLPE** **Power of Reading.**

Some of our Y3 children have been busy planting strawberries, sweet peas, thyme and peppers.

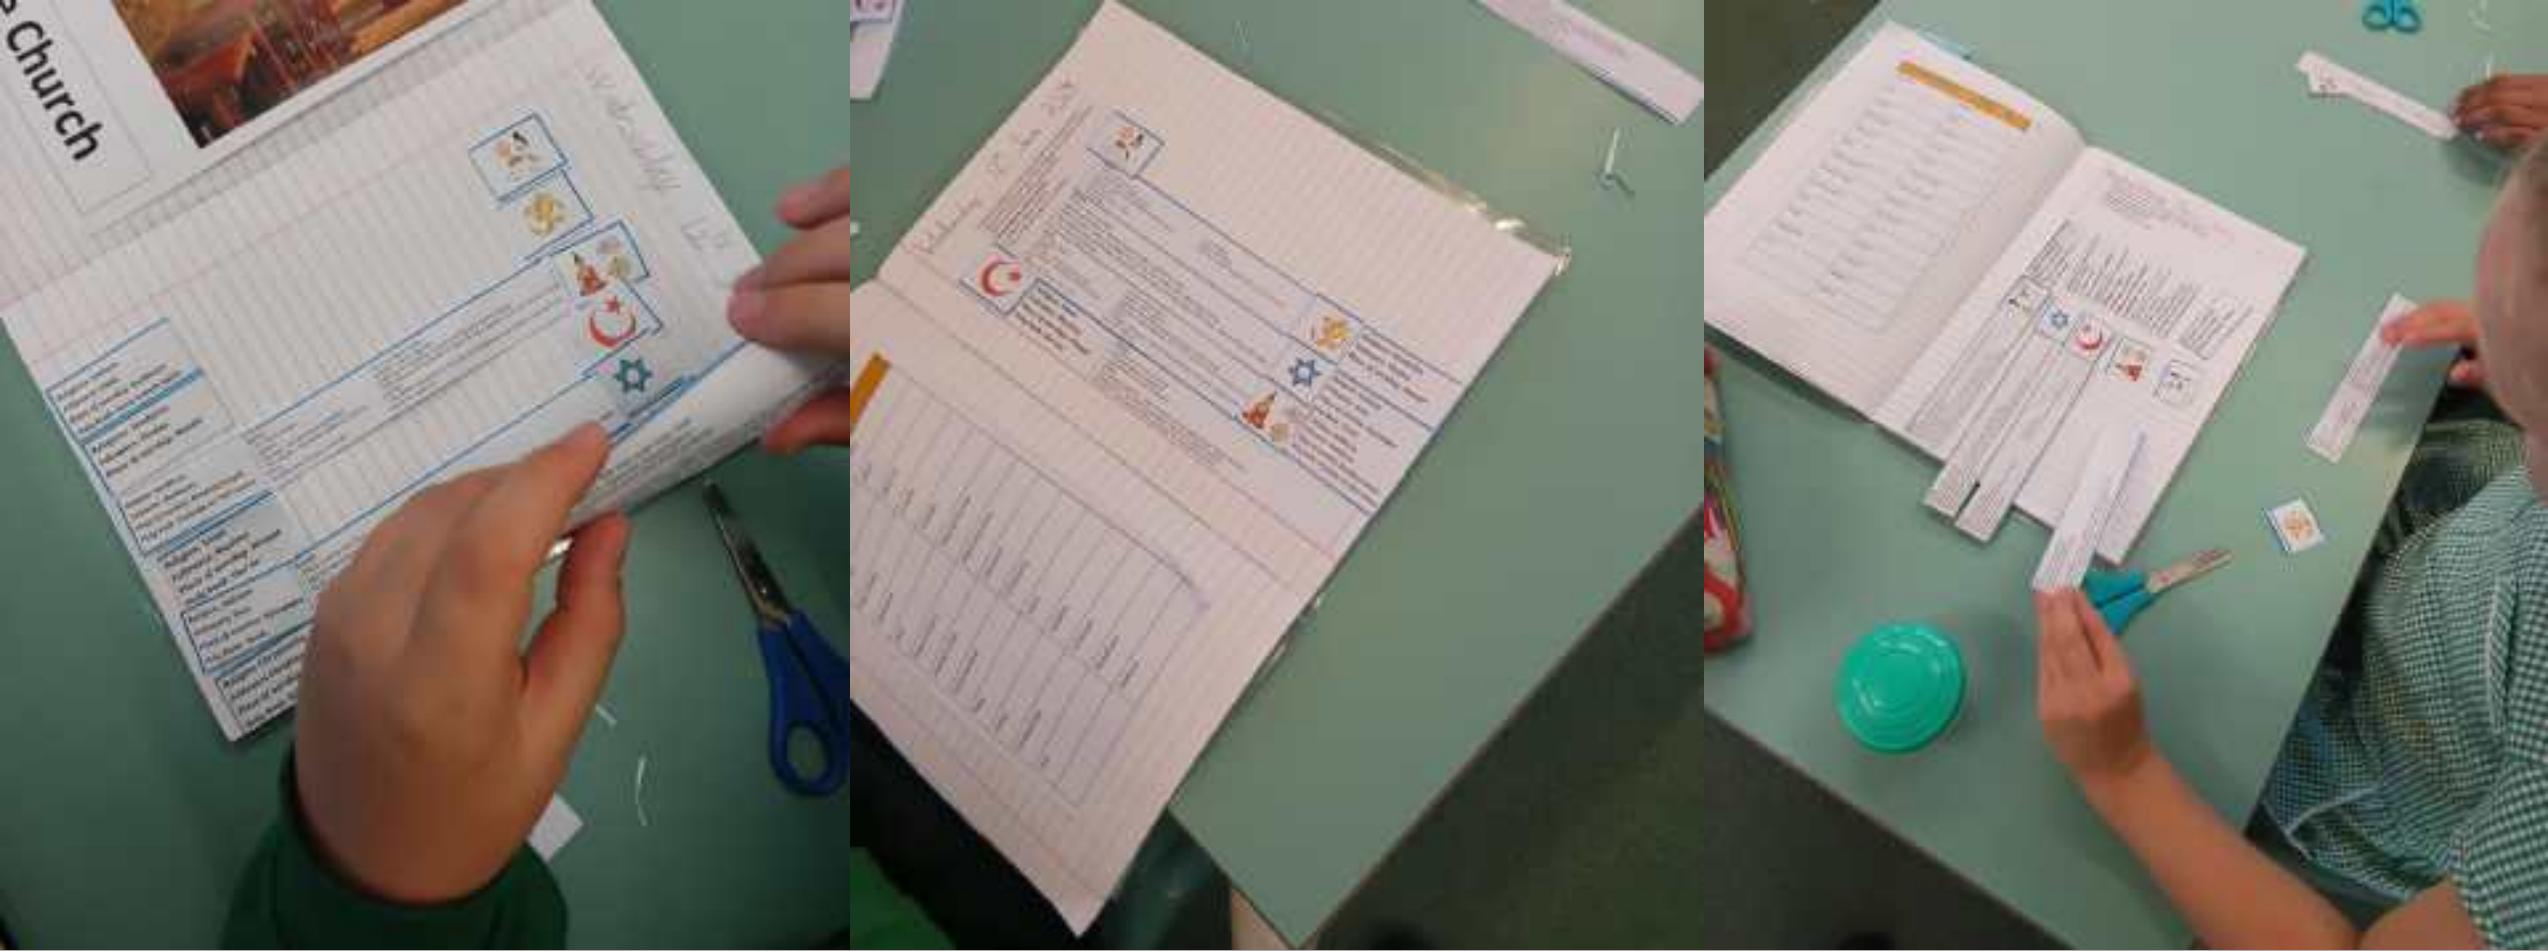

Year 6 have been enjoying their third experiment with
The Centre for Industry Education Collaboration, York.

We are exploring the viscosity of a variety of liquids use two different test techniques: time it takes for a marble to go through 250ml of liquid or time taken for 50ml to pass through a funnel.

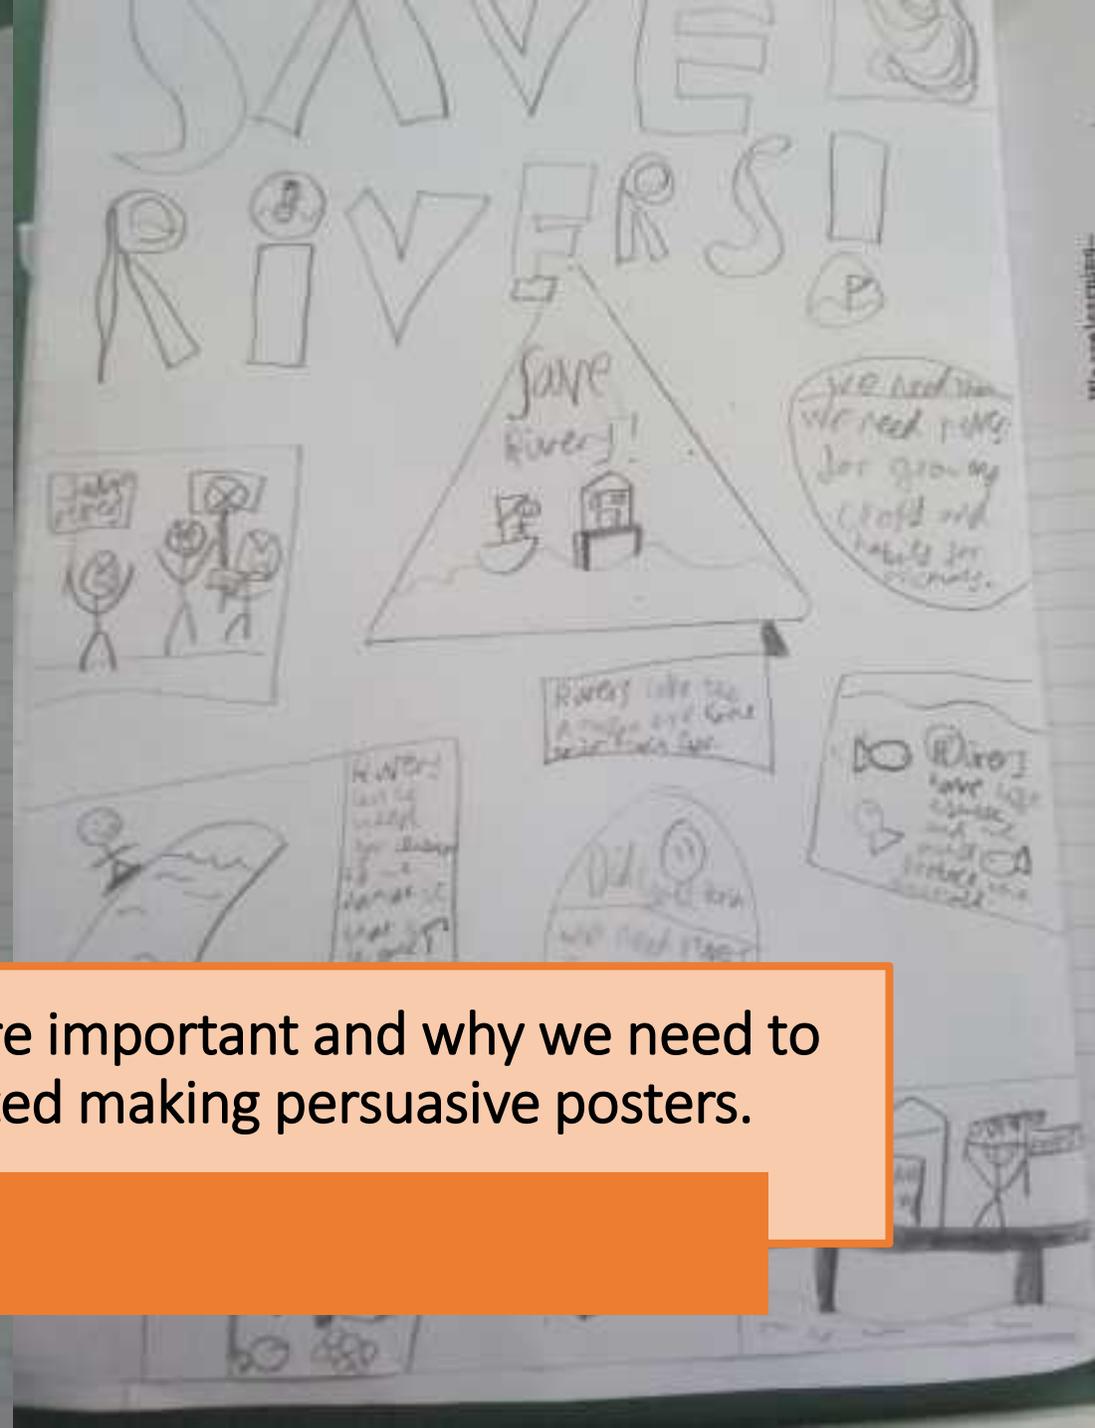

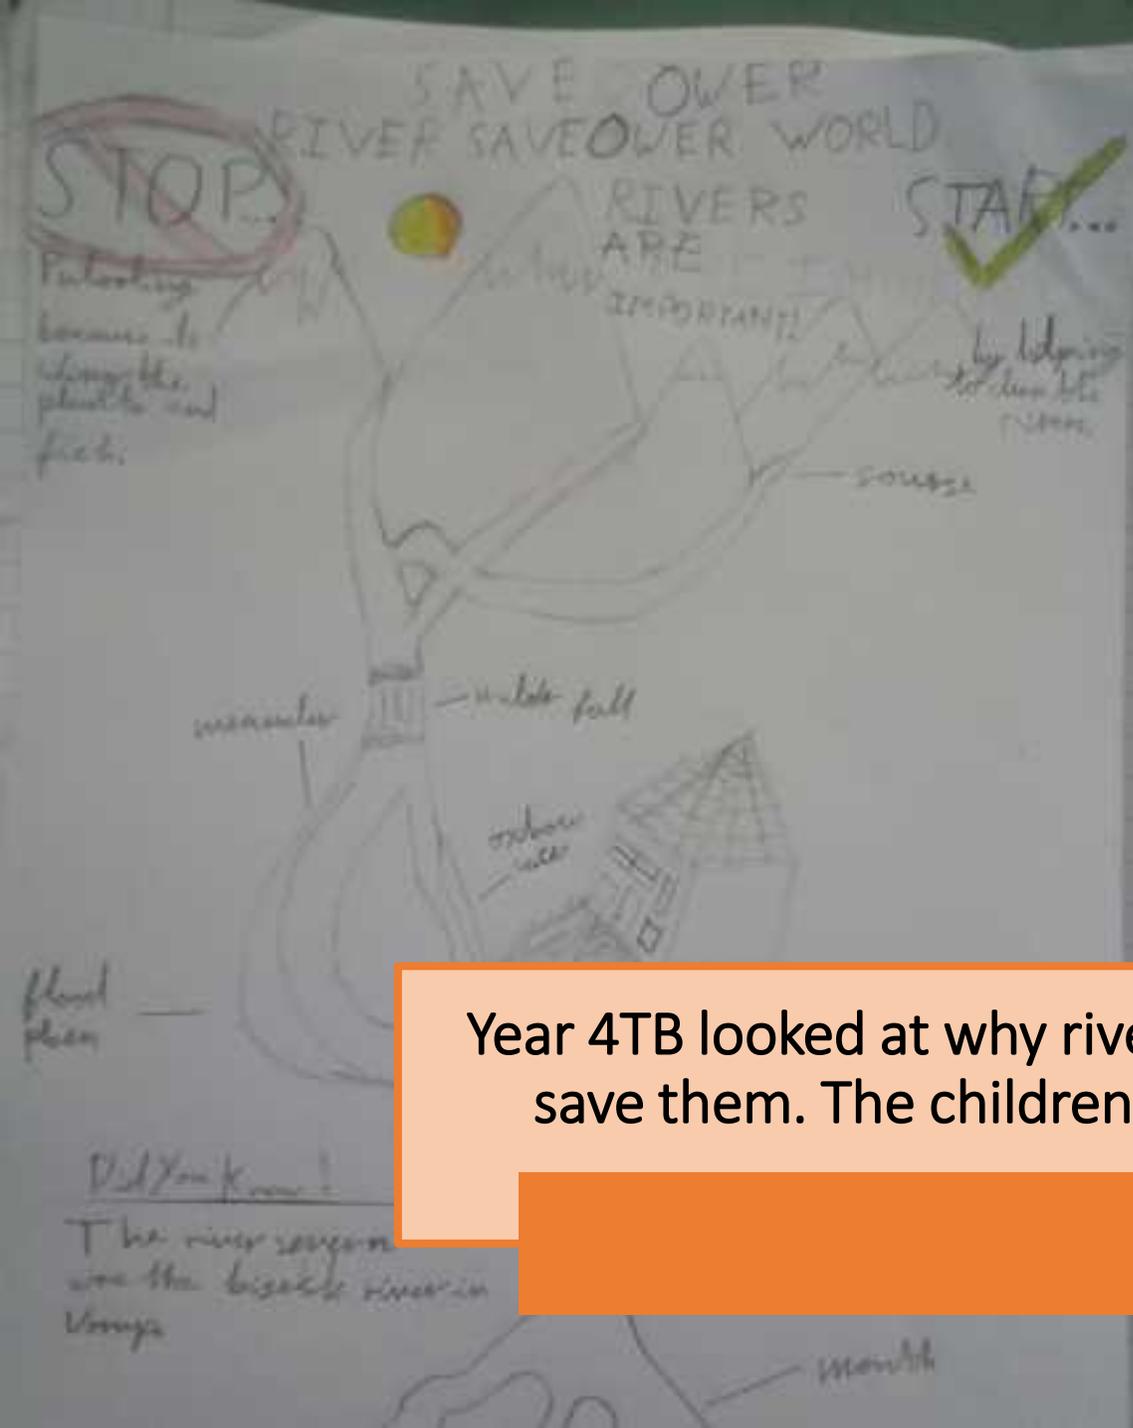

Watch here: <https://x.com/i/status/1803778529936494710>

4DA were matching symbols to religion and beliefs.

What a treat being part of this wonderful garden The Red Shed!
Thank you for letting our Year One children get involved. What a lovely time they had!

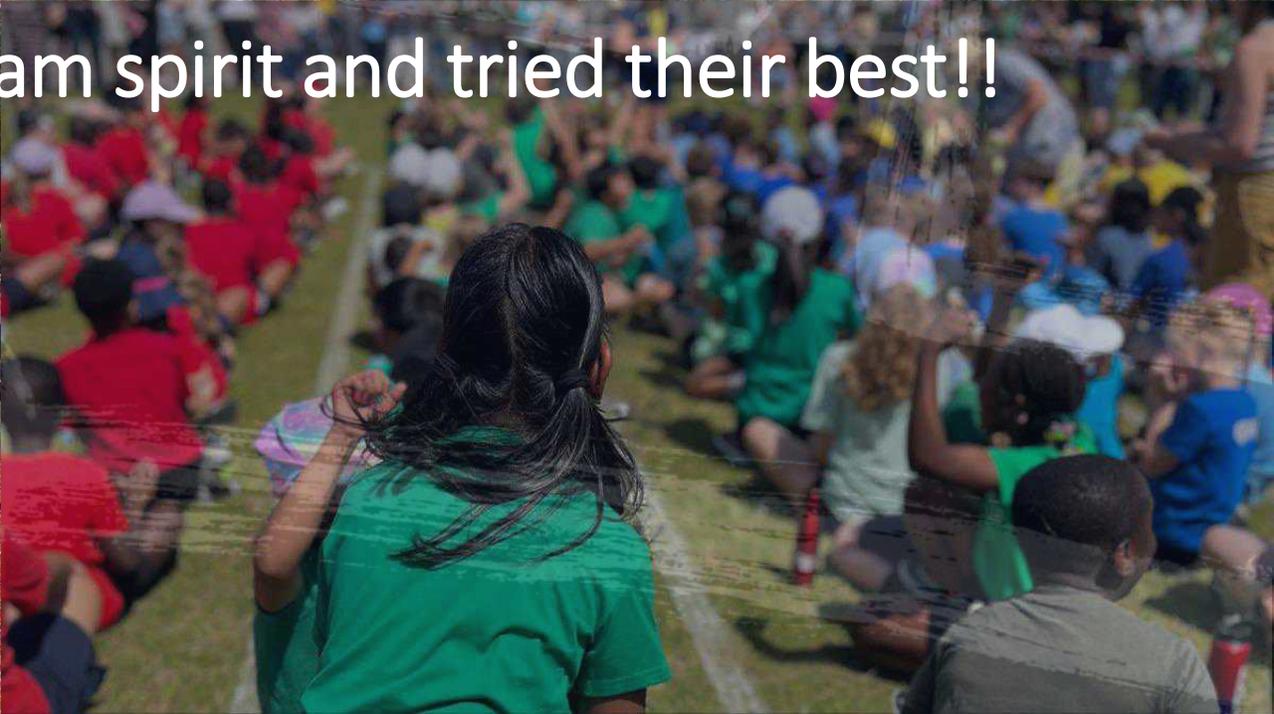

Year 4TB looked at why rivers are important and why we need to save them. The children started making persuasive posters.

What an amazing sports day morning!

All the pupils showed great team spirit and tried their best!!

**A day to
celebrate
sports and
sportsmanship
by all.**

***It was wonderful to see
how everybody
supported each other.***

Watch the fun here:

A very
proud
learner
celebrating
his home
learning in
Year 4;
Well
done!

The PSA say:

A HUGE THANK YOU

to everyone who supported us during sports day.

We raised a fantastic

£161.10!

All of the money raised from today will go into our new project which is to revamp the KS2 library now our EYFS/KS1 library project is complete.

Thank you!!

A **Word** from
Pope Francis

"Having faith means keeping your heart turned to God's love, to his Fatherly tenderness, amid the storm. Jesus wanted to teach this to the disciples, and also to us today."

Please read
and reflect
together upon
this week's
gospel.

The theme is

CALM

Jesus said to his disciples, "Let us cross over to the other side of the Sea of Galilee." And leaving the crowd behind they set off. Then it began to blow a gale and the waves beat upon the boat so that it was almost filled with water. Jesus was asleep in the stern of the boat, his head on a cushion. They woke him and said to him, "Master, do you not care? We are going down!" And he woke up and rebuked the wind and said to the sea, "Quiet now! Be calm!" And the wind dropped, and all was calm again. Then he said to them, "Why are you so frightened? How is it that you have no faith?" They were filled with awe and said to one another, "Who can this be? Even the wind and the sea obey him."

Adapted from Mark 4:35-41

There are times when most of us have been grateful to someone who was calm when we were in trouble. Calmness is an inner peace that is good for our well-being. Calm people can help others to keep calm too. The more we get to know and trust Jesus, the calmer and more at peace we become within ourselves.

Dear Lord Jesus, please help me to stay **calm** when life is stormy
< and show me how I can help others to stay **calm** too. Amen. >
