how to join materials
together!
These important skills
will help them create
some amazing

Please read and reflect together upon this week's gospel.

The theme is **ACTION**

"We must live the faith, not only with our words, but with our actions." Pope Francis

Jesus told a parable to his disciples. "Why do you observe the splinter in your friend's eye and never notice the plank in your own eye? How can you say to your friend, 'Friend, let me take out the splinter that is in your eye,' when you cannot see the plank in your own eye? You hypocrite! Take the plank out of your own eye first, and then you will see clearly enough to take out the splinter that is in your friend's eye. A good tree cannot produce bad fruit, and a bad tree cannot produce good fruit. You can tell what a tree is like by the fruit it produces. You cannot pick figs or grapes from brambles. A good person does good things out of the good stored up in their heart; a bad person does bad things out of the badness in their heart. Your words show what is in your heart.

From the Gospel of Sunday 2nd March 2025 Cf. Luke 6:39-45 (the 8th Sunday in Ord Time, Year C)

"Actions speak louder than words; let your words teach and your actions speak." St Anthony of Padua

Dear Lord Jesus, please help us to be good friends to our family, our neighbours and all who we meet through our words and **actions**. Amen.
