Don't forget the Library Reading Challenge during the holidays!

This year's Summer Reading Challenge is still going ahead and has been redesigned as a digital version.

Let's Get Silly will run into September.

Join a host of mad cap animal characters in The Silly Squad and celebrate books that make us happy and laugh.

Register for free on the Silly Squad website, a safe and secure platform set up by The Reading Agency.

Children will be able to set their own reading goal, collect virtual rewards and unlock activities.

This year children may read anything - from library to school books, ebooks or eaudio. We have a great selection to choose from in our <u>BorrowBox digital library</u>. So get set to get silly and have loads of fun this summer!
