

PUPIL POST

24th November 2024
The feast of Christ the King

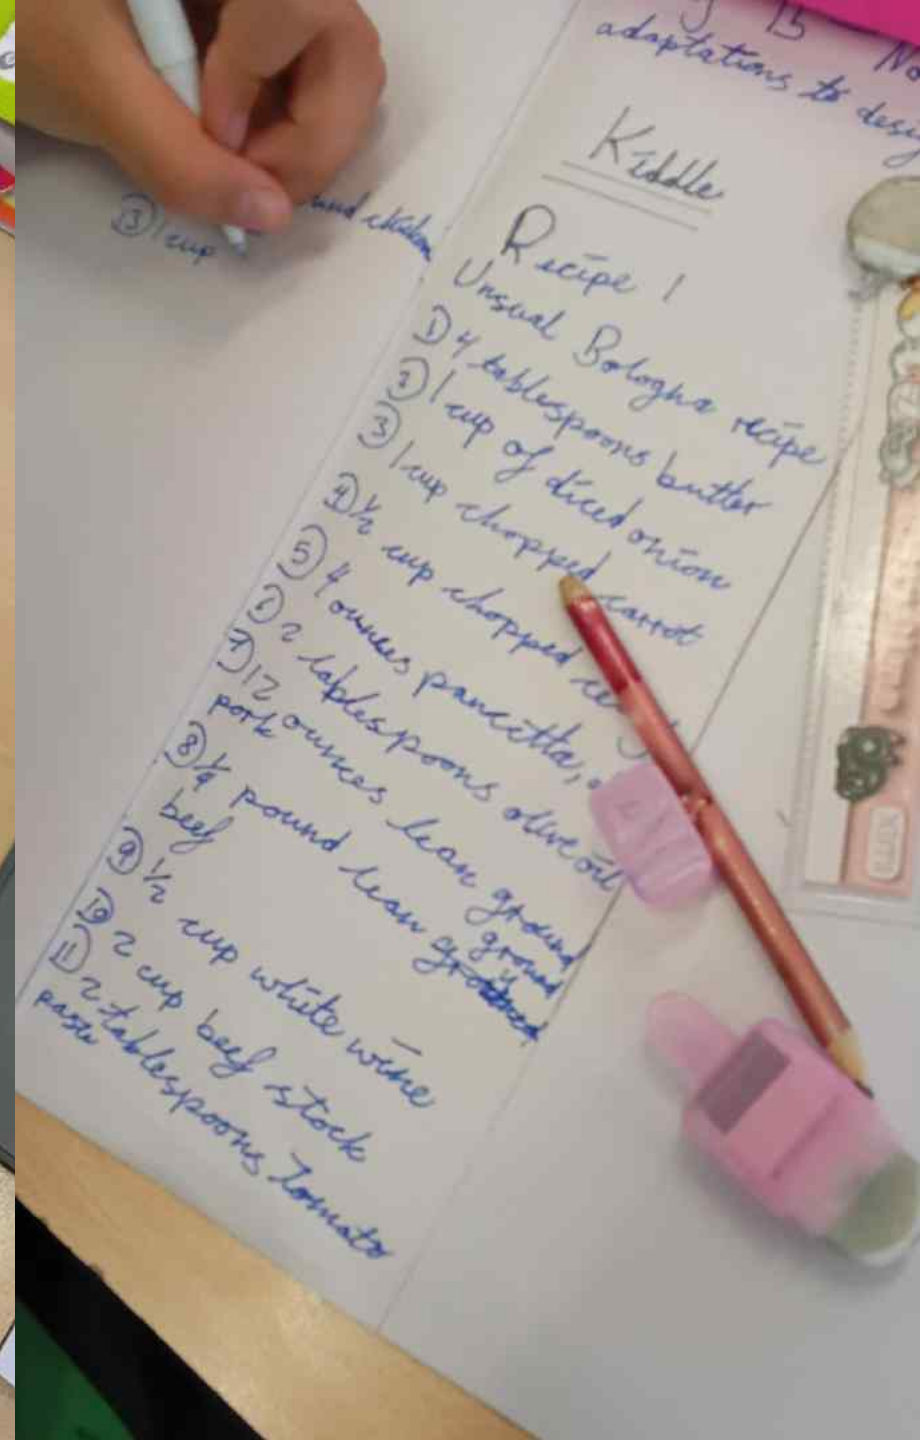

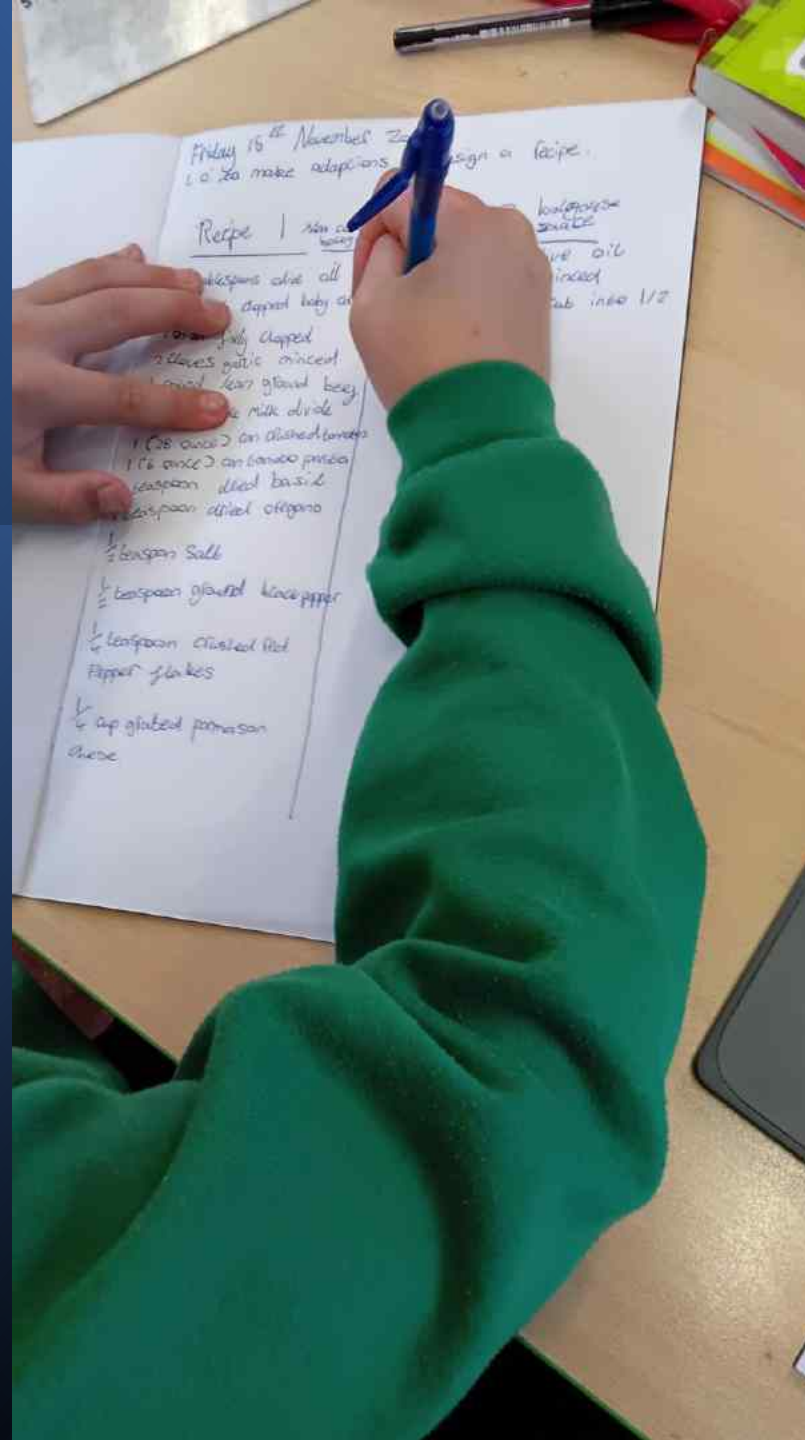

Mozart Reception had a busy day on Monday, exploring the Numberblock 5, practising our cutting skills and also enjoying our new role play corner which is a 'classroom.'

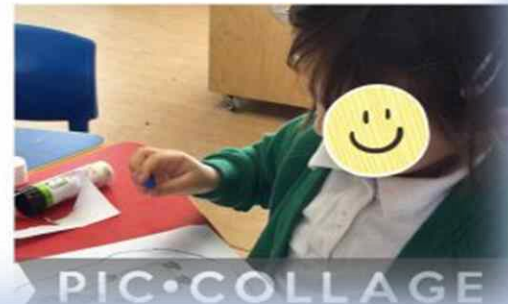

Reception had so much fun becoming pirates, building ships, making treasure maps, fishing and investigating floating and sinking.

Year Five Teresa researched unusual bolognese recipes in their DT lesson before adapting and creating their own.

The children in the Nursery are hearing about a very important message.
(Luke 1:26-28)

They are playing with what they know, making links, involved and enjoying what they set out to do.

Members of our School Parliament Team attended the School Parliament meeting with the Mayor at the Council Chambers on Tuesday.

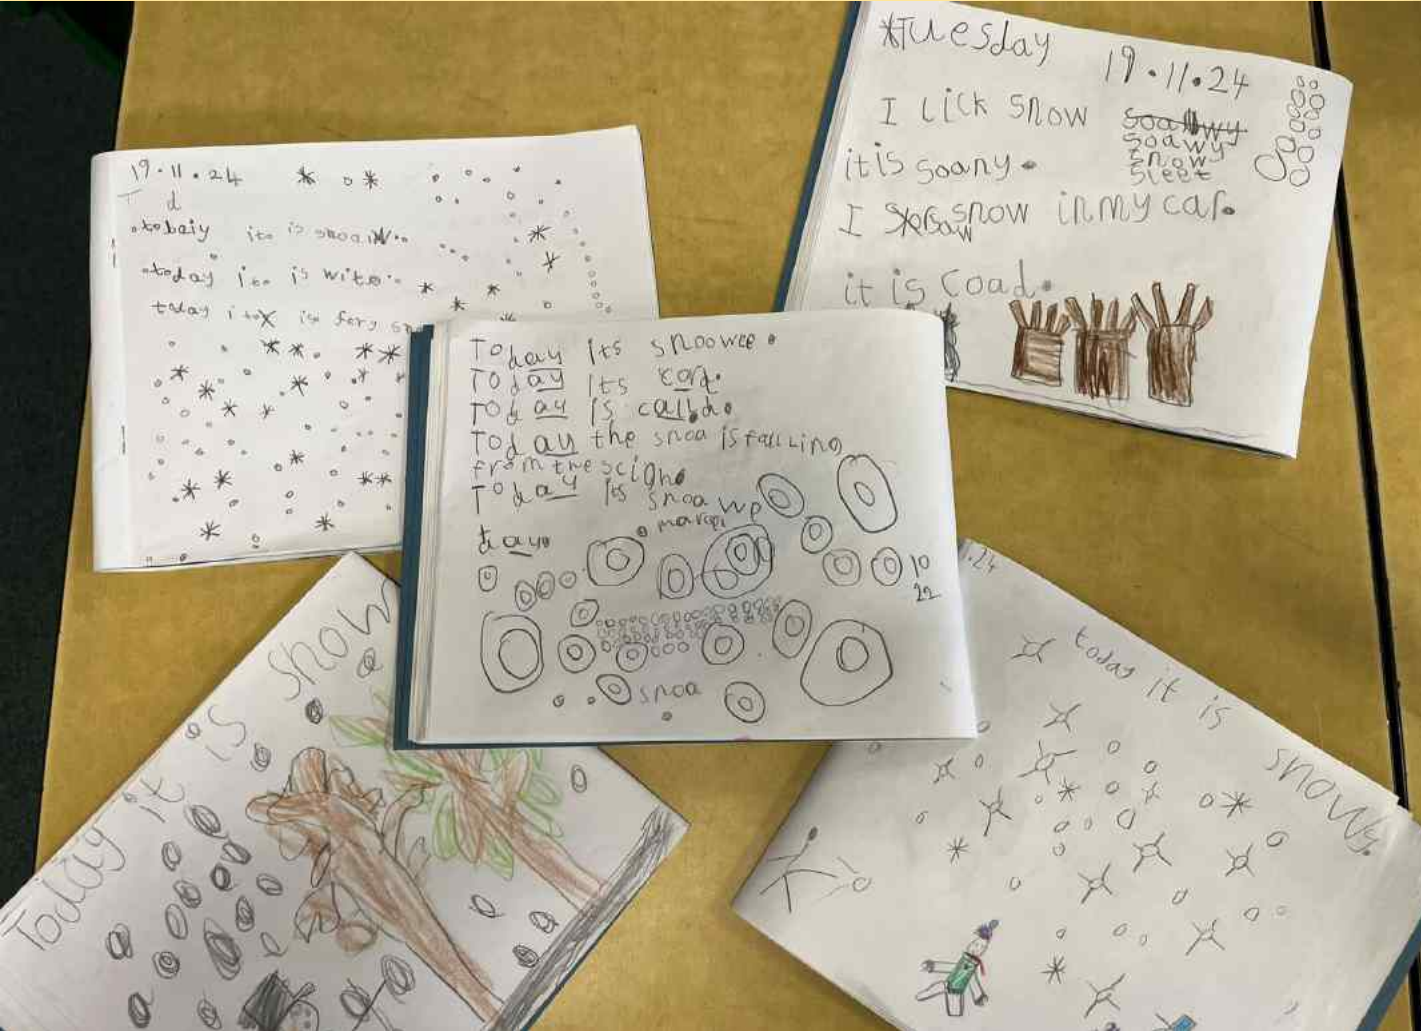

In Science, 4DA were constructing electrical circuits to see how they worked.

Year 4DA were using charcoal to create 3-d effects.

The year 1 children were very excited to see the snow and they wrote about it in their morning books.

Wednesday Wellie Walk.

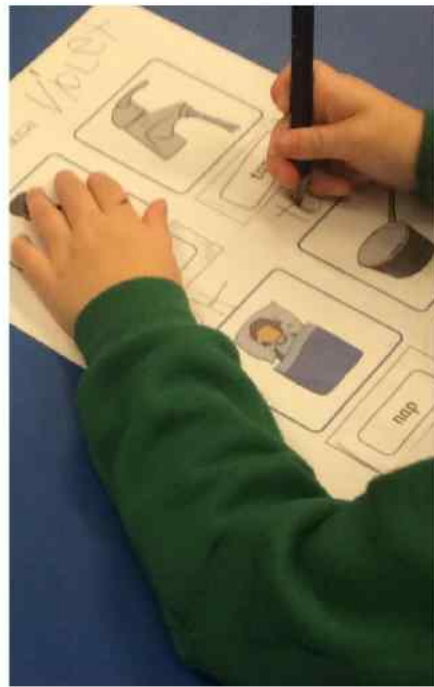

“Look we can see the moon! I see the moon and the moon sees me, God bless the moon, and God bless me!”

The Reception children have been exploring ways of making 5 this week.

The children in Reception have been busy learning about inventors and engineers. They have been proud to work as a team to design and build together.

Year 6 conducting an experiment about shadows. We are investigating what happens to the size of the shadow when the object is at different distances from a screen.

Puzzle Play

Showing a high level of involvement 😊

The children have been involved and busy this week in the Nursery.

Reception Mozart
enjoyed an
afternoon of
Science
experiments.
We tried colour
mixing with
coloured water,
a skittles rainbow,
a volcano and we
explored magnets!

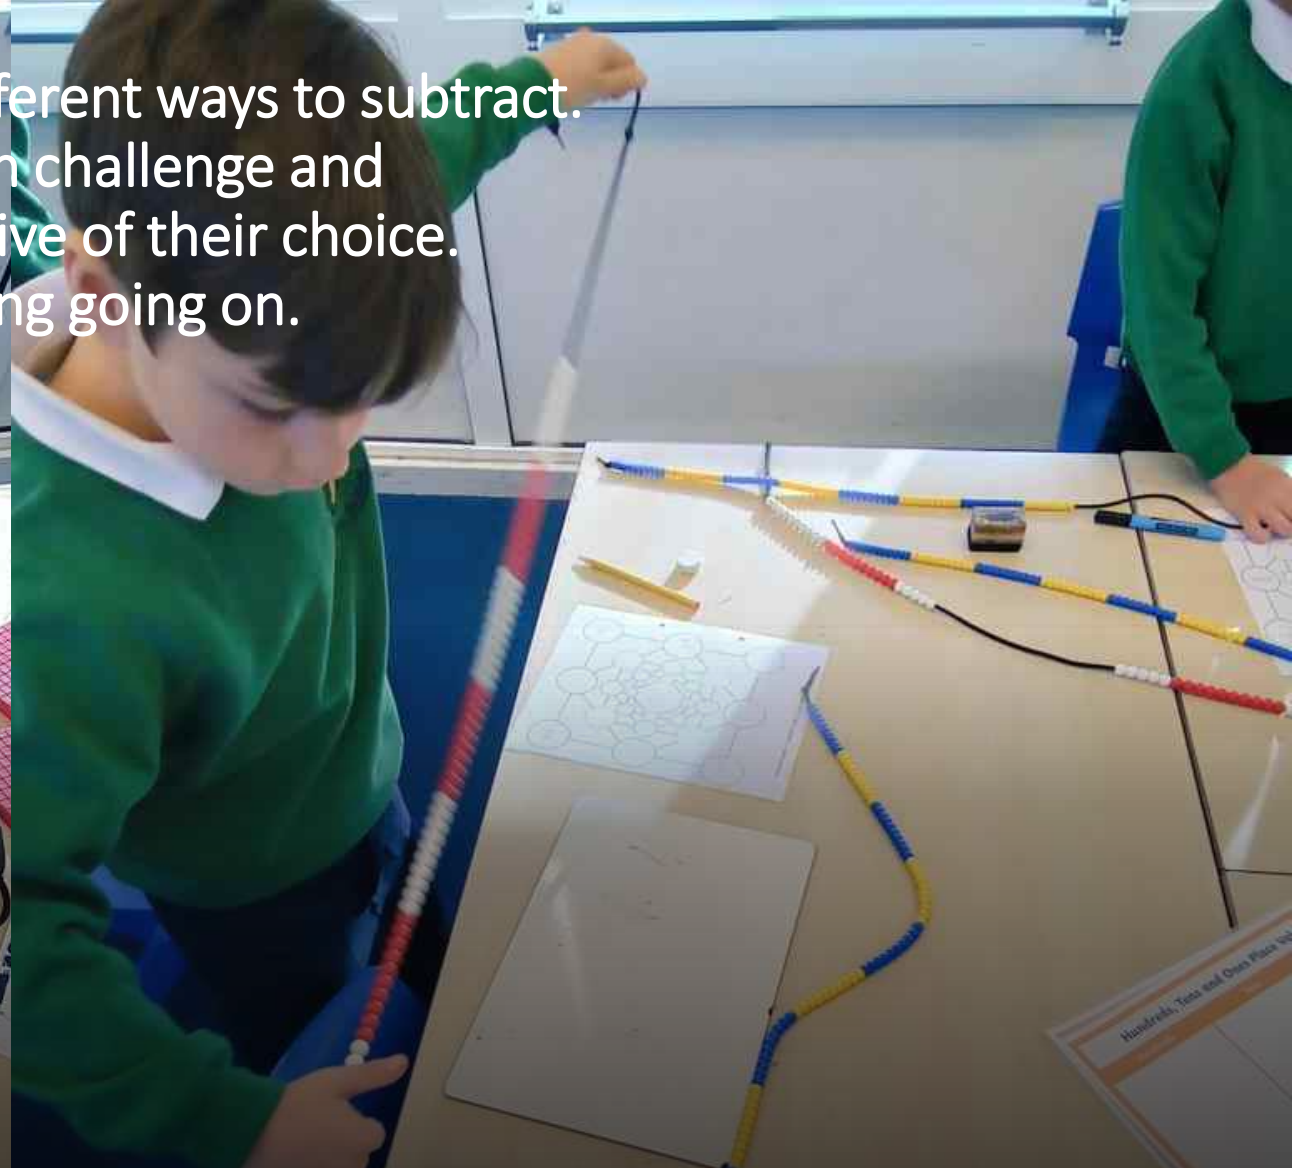

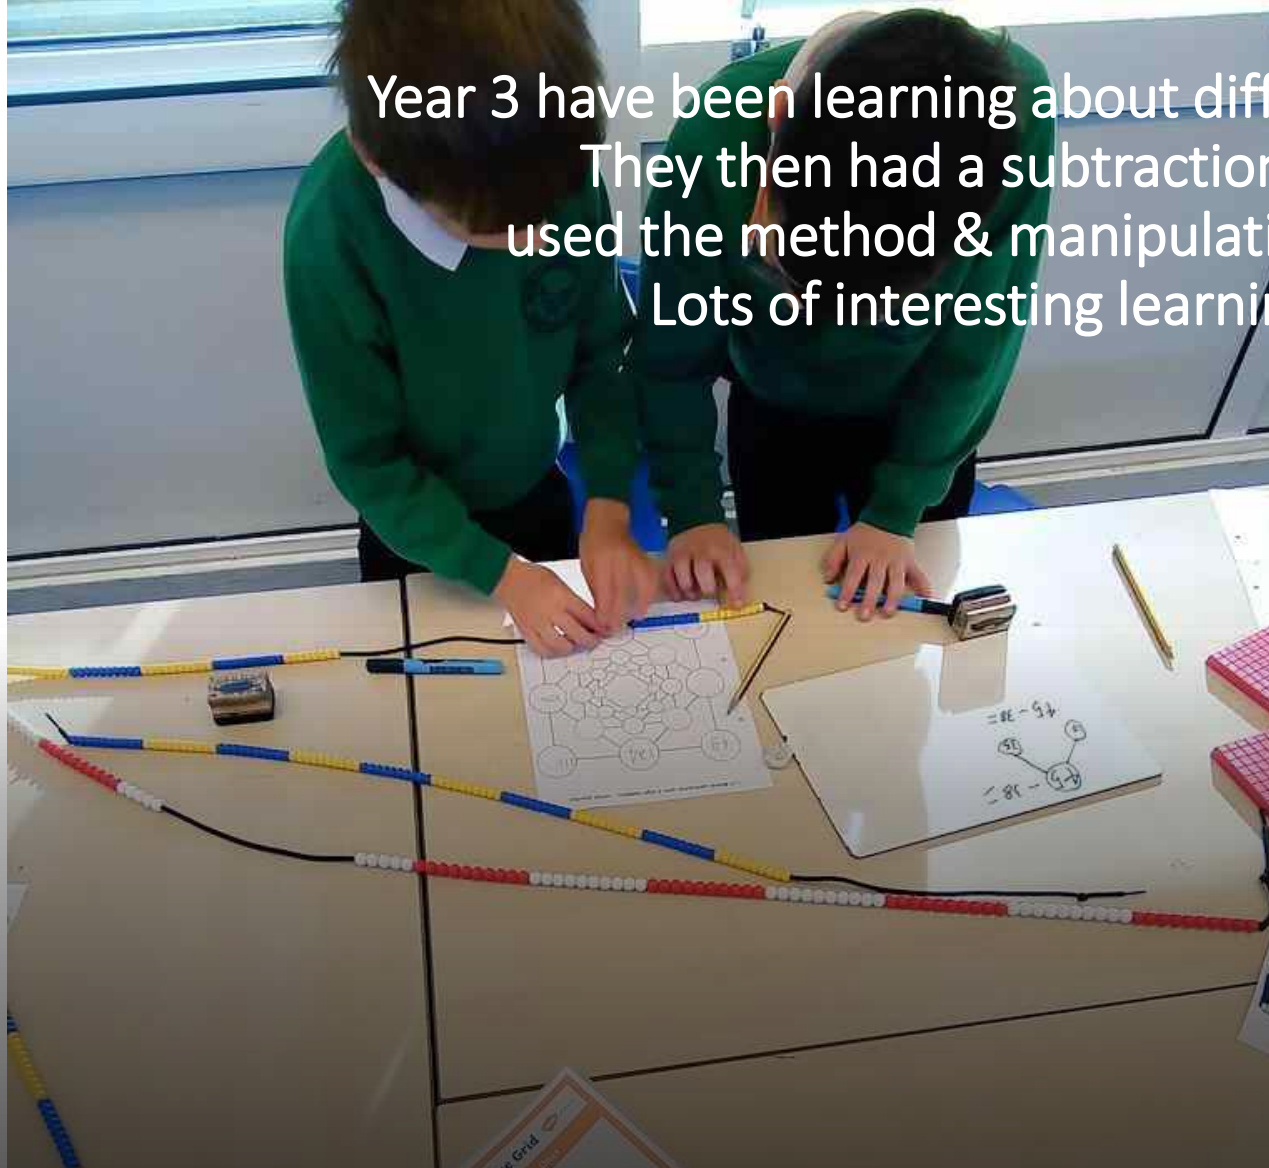

The children in Reception O'Connor had great fun being scientists like Jabari, the main character in our class story. They explored magnets, ice and colour mixing. We even made a volcano!

Year 3 have looked at lots of different artwork of The Annunciation and looked at different symbols and their meanings. They then painted their own thinking about what symbols they wanted to include.

Year 3 have been learning about different ways to subtract.
They then had a subtraction challenge and
used the method & manipulative of their choice.
Lots of interesting learning going on.

Year 1 enjoying the precious and exciting books in our library.
So many choices!

Year 1
have been
kind,
and helped

the cold
weather.
What a
great team!

A huge
thank you

to everyone that came
and purchased items
from the book fair!

A grand total of
£983.50

was spent - a record breaking sum!

This means the school will
receive just short of

£500

in rewards that can be used to
purchase some amazing books
to add to our libraries!

**THANK
YOU**

A Word from
Pope Francis

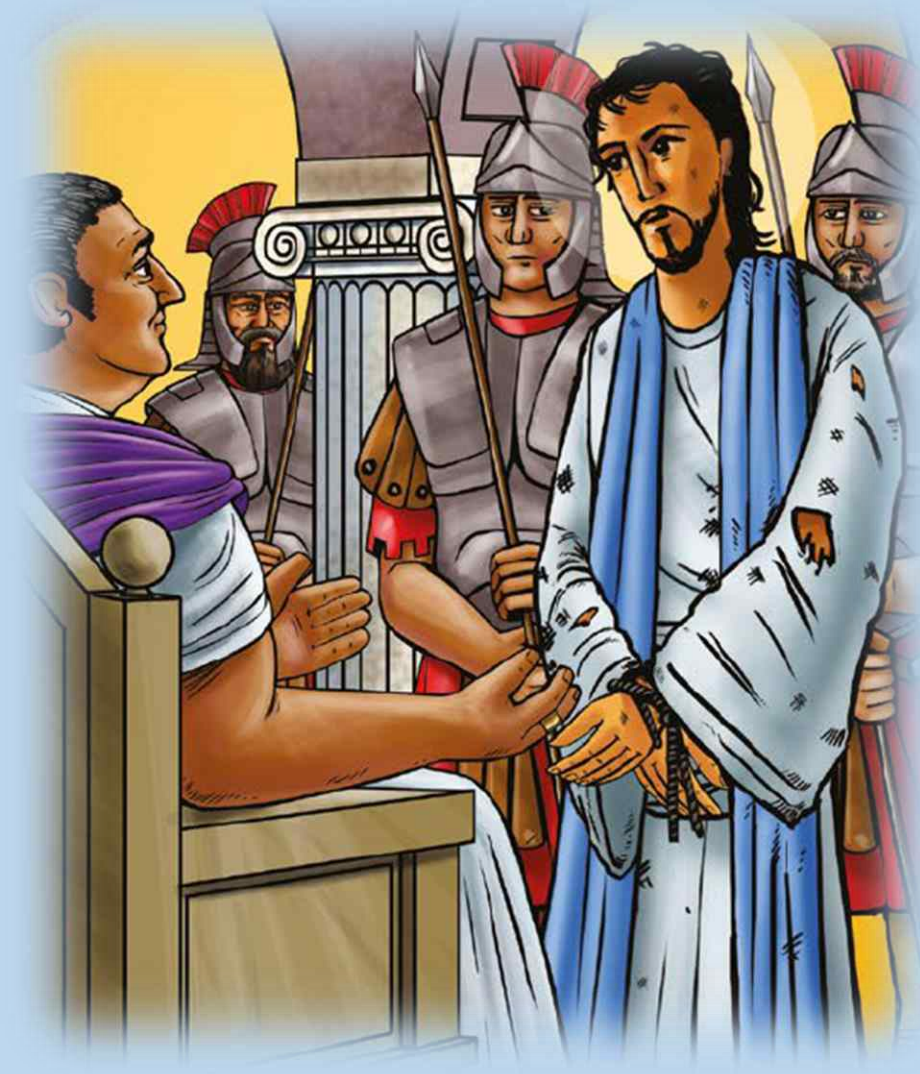

"Jesus leads us to go out from ourselves more and more, to give ourselves and to serve others, leading us on our journey towards eternal life."

At Jesus' trial, Pilate called Jesus and asked him, "Are you the king of the Jews?" Jesus replied, "Do you ask this of your own accord, or have others spoken to you about me?" Pilate answered, "Am I a Jew? It is your own people and the chief priests who have handed you over to me: what have you done?" Jesus replied, "Mine is not a kingdom of this world; if my kingdom were of this world, my followers would have fought to prevent my being handed over. But my kingdom is not of this kind." "So you are a king then?" said Pilate. "It is you who say it," answered Jesus. "Yes, I am a king. I was born for this; I came into the world for this: to bear witness to the truth; and all who are on the side of truth listen to my voice."
