Dear children in Hildegard class

This letter is to give you some information about your new class. The Year 3 Hildegard Team consists of Miss Culkin and Mrs Gaetos, and we are both looking forward to working with you after the holidays and getting to know you.

My favourite things to do are art, visiting different places, especially the seaside, having good fun and doing the best job in the world, teaching. Mrs McGuire has already told me lots about you all and I have enjoyed visiting you all to get to know you, but I am looking forward to finding out so much more about you. I am sure we are all going to have lots of fun learning together and becoming the best class we possibly can.

This year, I am particularly looking forward to us learning about World War 2 and excited to be learning a new language together. I am also excited to see some of you preparing and making your First Holy Communion.

You are coming over to the junior building this year which might feel a little strange. Our classroom environment is welcoming, and I know you will all feel safe and at home in no time. The first few days you will be able to navigate yourself around the classroom and find out where all the resources are to help you with your learning. Take a look at our class pages on the school website where you'll find lots of useful links to things that will help with your learning this year.

On the first day you will need a small bag, water bottle, healthy snack (e.g. fruit or vegetable). You can also bring in your own pencil case with items such as pencils and a rubber. We will always have equipment in school for you to use too, including scissors, sharpeners, felt tips and coloured pencils.

I wonder if you will be having school dinners or packed lunch when you come back to school?

I am looking forward to a nice rest over the holidays and having time to spend with my family and friends. We hope you are already enjoying your summer holidays and we're looking forward to hearing from you all about it. We really hope you all have a lovely fun time too and come back ready for lots of new learning.

See you all in September.

Yours sincerely

Miss Culkin  
and Mrs Gaetos
