

PUPIL POST

30th week in Ordinary Time
27th October 2024

An entertaining and informative assembly from Shane at Feedup Warmup finished with some of our harvest songs. Thank you to all those in the community that donated to this worthy cause.

Watch here:

Shane commented:

Another school talk this morning at St. Vincent DePaul went really well; so much so I was standing at Asda waiting for my lift and 2 little girls ran up to me and showed me their cardigans and said,

"We loved your assembly this morning", they then proceeded to tell me item for item what they brought in for harvest .

One of the girls must be around 6/7 said "You do great work; thank you! "

It's moments like this that make my job so worthwhile .

Happy Shane today .

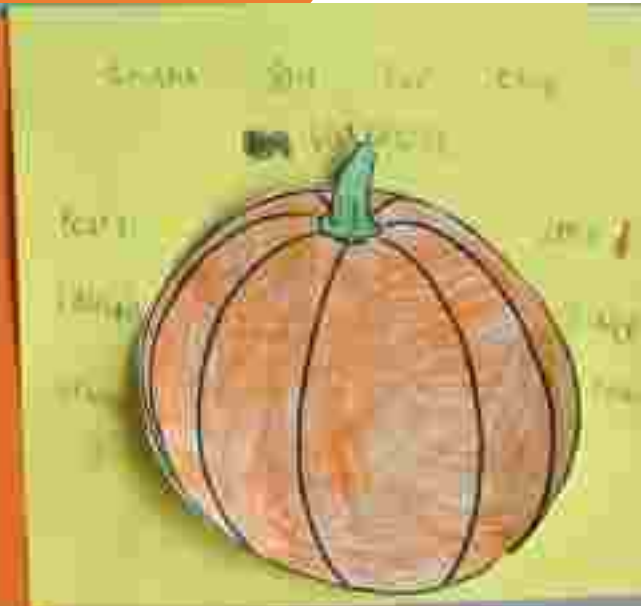

Feeding the community,

FEED UP 
WARM UP

bringing warmth to hearts

Award Winning Charity
EST. 2018

Year One wants to say thank you for our harvest.
Thank you too for the harvest gifts that are still coming in.

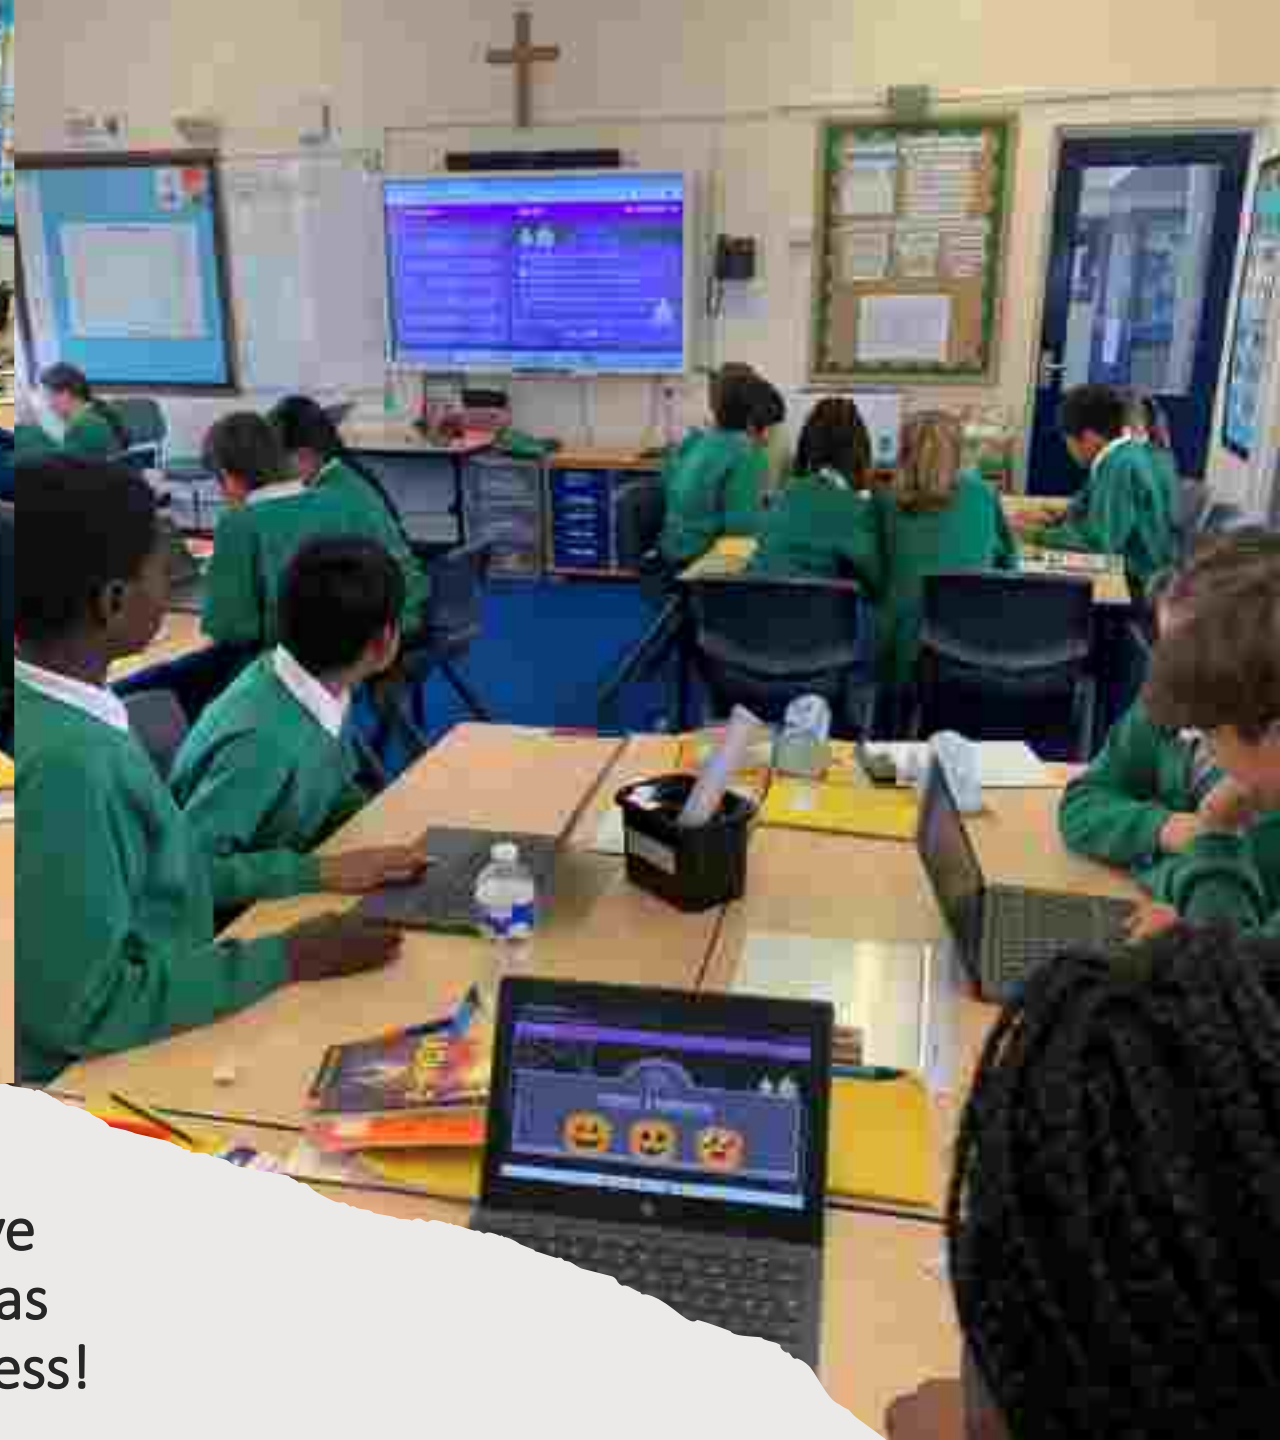

A little peep into the Nursery class. We continue to develop hand and eye coordination, as well as practising making comparisons 'more than', 'fewer than' and 'the same'.

Reception had fun investigating the outside area on Monday morning.

We made pumpkin pies, rainbow wands, K-nex and used pipettes for the development of our fine motor skills.

A great maths Bloket session in Y6SC
Testing our knowledge of all the things we have
covered so far this half term! Great accuracy has
been matched by the high level of competitiveness!

We were learning a new 'times tables' game in year 3 and then we were lucky enough to take one home so we can play with our friends and family - a great game to help with our times table recall.

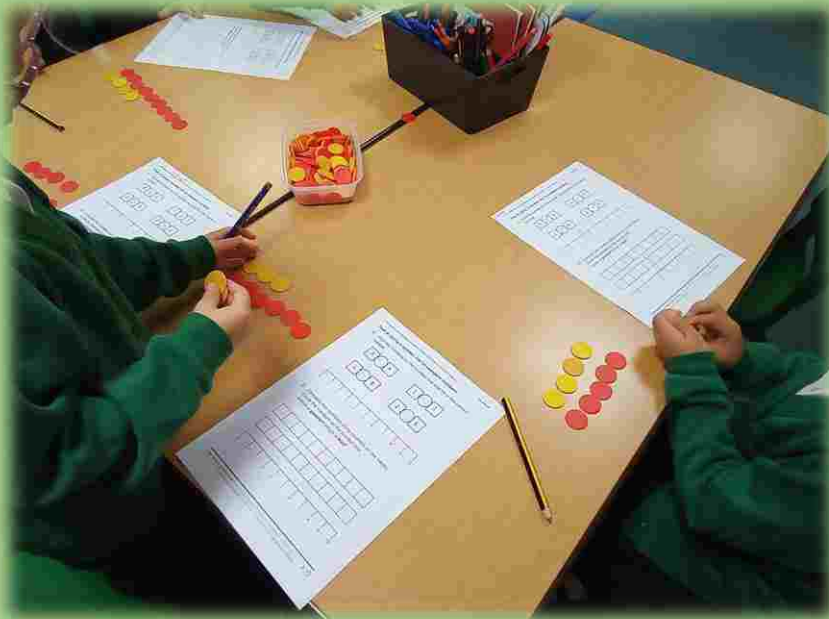

Reception classes
loved their trial
with a tennis
coach.
They took letters
home with them
about it.

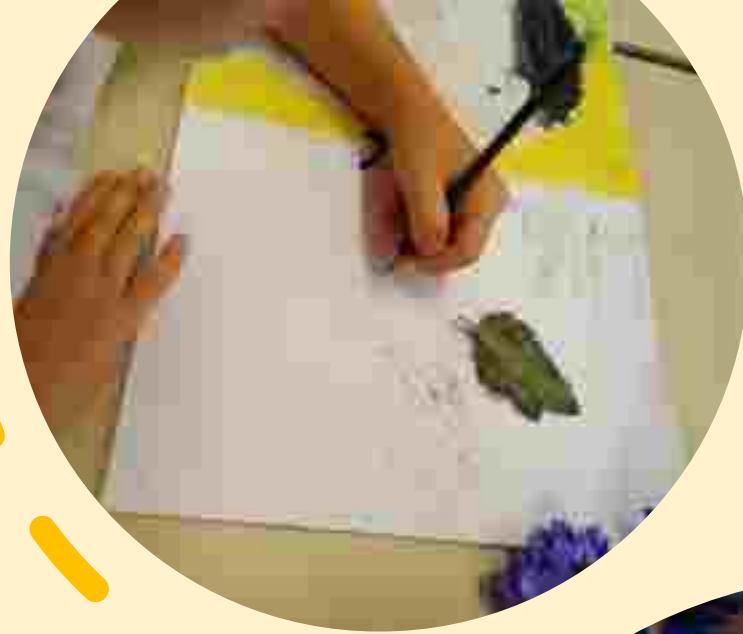

Year 1 also enjoyed learning tennis skills taught by an U10's tennis coach

Year 1 using lines of counters to help them work out the missing $<$, $>$ and $=$ symbols in maths.

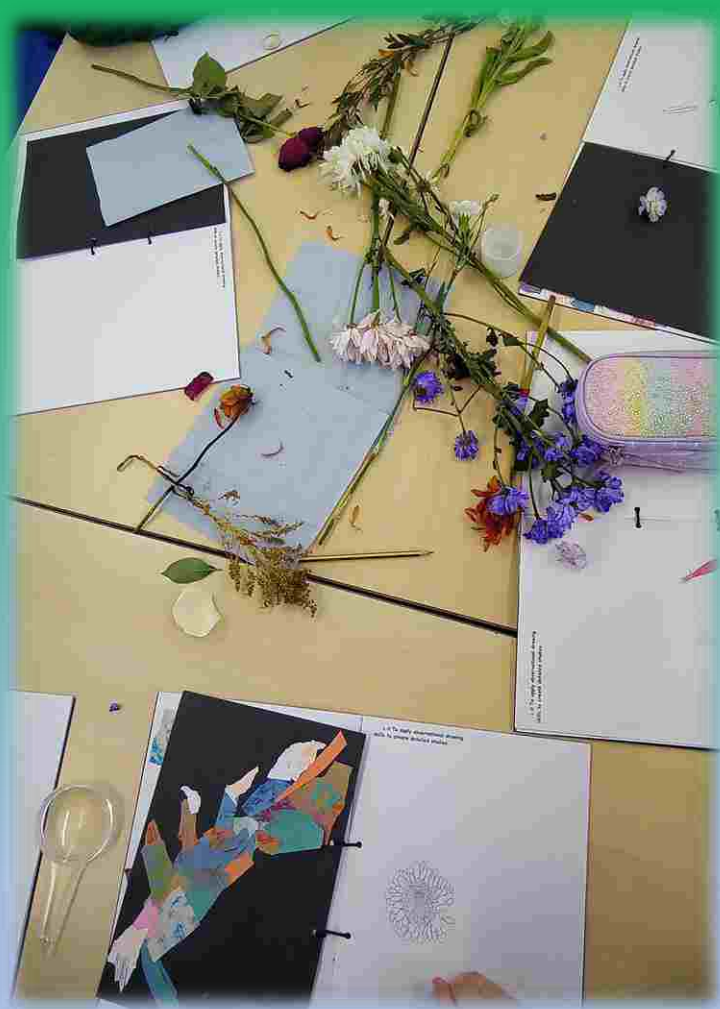

Year 3 have been having fun learning about Botanical drawings. We are practising our shading and shapes.

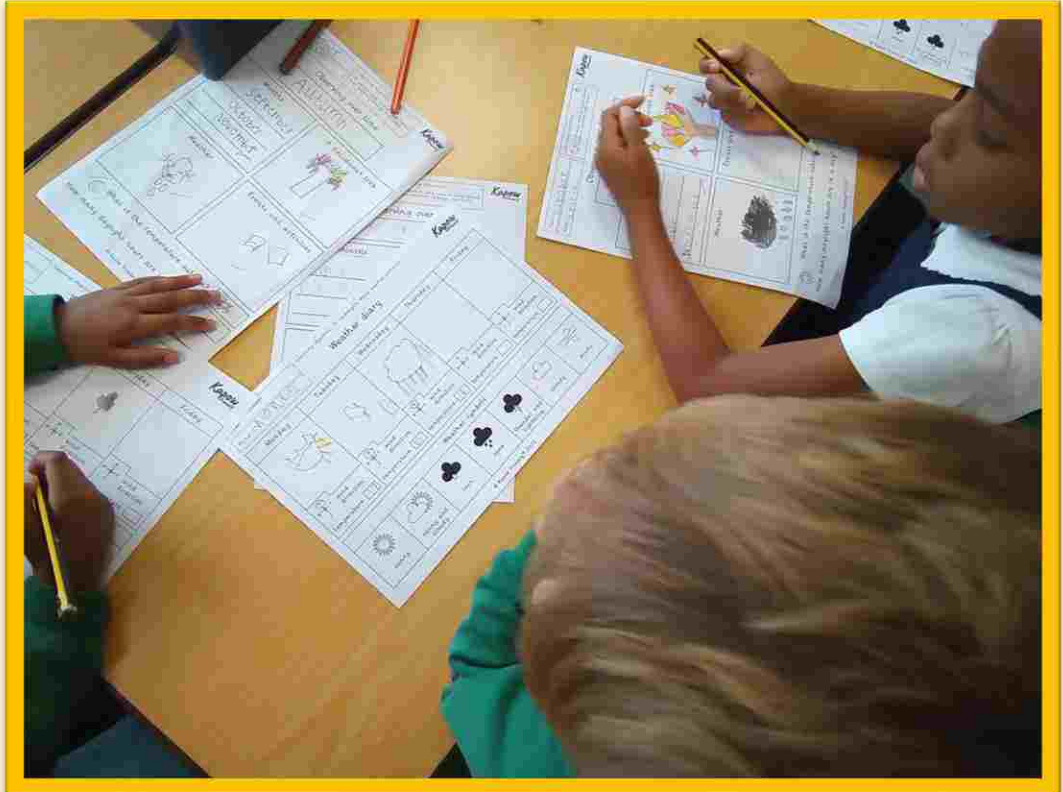

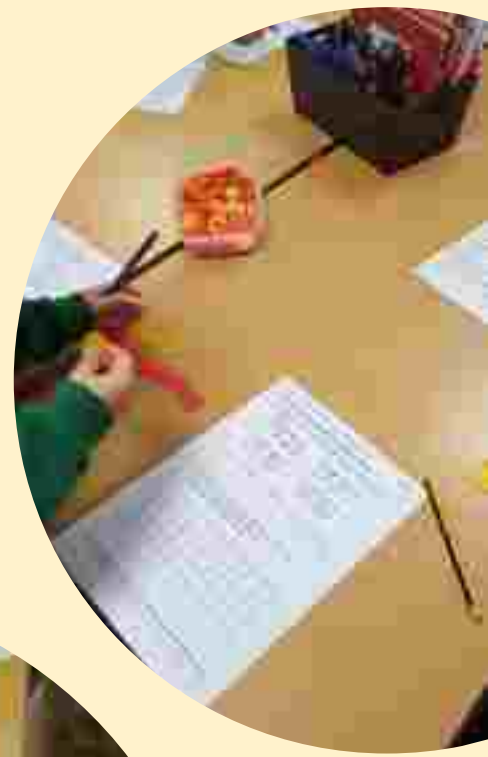

**How amazing are our Botanical drawings?
The flowers were old flowers that staff gave us so there
was no waste.
We also used some for our flower press so will keep you
updated on those.**

Year 1 weather trackers,
completing their weather
diaries and learning about
seasonal changes in
Geography and Science.

**Year 2 learnt
from Fr. Robert
what happens in
baptism .**

Wednesday wellie walk

The children in the Nursery class are continuing to explore God's Wonderful world. On day 3 God made the land and the seas, the plants and the trees. Autumn leaves are falling down...

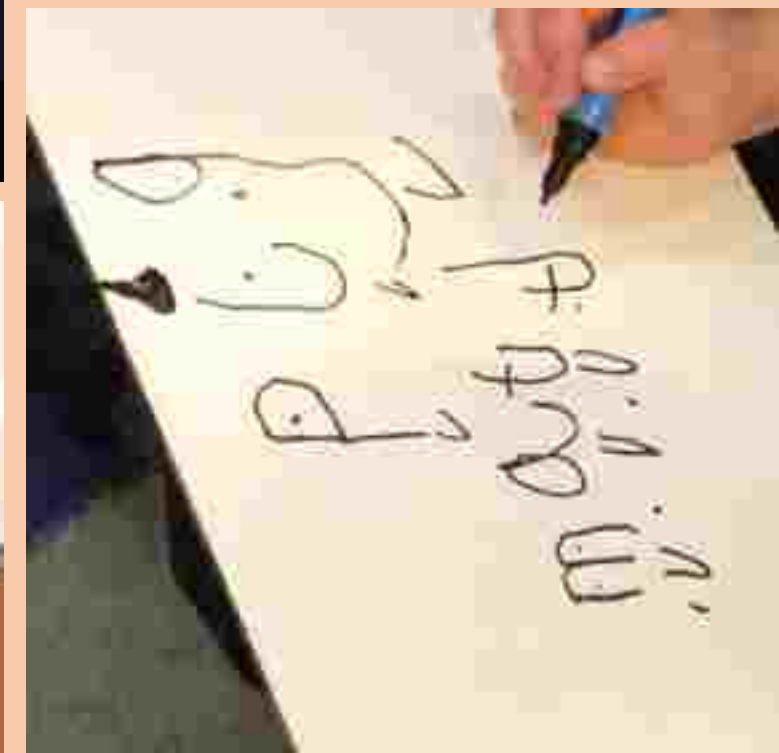

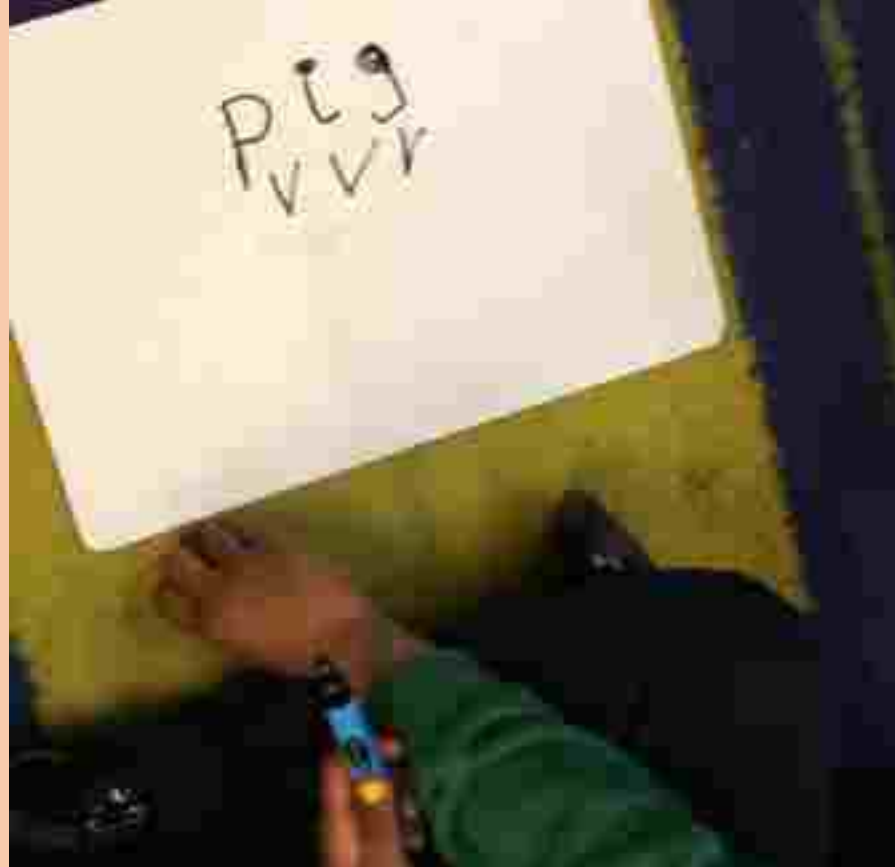

<https://x.com/i/status/1849107330580746525>

Year 5 Teresa in their Science workshop, finding the best conditions for growing yeast.

The children in Reception O'Connor have been working hard on their spelling and writing this week.

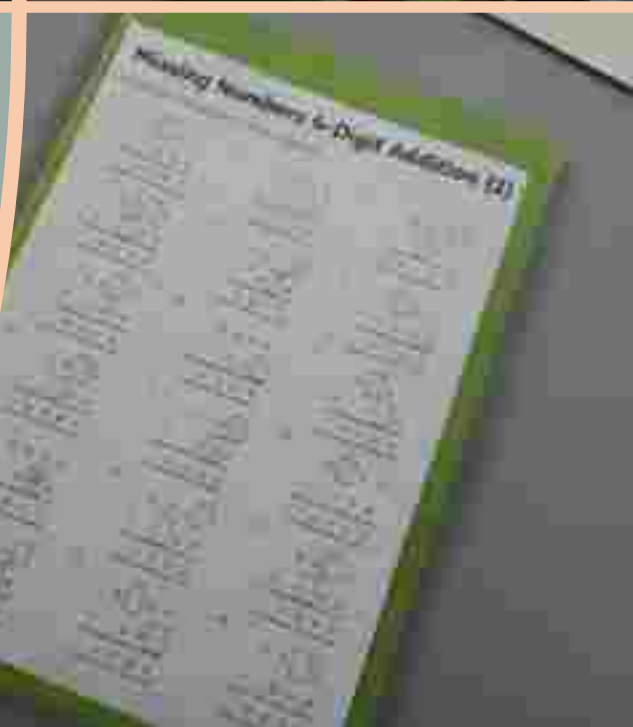

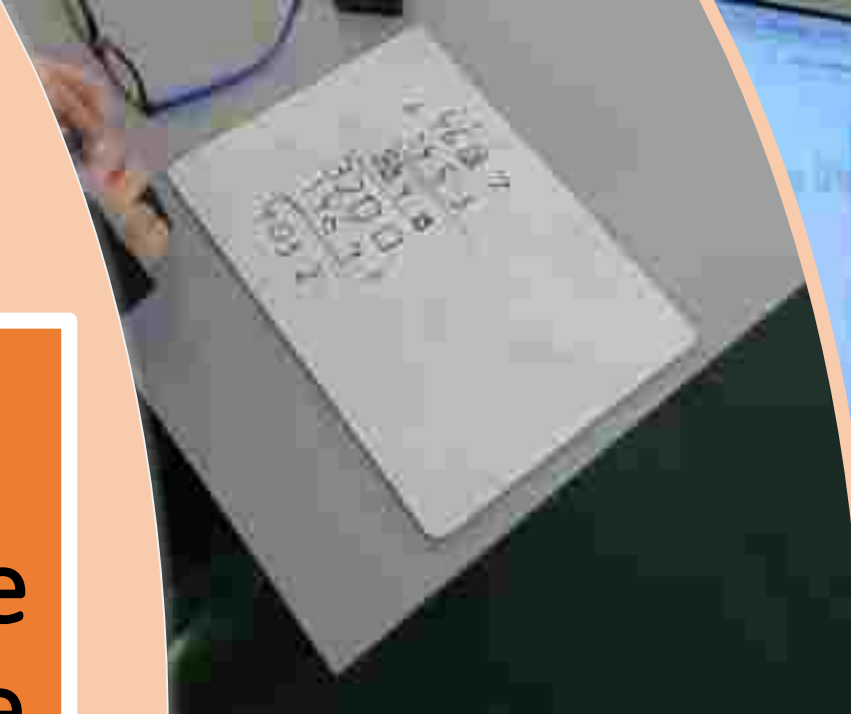

The Reception children have also enjoyed creating pictures using natural materials in school.

...and developing their fine motor skills in the outside area.

In Maths 4DA were using their knowledge of addition to find the missing numbers.

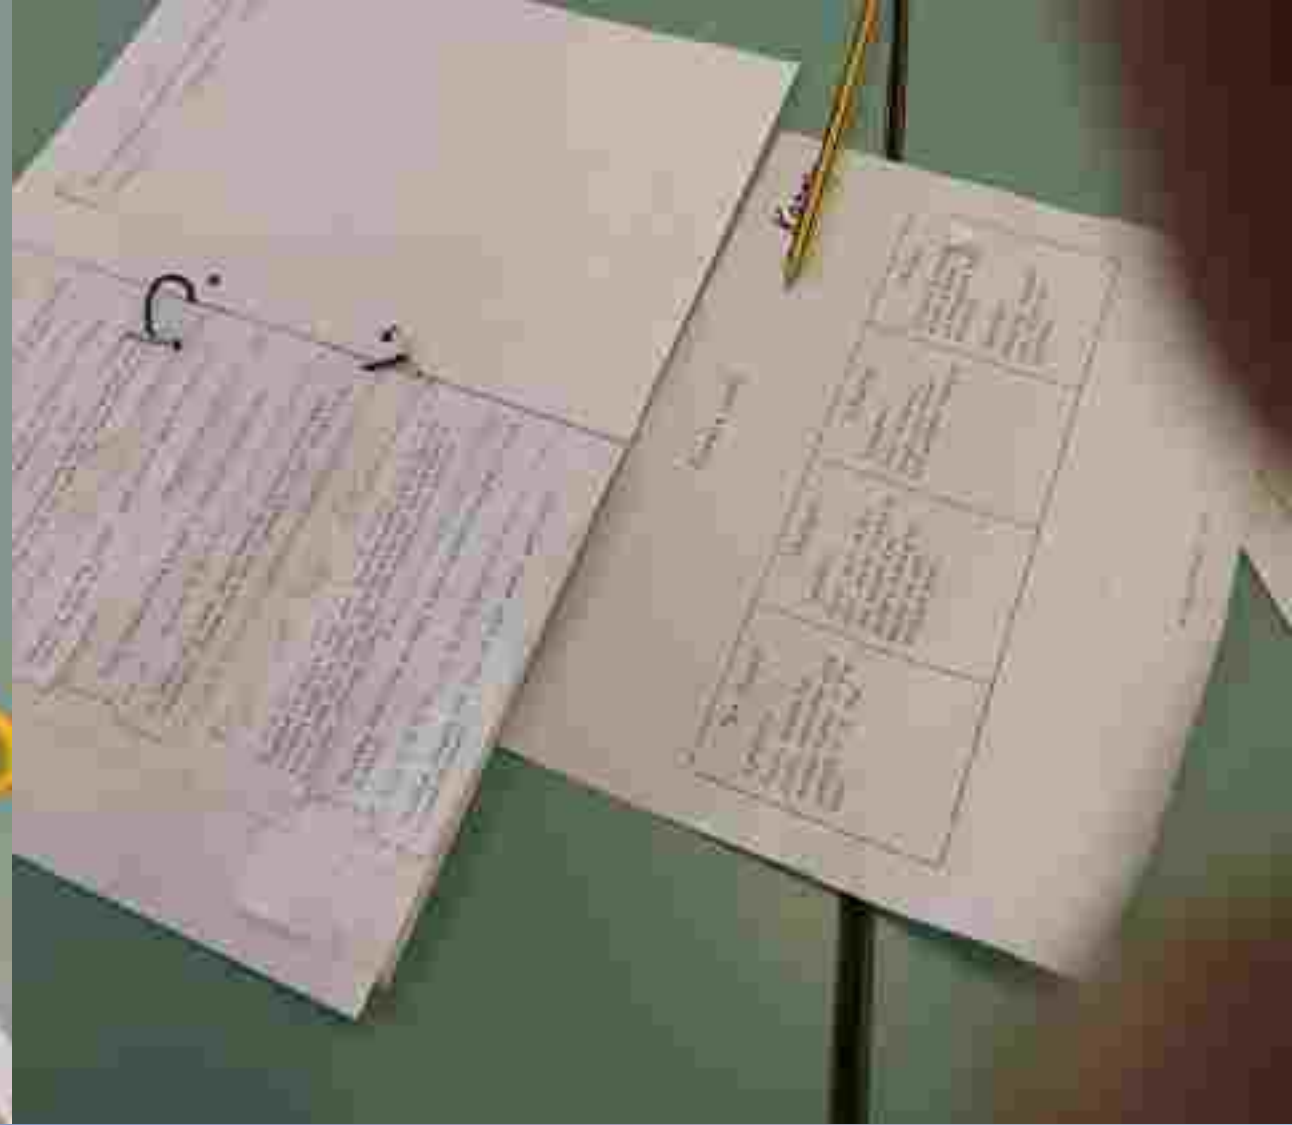

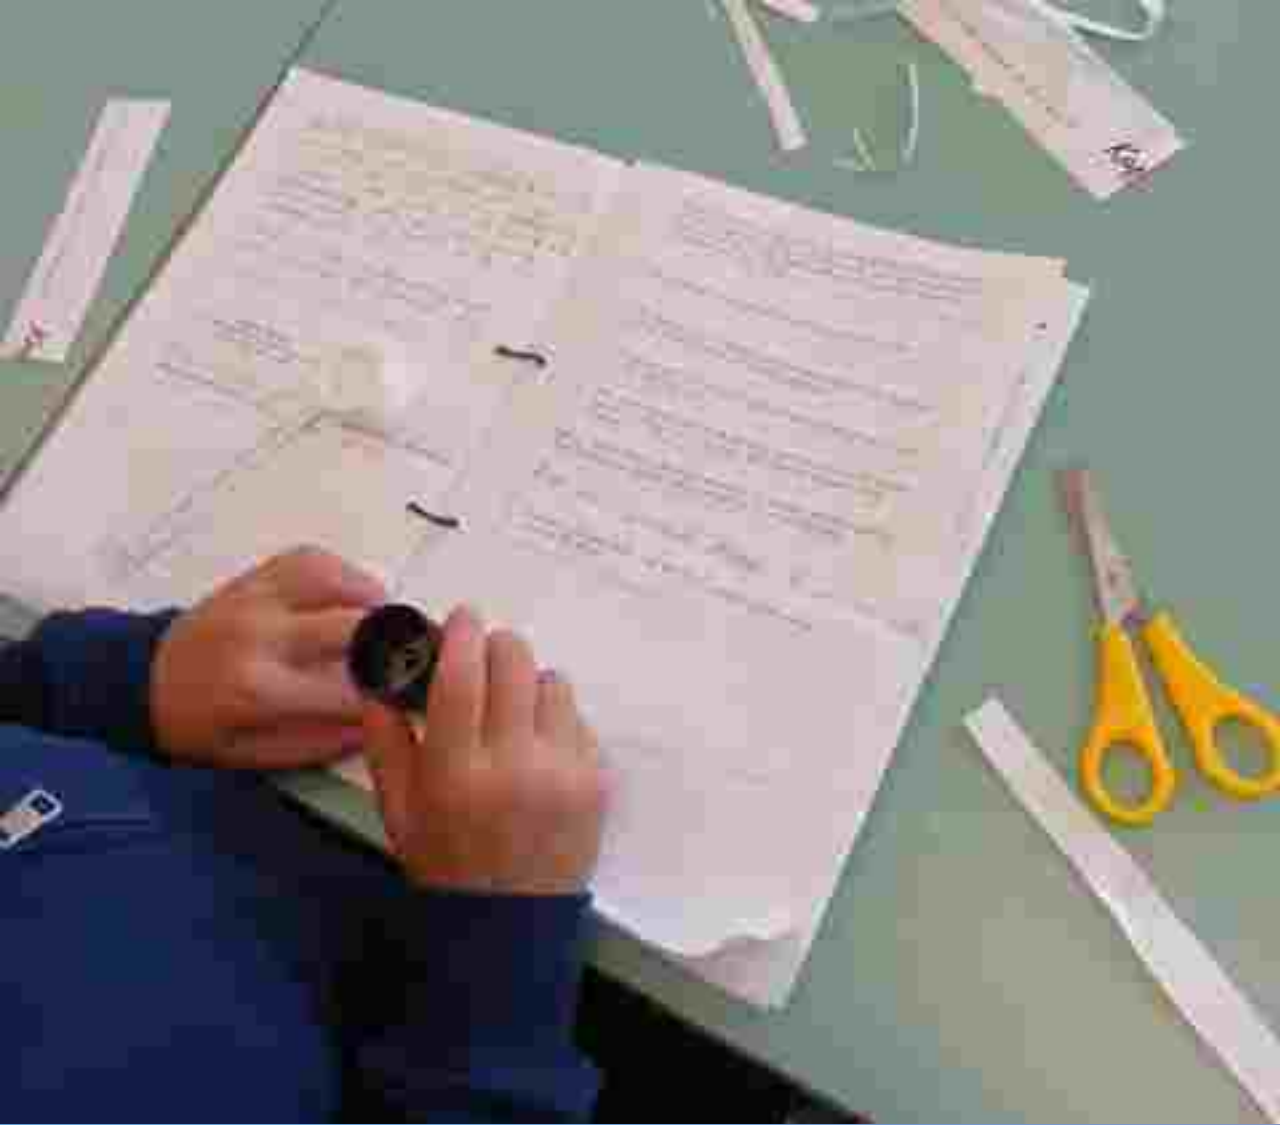

Year 2 thoroughly enjoyed their Victorian school experience. The children were a little surprised at who the teacher was and our headteacher made an appearance too!

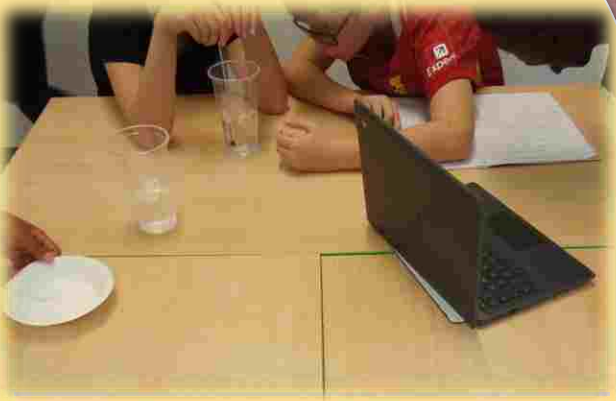

In Nursery

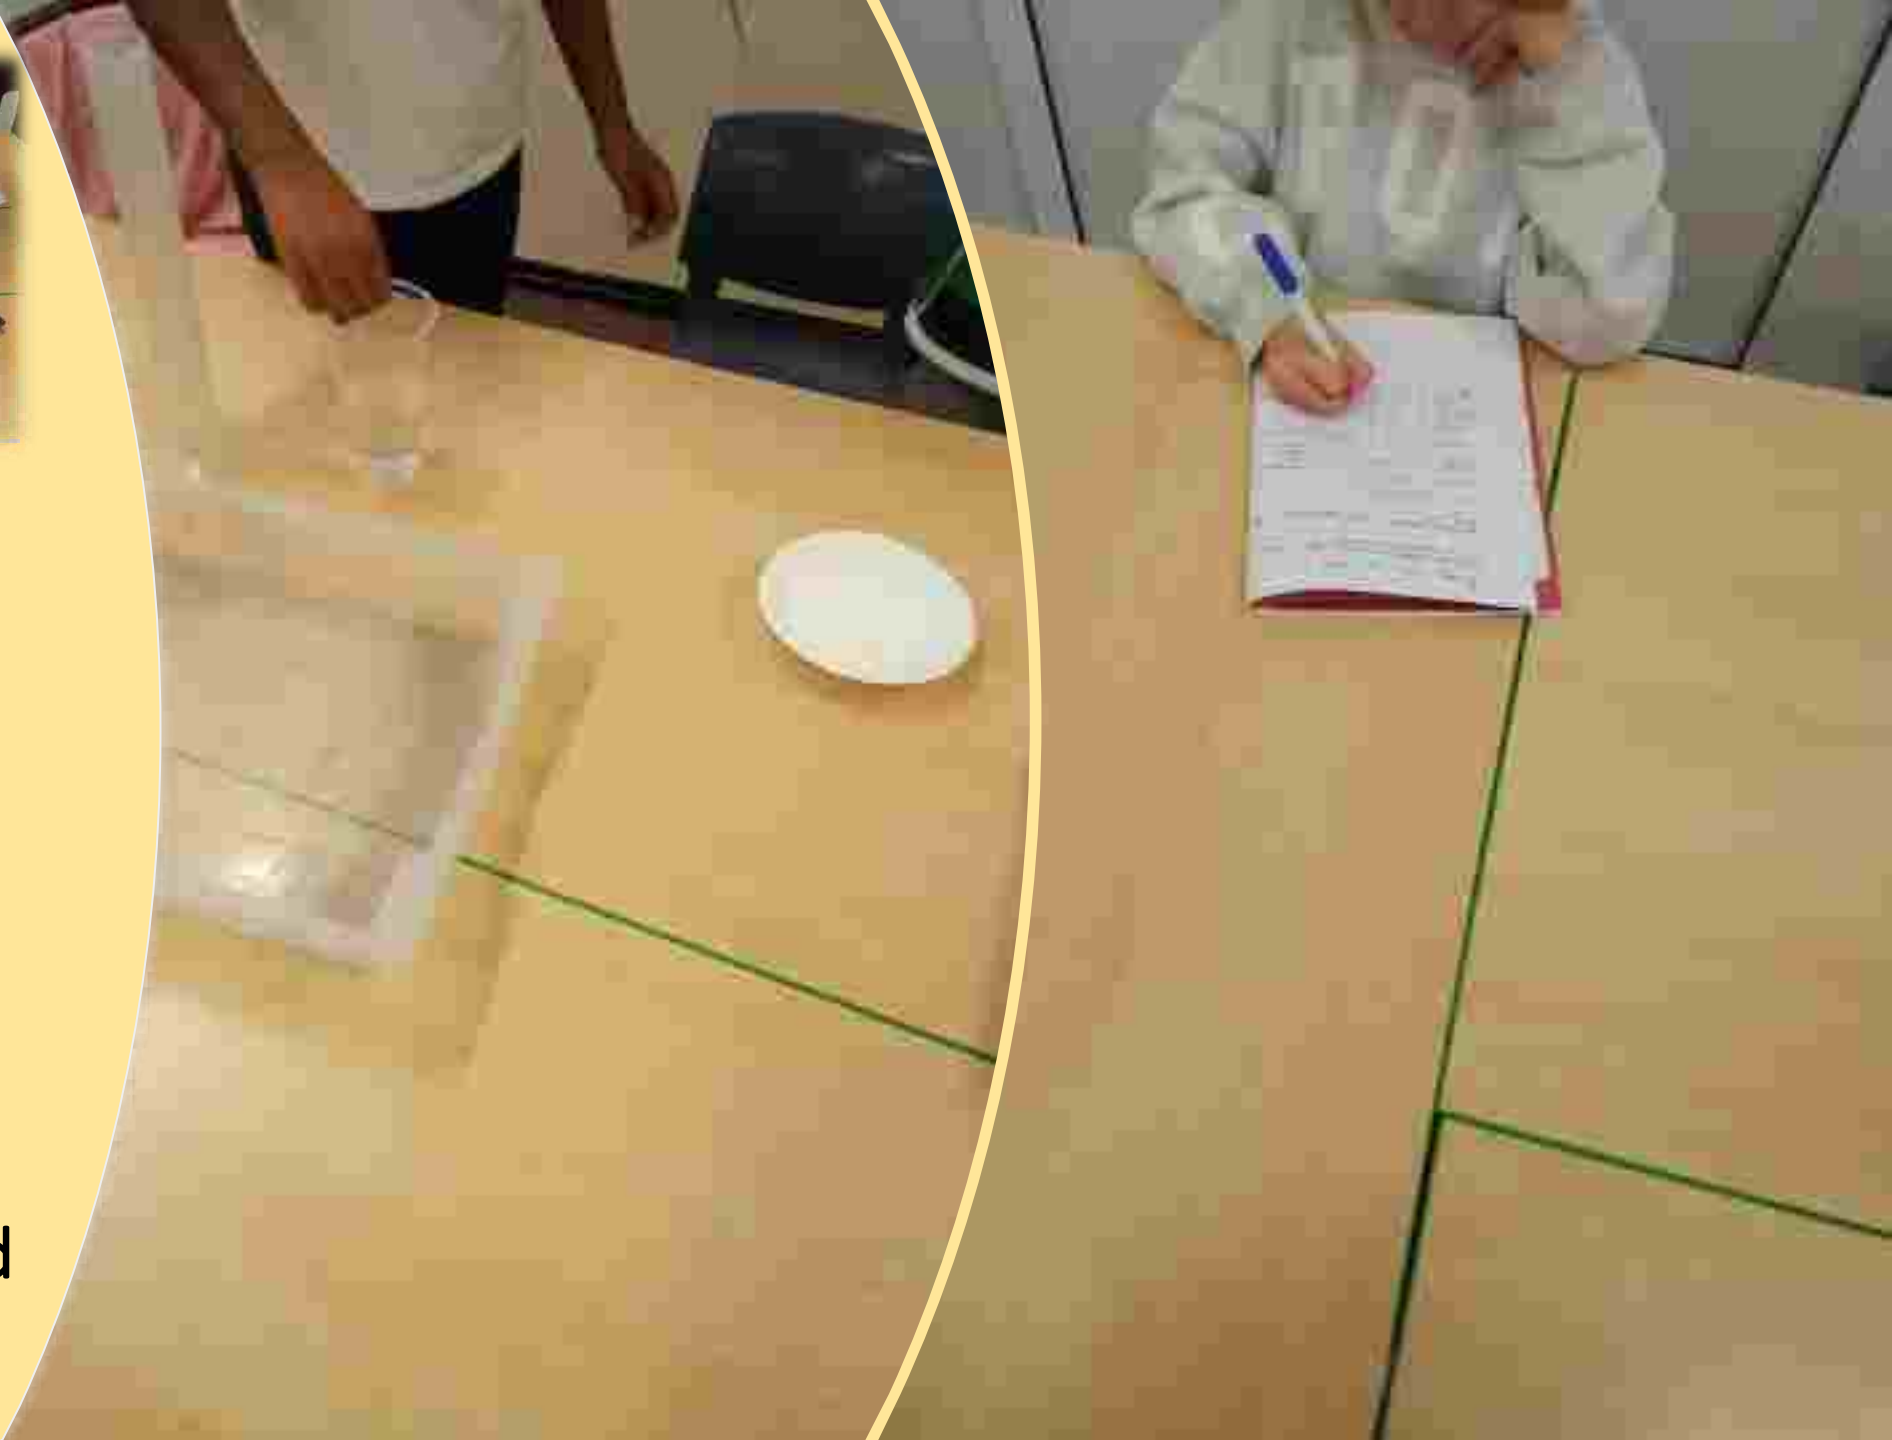

In History 4DA were learning about the diseases children caught and how they were treated in Tudor and Victorian times.

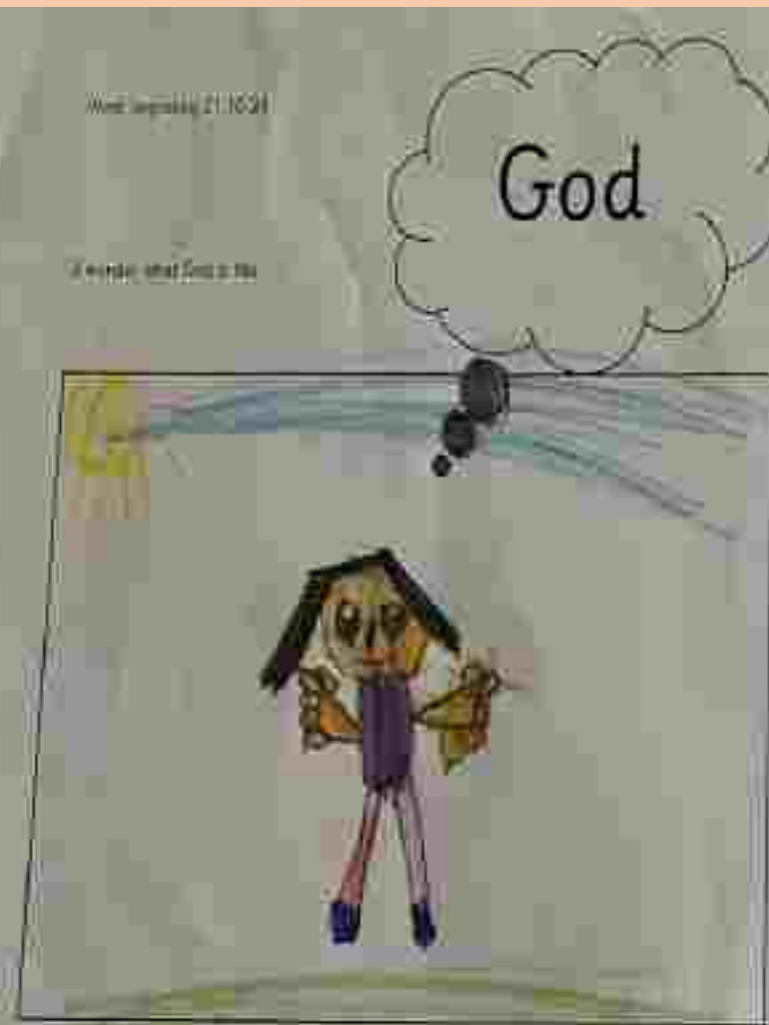

Year 5TB has been investigating whether the temperature of water affects the speed sugar dissolves in water. We looked at the variables we could control, change and measure.

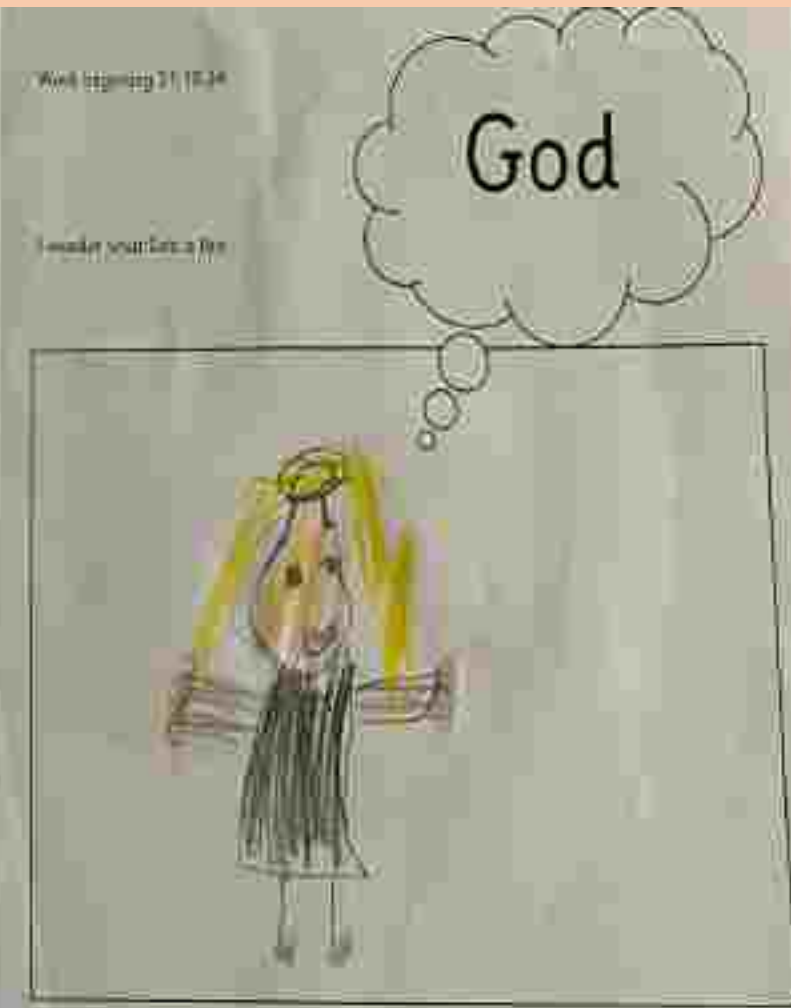

Year One have been sharing their thoughts and beliefs about God.

Such wonderful ideas!

We believe that God:

I believe God
made the world
I believe God loves us

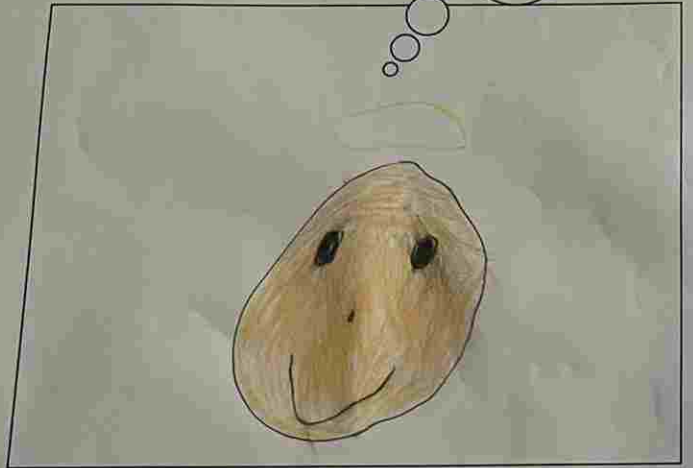

We believe that God:

I believe God
Made the world
I believe God loves us

God

I wonder what God is like.

God is for the good things. God is not bad. God is great. God!

We believe that God... made holy. God loves us. God father of the world. God is love. God is in heaven. He is good. God made the world. God sather of heaven. God is the good guy. God is the letter of the world. God is the best. God is God.

God love us.

God

I wonder what God is like.

We believe that God...

I believe God made us and he made the world.

God

I wonder what God is like.

We believe that God... I believe God made the world. I believe God made the wind.

God

I wonder what God is like.

We believe that God... I believe God loves us.

The Reception children enjoyed a lovely autumn walk on Friday afternoon. We found lots of colourful leaves, mushrooms, squirrels and berries.

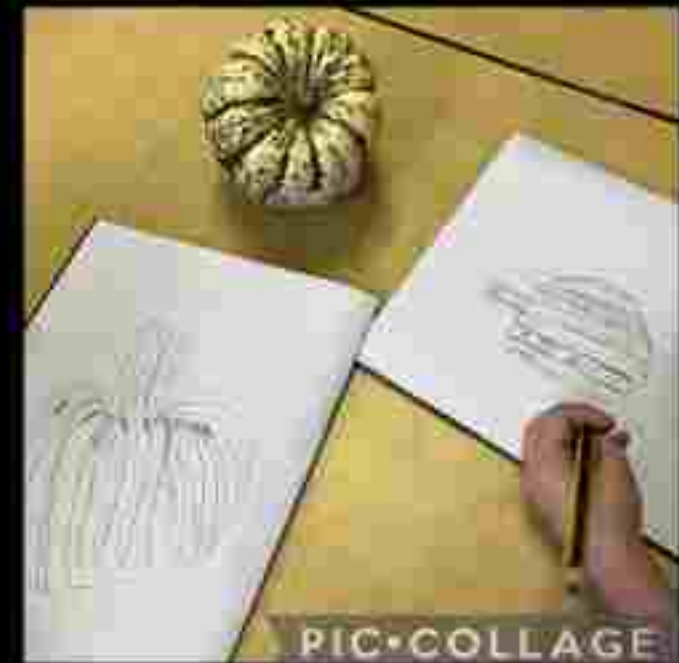

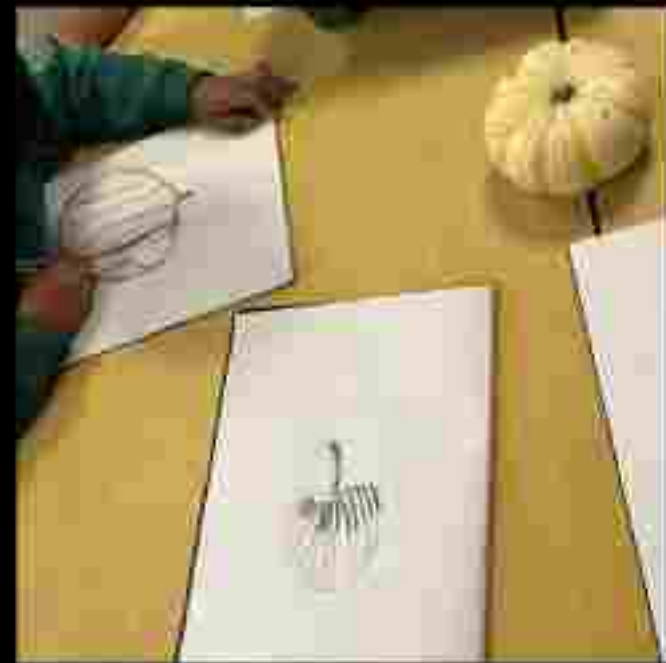

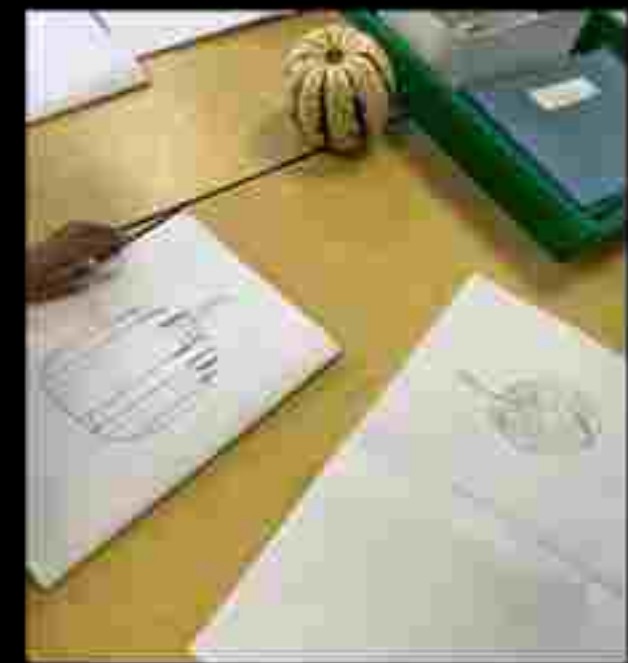

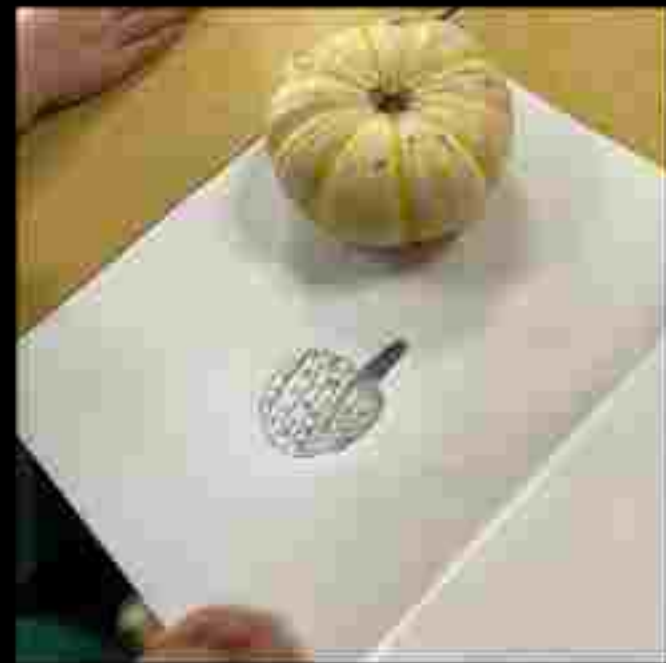

In DT 4DA we were making biscuits by adapting a recipe.

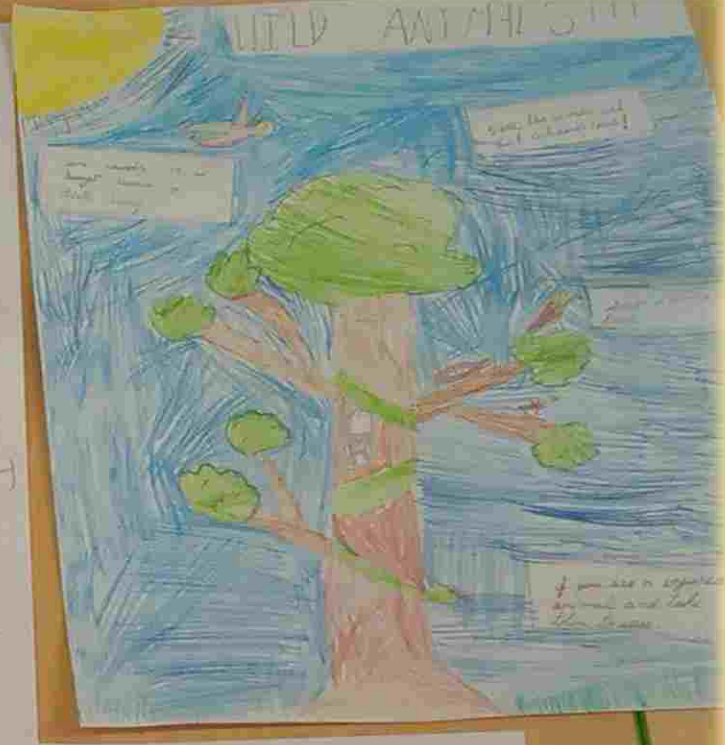

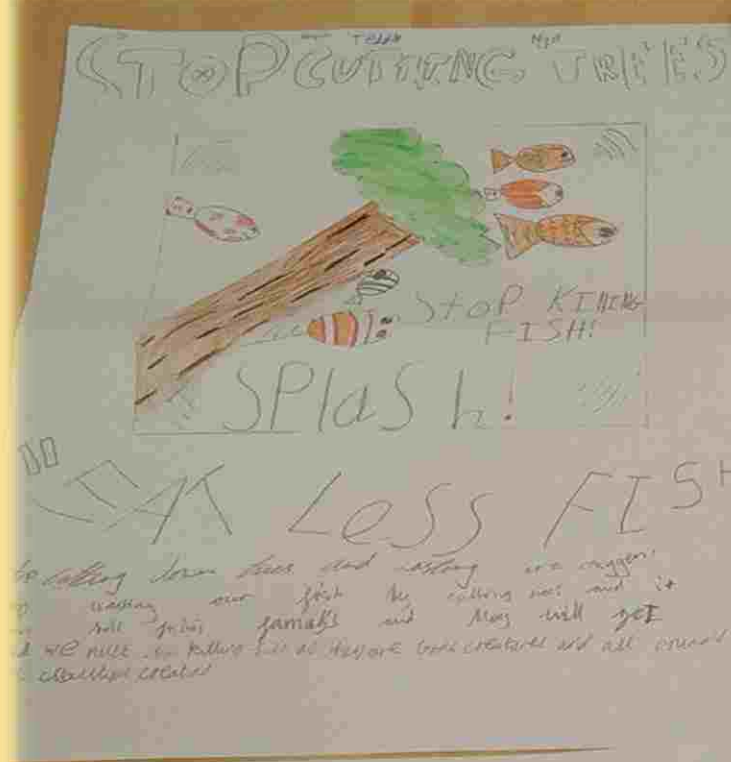

Happy and involved in the Nursery class - Big Draw and Child Initiated-Learning

Lovely autumn artwork in Year One:
line drawing, observational drawings,
shading and exploring colour.

Year 5 TB has made posters to present a piece of installation they have designed as a group. Each design conveyed a special message.

Please read and reflect together upon this week's gospel. The theme is **COURAGE**

"Be brave. Let us learn to face moments of difficulty with courage, certain that the Lord never fails to give his support." *Pope Francis*

As Jesus left Jericho with his disciples and a large crowd, there was a blind man, called Bartimaeus, sitting at the roadside begging. When Bartimaeus heard that it was Jesus who was walking by, he began to shout, "Jesus, Son of David, have pity on me! Help me!" Some of the people in the crowd told him to be quiet, but he began to shout louder until Jesus heard him. Then Jesus stopped and said, "Call him here." So they said to the blind man, "Have courage! Get up! Jesus is calling you." The man threw off his cloak, jumped up and went to Jesus. Then Jesus said, "What do you want me to do for you?" The blind man said, "Master, let me see again." Then Jesus said to him, "Go! Your faith has saved you." And at once the man's sight returned and he followed Jesus along the road.

"To have courage for whatever comes in life - everything lies in that." *St Teresa of Avila*

Taken from the Gospel of Sunday 27th October Cf. Mark 10:46-52 (30th Sunday in Ordinary Time)

Dear Lord Jesus, please give us the **courage** always to do and say what is right and to remember that we can always put our faith in you. Amen.
